EB Employee Solutions LLC 401(k) Plan

2024 Client Service Communication

The Plan Administrator of
EB Employee Solutions LLC 401(k) Plan

We have audited the financial statements of the EB Employee Solutions LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) as of and for the year ended December 31, 2024, and have issued our report thereon dated October 14, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan by Reliance Trust Company, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles in the United States of America ("GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 11, 2025. Professional standards also require that we communicate to you the following information related to our audit.

This information is intended solely for the information and use of the plan administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the confidence you place in LBMC as your business advisor. We strive to help you stay compliant, manage risk, and improve performance as you manage your employee benefit plan.

Overview of the audit and responsibilities.....	4
Qualitative assessments.....	5
Interaction with management, independence, and other matters.....	6 - 7
Internal control related matters.....	8 - 9
Client service is a priority.....	10

Scope of Attest Services	LBMC was engaged to perform an ERISA Section 103(a)(3)(C) audit of the 2024 financial statements of EB Employee Solutions LLC 401(k) Plan (the “Plan”) including subjecting the form and content of certain supplemental information to auditing procedures.
Plan Management Responsibilities	Management is responsible for the preparation and fair presentation of the financial statements, and supplemental information, and maintaining internal controls.
Attest Deliverable	LBMC issued an ERISA Section 103(a)(3)(C) opinion on the financial statements of the Plan and communicated certain matters relating to the financial statements and supplemental information.
Other Services	<p>LBMC performed the nonattest service of drafting the financial statements and supplemental information of the Plan in conformity with U.S. generally accepted accounting principles based on information provided by management.</p> <p>We provided management with any and all accounting records that were prepared by LBMC in connection with the nonattest service set forth above. Management is responsible for retaining these accounting records, including supporting schedules as an integral part of the Plan’s accounting records:</p> <ul style="list-style-type: none"> • Trial balance with financial statement groupings • Fair value classification of investments • Investments measured at net asset value as a practical expedient determination

Area	Detail
Qualitative Aspects of Accounting Practices – Accounting Policies	<p>Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new significant accounting policies were adopted, and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.</p>
Qualitative Aspects of Accounting Practices - Estimates	<p>Accounting estimates are an integral part of the Plan’s financial statements and are based on management’s knowledge and experience, as well as certain assumptions. Certain accounting estimates are particularly sensitive due to: (i) their significance to the financial statements; and (ii) because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements relate to management’s estimate of the fair value of the Plan’s investments. Investments are carried at fair value as determined on the last day of the Plan year, as described in Note 4 to the financial statements.</p> <p>We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole.</p>
Qualitative Aspects of Accounting Practices – Disclosures	<p>Financial statement disclosures are neutral, consistent, and clear.</p>

Area	Detail
Difficulties Encountered in Performing the Audit	<p>For purposes of this report, “difficulties” may include matters such as:</p> <ul style="list-style-type: none"> • the unavailability of, or significant delays in management providing information, • an unreasonable time frame within which to complete the audit, • extensive unexpected effort required to obtain audit evidence, or • restrictions imposed on the auditor by management. <p>We encountered no significant difficulties in performing and completing our audit.</p>
Disagreements with Management	<p>For purposes of this report “disagreements with management” include matters that, individually or in the aggregate, could be significant to the Plan’s financial statements or the auditors’ report, regardless of whether they were satisfactorily resolved. Examples of such matters include, but are not limited to, the application of accounting principles to a specific transaction, the basis for management’s judgments about accounting estimates, and the scope of the audit. We are pleased to report that no such disagreements arose during the course of our audit.</p>
Management Consultations with Other Independent Accountants	<p>If management were to consult with other accountants about the application of an accounting principle to the Plan’s financial statements or the type of auditors’ opinion that may be expressed on those statements, professional standards require the consulting accountant to confer with us to determine that the consultant has all relevant facts. To our knowledge, there were no such consultations with other accountants.</p>
Management Representations	<p>We have requested certain representations from management that are included in the management representation letter dated October 14, 2025.</p>
Independence	<p>We are not aware of any relationships between our firm and the Plan that, in our professional judgment, may reasonably be thought to bear on our independence that have occurred during the period from January 1, 2024, through the date of this report.</p>
Other Findings or Issues	<p>We generally discuss a variety of matters, including the application of accounting principles and auditing standards with management each year both prior to, and subsequent to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.</p>
Form 5500 Procedures	<p>We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors’ report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan’s financial statements. We identified no material inconsistencies in performing and completing our audit.</p>

Area	Detail				
Information Accompanying the Financial Statements	<p>Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).</p>				
Corrected and Uncorrected Misstatements	<p>Misstatements identified during the audit that are more than trivial in nature and magnitude have been communicated to management. The following table summarizes uncorrected misstatements to the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.</p> <table border="1" data-bbox="318 848 1366 973"> <thead> <tr> <th data-bbox="318 848 1139 915">Description</th> <th data-bbox="1139 848 1366 915">Income / (Loss)</th> </tr> </thead> <tbody> <tr> <td data-bbox="318 915 1139 973">To record excess contributions payable</td> <td data-bbox="1139 915 1366 973">\$18,880</td> </tr> </tbody> </table>	Description	Income / (Loss)	To record excess contributions payable	\$18,880
Description	Income / (Loss)				
To record excess contributions payable	\$18,880				

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan, we considered the Plan’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan by Reliance Trust Company, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management’s attention. We identified the following reportable findings:

<p>Plan Oversight</p>	<p>During our audit, we noted that Plan management did not document its Plan oversight meetings during the year. We recommend that Plan management implement a policy to document their regular meetings and any important decisions or discussions held during these meetings. Meeting minutes could include the following:</p> <ul style="list-style-type: none"> • Date, time and location of the meeting • Identification of the people present at the meeting • Reference to any investment reports used during the meeting • Participation issues such as education, goals for increasing the number of participants, or deferral rates • Plan fee issues • Fund performance issues • Decisions made, such as the decision to place a specific fund on a formal or informal “watch list” that will need to be addressed at a future meeting • Decisions made which require immediate action, such as the decision to remove and/or replace a fund in the Plan’s line-up <p>Meeting minutes serve as important documentation that a fiduciary process was followed, and the Plan is being prudently managed.</p>
------------------------------	---

Review and Reconciliation of Trust Statements	<p>During our audit inquiries of Plan management, Plan management noted they review Plan level trust statements but there is no reconciliation of Plan activity throughout the year. Periodic review and reconciliation of Plan level trust statements and activity throughout the year allows Plan management and/or plan fiduciaries to identify and correct errors in a timely manner, as well as document oversight of the Plan and assist in mitigating fiduciary risk.</p> <p>We recommend Plan management establish procedural controls to ensure that Plan level trust statements are periodically (quarterly or bi-annually) being reviewed and reconciled with plan sponsor payroll and other relevant records. The review and reconciliation process should be documented and consider items such as:</p> <ul style="list-style-type: none">- Total Employee contributions withheld per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals- Total Employer contributions calculated per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals- Reviewing distributions, fees, and other activity for any unusual or unexpected transactions
