INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
American Health Connection, Inc. 401(k) Profit Sharing Plan
La Palma, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the American Health Connection, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the American Health Connection, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the American Health Connection, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the American Health Connection, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the American Health Connection, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the American Health Connection, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AMERICAN HEALTH CONNECTION, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the American Health Connection, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more detailed information of the Plan’s provisions.

General

The Plan is a qualified employer profit sharing plan, effective January 1, 2016, covering substantially all eligible employees of American Health Connection, Inc. 401(k) Profit Sharing Plan (the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

According to the Plan, participants direct the investment of their accounts into various investment options offered by the Plan. Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Additionally, participants are 100% vested in their account and full benefits are available upon retirement at age sixty-five, early retirement, death, total disability, or in the event of complete discontinuance of contributions or termination of the Plan.

The Plan provides that forfeitures, if any, shall be used to reduce the Plan's ordinary and necessary administrative expenses and/or matching contributions. Expenses and matching contributions in excess of the forfeitures are generally paid by the Plan Sponsor.

Eligibility

Employees who have completed 3 months of service and are twenty-one or older can elect to immediately participate in the Plan.

Employee Contributions

Each year, participants may contribute up to 92% of their pretax and/or post tax annual compensation, as defined in the Plan. Participants who are age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Plan includes auto-enrollment provisions whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral rate increases by 2% on the first day of the Plan year thereafter up to a max of 10% of eligible compensation unless otherwise instructed by the participants. Elective contributions in any year may not exceed the dollar limit for the year set by the Internal Revenue Service.

(Note 1 continued on the following page)

**AMERICAN HEALTH CONNECTION, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

For each Plan year, the employer contributes to the Plan on behalf of each eligible participant a Safe Harbor Non-Elective Contribution equal to 50% of the participant's elective deferral up to 6% of such participant's compensation. For the years ended December 31, 2024 and 2023, the Plan Sponsor made safe-harbor contributions of \$94,188 and \$94,853, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Plan Sponsor's discretionary contributions, (b) Plan Sponsor's matching contributions, and (c) Plan earnings which are charged with an allocation of certain administrative expenses. Allocations of matching contributions are based on participant contributions, as defined. Allocations of plan earnings and administrative expenses are based on participant balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Vesting

Participants are immediately vested in their contributions plus actual earnings less losses thereon, and in their portion of the Plan Sponsor's safe-harbor contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A year of vesting service is defined as any year in which a participant completes 1,000 hours in that year. A participant is 100% vested after six years of credited service in accordance with the following schedule:

0-2 years of service	0%
2-3 years of service	20%
3-4 years of service	40%
4-5 years of service	60%
5-6 years of service	80%
6+ years of service	100%

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Plan Sponsor's contributions and earnings on Plan Sponsor contributions are used to pay administrative expenses of the Plan or to reduce future employer contributions. Forfeitures available at December 31, 2024 and 2023 were \$12,027 and \$9,385, respectively. During the years ended December 31, 2024 and 2023 \$2,931 and \$1,750 of forfeited funds were used to pay Plan expenses, respectively. During the years ended December 31, 2024 and 2023 \$9,385 and \$15,362 in forfeited funds were used to reduce employer contributions, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

On termination of service due to disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon death the beneficiary may elect a lump sum, or in distributions made over the life of the beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. All vested accounts not exceeding \$5,000 will be distributed in a single lump-sum payment.

In-Service Withdrawals

Participants who are at least 59^{1/2} years of age are entitled to receive a distribution of all or any portion of their vested account balance. Hardship withdrawals, which meet a hardship purpose of immediate and heavy financial need, are permitted as provided in the plan agreement. Such amounts may be drawn from a participant's deferral contributions and employer contributions and may be subjected to certain income tax penalties. Disability withdrawals are permitted as provided in the plan agreement. Qualified reservist distributions are permitted as provided in the plan agreement.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance and may have no more than two loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. For the years ended, December 31, 2024 and 2023, interest rates on loans to participants ranged between 8.00% and 9.50%.

Administrative Expenses

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor, are paid by the Plan Sponsor or through excess forfeitures. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Plan Sponsor. Participants are charged service fees for any distribution transactions they request. Investment advisory and management fees paid by and for the Plan amounted to \$12,818 and \$9,833 for the years ended December 31, 2024 and 2023, respectively and are included in administrative fees and investment advisory expenses on the statement of changes in net assets. Audit expenses are absorbed by the Plan Sponsor. In addition, certain investment-related expenses have been offset with net investment income and are not readily determinable.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Investment Options

Participants direct the allocation of their contributions, employer discretionary contributions, and safe-harbor contributions to any of the investment options offered by the Plan at their discretion. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared in compliance with the Department of Labor Rules and Regulations for reporting and disclosure under ERISA.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are measured at quoted prices in an active market and have been certified complete and accurate by Mid Atlantic Trust Company, the Plan's custodian (Note 4). Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Risk and Uncertainties

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

NOTE 3 – FAIR VALUE MEASUREMENTS

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurement (Topic 820): *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019, and was adopted by the Plan on January 1, 2020. The adoption of ASU 2018-13 had no impact on the financial statements.

FASB ASC 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(Note 3 continued on the following page)

AMERICAN HEALTH CONNECTION, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

- Level 2: Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair values may not be realized in the immediate settlement of the financial asset. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering from sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				
Mutual funds				792,035
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 792,035</u>

Assets at Fair Value as of 2023 December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				
Mutual funds				618,706
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 618,706</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The Plan's mutual funds are valued at NAV which is based on the fair value of the underlying investments of the mutual funds, less any liabilities. The underlying investments of the mutual funds are mainly equity and fixed income securities and short-term investments. The investment strategies of the Plan's mutual funds vary generally based on the investment objectives of the asset class of which they are a part. Such investment strategies include investments in fixed income securities and investments in equity securities in domestic and international markets for growth and value objectives as well as to replicate market indexes and to invest in emerging markets. The Plan had no unfunded commitments related to its mutual funds. The redemption of mutual funds is subject to the preference of individual Plan participants and contains no restrictions on the timing of redemption.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Mid Atlantic Trust Company, the custodian, as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to information included in the Plan’s financial statements and supplemental schedule:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023.
- Net appreciation/(depreciation) in fair value of investments, interest and dividends reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023 Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year).
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year).

NOTE 5 – TAX STATUS

The Employer adopted a volume submitter profit sharing plan with CODA (“volume submitter plan”) which received a favorable opinion letter from the Internal Revenue Service (IRS) dated December 31, 2018, which stated that the volume submitter plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and operated in compliance with applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, so that each participant receives 100% of his or her account balance as of the date of termination.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from the Plan participants and the related interest income and administrative expenses are also considered party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$7,667 and \$1,750 for the years ended December 31, 2024 and 2023, respectively. The records of the Plan indicate no party-in-interest transactions, which are prohibited by ERISA and for which no statutory or administrative exemption exists.

NOTE 8 – SUBSEQUENT EVENTS

The Plan evaluated subsequent events through September 24, 2025, the date these financial statements were issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
