The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year as of December 31, 2024, is presented for purposes of additional analysis is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TASTY KING, LLC RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Tasty King, LLC Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (the “Code”), covering employees of Tasty King, LLC (the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The assets of the Plan are managed and administered under the terms of an agreement between the Plan and Reliance Trust Company (the “Custodian”). The Custodian is responsible for the investment of such assets and the accounting for all related receipts and disbursements.

Eligibility. Employees become eligible to participate in the Plan on the first day of the month following completion of six months of service and the attainment of the age of 21. Employees are credited for each month during which they perform one hour of service, whether or not they were consecutive months. All acquired employees are granted service credit from predecessor employers if they meet the Plan’s eligibility requirements on the acquisition date.

Participant Contributions. All eligible employees may voluntarily elect to contribute a percentage of their pre-tax or post-tax compensation, as defined in the Plan, subject to federally mandated limits. Participants who reach age 50 by the end of a Plan year may make additional catch-up contributions.

The Plan accepts rollovers and transfers as defined in the Plan document. Rollover contributions consist of contributions from other employers’ plans, which employees have elected to include with the Plan.

The Plan includes an auto-enrollment provision whereby employees are auto-enrolled in the Plan upon meeting the eligibility requirements at a pre-tax deferral rate of 4%, unless the participant affirmatively elects otherwise. Effective January 1, 2024, the Plan was amended to increase the auto-enrollment percentage to from 2% to 4%, with annual 1% increases up to a maximum of 10%.

Employer Contributions. All eligible participants are eligible to receive Employer matching contributions equal to 40% of the first 4% of eligible compensation not to exceed the participant elective deferral.

The Employer may elect to make profit-sharing contributions to the Plan. Participants must be employed on the last day of the Plan year to be eligible for Employer profit-sharing contributions. The Employer did not elect any profit-sharing contributions for the year ended December 31, 2024.

In no event shall the contributions credited to a participant’s account for any Plan year, either separately or when combined with Employer contributions, exceed the allowable deductions for federal income tax purposes.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferral, any Employer contributions, and the participant’s earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balance as described in the Plan document. Employer contributions to the Plan are invested among investment funds in the same proportion as the participant’s contributions.

Investment Options. Each participant may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Vesting. Participants are fully vested in their deferrals plus actual earnings or losses thereon. Vesting in Employer matching and profit-sharing contributions, if any, and earnings thereon, is based on years of continuous service, at 20% per year starting in year one. A participant is fully vested in these Employer contributions after completion of five years of service, or upon death, disability, or normal retirement.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Notes Receivable from Participants. Participants may borrow from their Plan accounts a minimum of \$500 up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. A loan is secured by the balance in the participant's account and bears interest at a rate as determined by the Company at the time of the loan. Principal and interest are paid directly to the Plan by the participants over a term not to exceed five years, unless used for the purchase of a home.

Payments of Benefits. On termination of service due to death, disability, or retirement, or for termination of service due to other reasons, a participant may elect to receive the value of his or her account in the form of a single lump sum equal to the vested balance of the participant's account. The Plan allows for in-service withdrawals by participants who have attained the age of 59.5 or by any participant from rollover contributions at any time. The Plan allows for hardship withdrawals for specific situations, as defined by the Plan.

Excess Contributions Payable. The Plan performs certain participant discrimination testing annually in accordance with ERISA. The Plan failed to pass the Actual Deferral Percentage Test and the Actual Contribution Percentage Test for the 2024 and 2023 Plan years. Excess contributions payable of \$6,984 and \$9,913 as of December 31, 2024 and 2023, respectively, were subsequently refunded to the HCEs in the subsequent year.

Forfeitures. Forfeitures from non-vested participant accounts are used to pay administrative expenses or reduce future Employer contributions. Forfeitures totaling \$28,377 were used to reduce Employer contributions during the year ended December 31, 2024. Forfeited non-vested accounts totaled \$10,036 and \$5,878 as of December 31, 2024 and 2023, respectively.

Recent Legislation. In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The Internal Revenue Service ("IRS") has issued additional guidance addressing specific issues arising from the implementation of the provisions of SECURE 2.0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual method of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator ("Plan Administrator") to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants' loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Employer, are provided by the Employer at no charge to the Plan, and the Employer has no plans to obtain reimbursement of these expenses from the Plan. The Plan's participants are liable for all administrative expenses that are not paid by the Employer.

Concentrations of Credit Risk. Substantially all the Plan's assets were held by the Custodian. The Custodian is a qualified institution pursuant to ERISA.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodian that such information is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income (loss) and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2024, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(Continued)

TASTY KING, LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual Funds. Valued at the quoted market prices.

Common Collective Trust ("CCT"). Accounts that invest exclusively in CCT that invest in underlying insurance contracts are valued at net asset value ("NAV") of the underlying insurance contracts. The NAV is used as a practical expedient to estimate fair value. Those accounts directly investing in fixed maturity securities are measured based on the pricing date provided by outside valuation service providers who, in turn, generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 821,946</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 821,946

Investments Measured Using the NAV per Share Practical Expedient. The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 5 – EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian or their affiliates; therefore, these transactions qualify as party-in-interest transactions. Furthermore, the Custodian provided Plan administration services to the Plan. Certain employees of the Employer provide administrative services to the Plan. These employees are compensated by the Employer for such services.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 7 – INCOME TAX STATUS

On October 6, 2020, the IRS stated that the volume submitter profit sharing plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Code. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

See Independent Auditor's Report.

TASTY KING, LLC RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 878,551	\$ 690,089
Excess contributions payable not recorded on Form 5500 at end of Plan year	<u>6,984</u>	<u>9,913</u>
Net assets available for benefits per Form 5500	<u>\$ 885,535</u>	<u>\$ 700,002</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2024:

Change in net assets available for benefits per the financial statements	\$ 188,462
Excess contributions payable not recorded on Form 5500 during 2024	6,984
Excess contributions payable not recorded on Form 5500 during 2023	<u>(9,913)</u>
Change in net assets available for benefits per form 5500	<u>\$ 185,533</u>

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2024 through October 8, 2025, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
