INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
K9s For Warriors (401(k) Plan)
Ponte Vedra, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of K9s For Warriors (401(k) Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

K9s For Warriors (401(k) Plan)

Notes to Financial Statements

1. Summary Plan Description:

The following description of the K9s For Warriors (401(k) Plan) (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2016. The Plan is a defined contribution plan covering all eligible employees of K9s For Warriors, Inc. (the “Organization”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligibility

Employees who are age 21 or older are eligible to participate in the Plan, except nonresident aliens and residents of Puerto Rico. Eligible employees may enroll the first day of the month following the date the employee satisfies the Plan’s eligibility requirements.

Contributions

Participants may elect to defer, subject to IRS limits, up to 90% of their annual eligible compensation. In addition, employees who have attained age 50 by the end of the Plan year may make catch-up contributions up to limits defined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Organization has elected to make matching contributions equal to 100% of the participant’s elective deferrals that do not exceed 5% of the participant’s compensation. Additional employer discretionary matching and nonelective contributions may be made at the option of the Organization’s Board of Directors. The Organization did not make additional discretionary contributions during 2024. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, allocation of Organization’s contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. Transaction fees are deducted directly from the applicable participant’s account.

The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and common collective trusts as investment options for participants.

1. Summary Plan Description (Continued):

Notes Receivable from Participants

Participants are permitted one outstanding loan at a time. Participants may borrow a minimum of \$500, up to 50% of their vested contributions and related earnings, not to exceed \$50,000. Loans are secured by the balance in the participant's account and must be repaid in level payments through payroll deductions within a 5-year period, except for loans for the purchase of a principal residence which may be repaid over a reasonable period of time not to exceed a maximum of 30 years. Generally, notes receivable from participants include interest at 2% above the prime rate. Participants are allowed for one loan outstanding at a time.

Payment of Benefits

The entire vested balance in an individual participant's account, shall be payable to the participant, upon the election of the participant, upon retirement at or after age 65, upon determination of total and permanent disability, or to the participant's beneficiary in the event of death. Additionally, hardship withdrawals and certain other in-service withdrawals are also permitted by the Plan if certain criteria are met. Participants may elect to receive an in-service distribution after attaining the age of 59 ½. Account balances that are under \$5,000 may be automatically distributed upon termination of service as a lump sum without the consent of the participant.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

Vesting for employer discretionary matching contributions is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 but less than 2	0%
2 but less than 3	50%
3 or more	100%

Vesting for the Organization's discretionary nonelective contributions is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 but less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes to Financial Statements

1. Summary Plan Description (Continued):

Administrative Expenses

In accordance with Plan provisions, the Company or the Plan may pay administrative expenses of the Plan. Administrative expenses paid by the Plan for trustee, recordkeeping and investment advisory services are allocated to participants proportionally based on the value of their account balances. Administrative expenses recorded in the Plan pertaining to loan transaction fees are deducted directly from the applicable participant's account.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Forfeited Accounts

Forfeited nonvested accounts may be used to pay Plan expenses or reduce employer contributions. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$740 and \$1,008, respectively. The Plan used forfeited nonvested accounts totaling \$122,349 to reduce employer contributions during the 2024 Plan year.

2. Summary of Accounting Policies:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Income Valuation and Income Recognition

Investments of the Plan are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Realized gains and losses on the sales of securities are reported on the average cost method.

K9s For Warriors (401(k) Plan)
Notes to Financial Statements

2. Summary of Accounting Policies (Continued):

Notes Receivable from Participants

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are reclassified as distributed based upon the terms of the Plan document. The loans are secured by the balance in the participants' accounts

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment securities which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

The Financial Accounting Standards Board, Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: Mutual funds are valued at quoted market prices on nationally recognized security exchanges (Level 1 inputs).

K9s For Warriors (401(k) Plan)

Notes to Financial Statements

3. Fair Value Measurements (Continued):

Common Collective Trusts: The investments in the common collective trusts are valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes by level within the fair value hierarchy, the Plan investments measured at fair value:

<i>December 31,</i>	Level	2024	2023
Mutual funds	1	\$ 1,583,752	\$ 1,308,004
Common/collective trusts	(a)	338,397	237,191
		<u>\$ 1,922,149</u>	<u>\$ 1,545,195</u>

(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at fair value using the net asset per share practical expedient have not been classified in the fair value hierarchy.

4. Information Prepared and Certified by the Trustee:

The investments included in the statements of net assets available for benefits as of December 31, 2024 and 2023, and the dividends and net appreciation in fair value of investments and interest on notes receivable from participants included in the statement of changes in net assets available for benefits for the year ended December 31, 2024, have been derived from information certified as complete and accurate by Reliance Trust Company, the trustee of the Plan, in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as follows:

<i>December 31,</i>	2024	2023
Mutual funds	\$ 1,583,752	\$ 1,308,004
Common/collective trusts	338,397	237,191
Notes receivable from participants	26,674	22,321

<i>Year Ended December 31,</i>	2024
Net appreciation in fair value of investments	\$ 125,495
Dividends	70,661
Interest on notes receivable from participants	2,333

K9s For Warriors (401(k) Plan)

Notes to Financial Statements

5. **Income Tax Status:**

The Internal Revenue Service has determined and informed the Organization by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Service.

Management evaluated the Plan's tax positions and concluded that as of December 31, 2024, the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for tax years before 2021.

6. **Party-In-Interest Transactions:**

ADP, LLC ("ADP") provides recordkeeping services to the Plan and is considered a party in-interest to the Plan. Fees paid by the Plan to ADP for transaction fees charged to participants amounted to \$6,388 for the year ended December 31, 2024.

Reliance Trust Company ("Reliance") is the trustee and custodian of the Plan, therefore, transactions involving managed investments qualify as party-in-interest transactions. Reliance is considered parties in-interest to the Plan.

Included in the Plan assets are notes receivable from participants. At December 31, 2024 and 2023, notes receivable from participants amounted to \$26,674 and \$22,321, respectively. For the year ended December 31, 2024, interest income related to notes receivable from participants amounted to \$2,333. These transactions qualify as party-in-interest transactions permitted under provisions of ERISA.

7. **Reconciliation of Financial Statements to the Form 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2024 and 2023:

<i>December 31,</i>	2024	2023
Net assets reflected on Form 5500	\$ 1,948,823	\$ 1,567,516
Employer contributions receivable	14,931	7,273
Net assets reflected in the financial statements	<u>\$ 1,963,754</u>	<u>\$ 1,574,789</u>

The following is a reconciliation of the increase in Plan assets per the financial statements to the Form 5500 for the year ended December 31, 2024:

<i>Year Ended December 31,</i>	2024
Net income per the Form 5500	\$ 381,307
Change in employer contributions receivable	7,658
Net increase per the financial statements	<u>\$ 388,965</u>

Notes to Financial Statements

8. Plan Termination:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100 percent vested in their accounts.

9. Subsequent Events:

Management has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be filed and has determined that there were no material events requiring recognition or disclosure
