Independent Auditors' Report and
Financial Statements

Years Ended December 31, 2024 and 2023

Independent Auditors' Report

To the Board of Trustees
Cardinal Health Care Trust Fund
Webb City, Missouri

Opinion

We have audited the accompanying financial statements of Cardinal Health Care Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and the statements of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and the statements of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Cardinal Health Care Trust Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cardinal Health Care Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cardinal Health Care Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cardinal Health Care Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cardinal Health Care Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Cardinal Health Care Trust Fund

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

1. Description of Plan

The following description of the Cardinal Health Care Trust Fund (Plan), sponsored by Cardinal Scale Manufacturing Co. (Company), provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General: The Plan provides health care benefits for eligible participants and their qualifying dependents as determined by the Plan and the various insurance policies in effect. Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: An employee is considered to be eligible if the employee normally works at least 30 hours per week, is on the regular payroll of the Company and completes the applicable waiting period of 60 days. A family member of an employee will become eligible for dependent coverage on the first day that the employee is eligible for coverage. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured benefits: The claims for self-insured health care benefits are processed by the Plan's third-party claims processor under administrative services only arrangements. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's trust or the general assets of the Company. This processor is considered a party-in-interest under ERISA. Despite the utilization of the third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop loss coverage: The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Employer contributions: The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company as needed.

Participant contributions: In addition to deductibles and copayments, participants pay a portion of their total premium and a portion of the cost of covering their eligible dependents based on their respective benefit elections.

Parties-in-interest: Certain employees of the Company serve as the Plan's trustees. The trustees do not receive any compensation for services rendered to the Plan. Substantially all of the administrative costs of the Plan are paid by the Company.

2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are presented in accordance with U.S. generally accepted accounting principles, using the accrual method of accounting.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits: Premiums paid by the VEBA trust are recorded as insurance premiums in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the Plan. These payments are recorded as benefit claims paid in the accompanying statements of changes in net assets available for benefits.

Stop loss: Premiums for stop loss insurance are included in insurance premiums in the accompanying statements of changes in net assets available for benefits. Stop loss refunds totaling \$112,368 and \$13,903 are recorded as reinsurance benefits in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.

Refunds: Refunds due from the Plan's PBM are recorded when received and are recorded as an offset netted against benefit claims paid. Rebates totaling \$80,881 and \$69,773 have been netted with benefit claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

Subsequent events: Management has evaluated subsequent events between the end of the most recent fiscal year end and October 13, 2025, the date the financial statements were available to be issued.

3. Risks and Uncertainties

The Plan liabilities for certain health claims incurred but not reported are estimated based on experience and actual claims reported subsequent to year end. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term will be material to the financial statements. These amounts are paid by the Plan only if claims are submitted and approved for payment.

4. Administrative Fees

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative fees. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Notes to Financial Statements

Years Ended December 31, 2024 and 2023

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

6. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the IRS dated October 16, 1981, stating that the trust is tax-exempt under the provisions of Section 501(a) of the IRC. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded for the years ended December 31, 2024 and 2023 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. A tax liability would be recognized if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Reinsurance Agreements

The Plan has purchased excess loss reinsurance coverage from an unrelated insurer for individual claims in excess of specific deductibles for the years ended December 31, 2024 and 2023. To the extent the reinsurer is unable to meet obligations under the agreement, the Plan remains contingently liable for the excess with no annual limit. The specific deductible for excess loss reinsurance for most participants is \$130,000 for each of the years ended December 31, 2024 and 2023. For the year ended December 31, 2023, the specific deductible for excess loss reinsurance was increased to \$250,000 for two participants. There were no increased specific deductibles for 2024.
