As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter-Basis of Accounting

As discussed in Note 2-A to the financial statements, the Plan Sponsor of the Plan approved a plan of liquidation on July 31, 2023, and management determined liquidation is imminent. As a result, the Plan adopted the liquidation basis of accounting beginning with the year ended December 31, 2023, and has continued to apply the liquidation basis of accounting for the year ended December 31, 2024. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and reportable transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement-Investment Board
Retirement Plan for Employees of
Sun Pacific Shippers, L.P.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**RETIREMENT PLAN FOR EMPLOYEES
OF SUN PACIFIC SHIPPERS, L.P.**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023 (IN LIQUIDATION)

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Retirement Plan for Employees of Sun Pacific Shippers, L.P. (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

A. General

The Plan as amended on January 1, 2001 is a noncontributory defined benefit pension plan that provides retirement benefits to employees of Sun Pacific Shippers, L.P. and related companies (the "Company"). Effective January 1, 2018, the Plan was amended to freeze future benefit accruals to new and existing participants as of December 31, 2017. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Effective July 31, 2023 the Company approved to terminate the Plan (Note 3.)

B. Administration and Expenses

The Plan is administered by a Retirement-Investment Board appointed by the Board of Directors of Sun Pacific Shippers, L.P. Capital Bank and Trust Company served as directed trustee and asset custodian through February 28, 2023. The Bank of New York Mellon/BNY Mellon, N.A. serves as directed trustee and asset custodian effective March 1, 2023. The Retirement-Investment Board is responsible for directing Plan investments and is authorized to employ investment counsel for implementing its investment policy. Investment fund management fees and operating expenses are charged directly to the fund and thereby factored into each fund as a reduction of investment return. Other Plan administrative costs can be paid by the Plan of the Company at the discretion of the Company.

C. Eligibility and Vesting

Any employee of the Company who works 500 hours in the first twelve months of employment becomes an eligible participant. An employee's participation in the Plan will continue until the employee's death, 65th birthday, actual date of retirement, termination or at a one-year break in service. A participant becomes fully vested when he or she completes more than 500 hours of Company employment per Plan year, for five years. The five years need not be consecutive.

All participants who work at least 500 hours during a Plan year are credited with a year of service. No partial year of service is credited to a participant who works less than 500 hours during the year. Effective January 1, 2018, the Plan was frozen to all existing and new participants.

D. Benefits

Benefits are recorded when paid. Employees with five or more years of service are entitled to annual pension benefits beginning at normal retirement age (65). As of January 1, 2002, benefits under the Old Benefit Formula were frozen and benefits began accruing under the New Benefit Formula. The Old Benefit Formula provided benefits equal to 65% of the participant's highest five-year average earnings prorated for service less than 30 years minus 60% of the participant's estimated social security primary insurance amount. Benefits provided under the New Benefit Formula are 2% of final average earnings times years of service credited after December 31, 2001. A participant's accrued benefit is equal to the sum of benefits earned under both formulas.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Benefits (Continued)

The primary form of benefit under the Plan is a monthly annuity commencing at retirement (a joint and survivor annuity if married and a single life annuity if single at the time benefits commence). Optional forms of annuity payments are available under the Plan.

In connection with the Plan's termination, the Plan purchased annuity contracts from insurance companies to settle the benefits of participants. Total payments for the annuity contracts amounted to approximately \$55 million. Following these transfers, the Plan has no further obligation to the participants whose benefits were settled through these contracts.

In addition, the Plan paid approximately \$2.4 million to the Pension Benefit Guaranty Corporation in connection with the termination of the Plan. The payment was made to facilitate the transfer of benefit liabilities associated with participants for whom the Plan lacked sufficient identifying information to locate or communicate with them. As a result of this transaction, the Plan has no further obligation for the benefits of these participants.

E. Death and Disability Benefits

A surviving spouse of a vested participant who dies prior to inception of benefits is entitled to a qualified joint and survivor annuity benefit. If a participant becomes disabled, the participant continues to accrue years of service for the purpose of determining retirement benefits, with average compensation determined as if the participant's pay continued at the same level until retirement or the end of the disability.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Financial Accounting Standards Board ("FASB") issued authoritative guidance that requires an entity to prepare its financial statements using the liquidation basis of accounting when liquidation is imminent. The guidance requires measurement and presentation of assets at the amount of expected cash proceeds from liquidation. An entity includes in its presentation of assets any items it had not previously recognized under accounting principles generally accepted in the United States ("GAAP") but that it expects to use in settling liabilities. The 2024 and 2023 financial statements are prepared on the liquidation basis of accounting in accordance with GAAP.

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect reported amounts of assets, liabilities and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023 (IN LIQUIDATION)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the value of investments in the near term could materially affect the amounts reported in the financial statements.

Company contributions are made, and the actuarial present value of accumulated plan benefits was reported based on certain assumptions pertaining to interest rates, the discount rate and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could materially affect the financial statements.

NOTE 3 - TERMINATION OF THE PLAN

Effective July 31, 2023, the Company approved to terminate the Plan. Pursuant to the action to terminate the Plan, the Company shall take all actions and make all contributions required to ensure that the assets of the Plan are sufficient to fully fund all accrued benefits under the Plan on a termination basis; following the termination date, the Plan and its related trust shall continue to be administered in accordance with the terms thereof until all Plan asset have been distributed, and the Company shall take all actions to ensure that the assets of the Plan are distributed as set forth in the Plan, and that such distributions take place as soon as is administratively feasible and in accordance with the terms of the Plan and all applicable law, including the standard termination requirements of the Pension Benefit Guaranty Corporation ("PBGC"); further that the proper employees and/or officers of the Company or their delegates, either individually or jointly, be and hereby are, authorized and directed to execute any and all documents and to take such other actions as they deem necessary or appropriate to implement the foregoing resolutions, including amending the Plan as necessary, providing notice to the trustee, the PBGC, the IRS and the participants of the Plan of its termination, facilitating the timely distribution of assets (including disposition of any surplus assets in accordance with applicable law), and filing of a post-distribution certification and final Form 5500, to comply with applicable law, and to terminate the Plan.

NOTE 4 - INCOME TAX STATUS

The Plan received its most recent determination letter dated September 16, 2019 in which the Internal Revenue Service determined that the Plan and related trust are designed in accordance with applicable sections of the Code. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

**RETIREMENT PLAN FOR EMPLOYEES
OF SUN PACIFIC SHIPPERS, L.P.**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023 (IN LIQUIDATION)

NOTE 4 - INCOME TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - FUNDING POLICY

The Plan was entirely funded by the Company. The Company was required to fund 100% of the value of accrued benefits, and each year the minimum required contribution will generally be equal to the value of benefits expected to be earned during the year plus a seven-year amortization installment of unfunded accrued benefits, if any. The Code sets forth minimum contributions to assure adequate funding and a maximum amount that an employer may deduct as a Plan contribution. The Plan meets ERISA minimum funding requirements.

NOTE 6 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those future payments which individual participants have accumulated under the Plan's provisions based on compensation and service rendered to date. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits payable under all circumstances; retirement, death, disability and termination of employment are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits was determined by actuaries and was the amount that results from applying actuarial assumptions to adjust accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

On July 27, 2023, the Plan was amended to terminate effective July 31, 2023. Subsequently a lump sum offer was made to eligible participants, and lump sum payments were made on December 26, 2023. As a result, the benefit obligation was valued as of December 31, 2023, reflecting the Plan termination cost to settle the remaining obligations at that time. Remaining obligations were settled through the purchase of annuity contracts in 2024.

As of December 31, 2024, there was no actuarial present value of accumulated plan benefits.

As part of the valuation as of December 31, 2023, assumptions were made regarding the portion of obligations expected to be settled through an annuity purchase in connection with the Plan termination. These assumptions are detailed below:

Liability Cohort:	Estimated Annuity Cost as a % of Ongoing Plan PVAB
Actives:	120%
Terminated Vested:	120%
Retirees:	105%

**RETIREMENT PLAN FOR EMPLOYEES
OF SUN PACIFIC SHIPPERS, L.P.**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023 (IN LIQUIDATION)

NOTE 6 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS (Continued)

The adjustment for annuity cost as a percentage of ongoing Plan present value of accumulated benefits ("PVAB") was based on observed market pricing for similar annuity purchase transactions at the time of valuation.

As part of the December 31, 2023 valuation, an effective discount rate of 4.26% was applied to the Plan's expected benefit payments.

The significant actuarial assumptions used in the December 31, 2023 valuation were as follows:

1. Asset valuation method: Fair Market Value of Assets
2. Discount rate: 4.26%
3. Mortality: Pri-2012 base mortality tables, including separate assumptions for contingent survivors, projected forward using unadjusted MP-2021.
4. Retirement Assumptions:

2023			
<u>Percent Expected to Retire</u>			
<u>Age</u>	<u>%</u>	<u>Age</u>	<u>%</u>
55	5	63	15
56	5	64	15
57	5	65	35
58	5	66	20
59	10	67	20
60	10	68	20
61	10	69	20
62	15	70	100

The benefit obligation as of December 31, 2023, was valued reflecting the plan termination cost to settle the remaining obligations given the decision to terminate the Plan effective in July 2023, and a significant lump sum payment made to eligible participants in December 2023. Remaining obligations were settled through the purchase of annuity contracts in 2024.

The present value of accumulated plan benefits and the changes in accumulated Plan benefits are as follows:

NOTE 7 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024 and 2023 and net (depreciation) of investments and interest and dividends for the year ended December 31, 2024 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Bank of New York Mellon/BNY Mellon, N.A., the trustee as of March 1, 2023 and throughout 2024, and Capital Bank and Trust Company, which served as trustee through February 28, 2023.

NOTE 8 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

NOTE 9 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

Units of investment in common/collective trusts are measured at fair value using net asset value per unit as a practical expedient. All common/collective trust investments held by the Plan are direct filing entities. The following table summarizes Plan investments in common/collective trusts at December 31:

Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
