## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators of the  
LOGISTEED America, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of LOGISTEED America, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LOGISTEED America, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LOGISTEED America, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LOGISTEED America, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LOGISTEED America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LOGISTEED America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**LOGISTEED AMERICA, INC. 401(k) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
DECEMBER 31, 2024 AND 2023

---

**NOTE A - DESCRIPTION OF THE PLAN**

The following description of the LOGISTEED America, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**1. General**

The Plan is a defined contribution plan established by LOGISTEED America, Inc. (the “Employer”) under the provisions of Section 401(a) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) (see Note H). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Employer. The plan administrators are responsible for the oversight of the Plan. The Plan Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance. Reliance Trust Company (the “Trustee”) is responsible for the custody and management of the Plan’s assets. ADP Retirement Services is the Plan’s recordkeeper (“Recordkeeper”).

On March 10, 2023, the board of directors of the Employer approved a company merger with James J. Boyle & Co. (“JJ Boyle”). Effective April 1, 2023, the Employer and JJ Boyle were combined into one company, and the Employer’s name was changed to LOGISTEED America, Inc. Employees of JJ Boyle were allowed to participate in the Plan immediately, with prior service recognized for eligibility and vesting purposes. Plan assets totaling \$3,763,364 were transferred from the JJ Boyle defined contribution plan to the Plan on May 26, 2023 (see Note H).

**2. Eligibility**

All non-union, non-leased employees who are U.S. residents are eligible for participation in the Plan upon completion of three months of service and attainment of age 21. Eligible employees may enroll in the Plan in the month subsequent to meeting the requirements. In addition, prior to April 1, 2023, employees who worked 1,000 hours and were employed on the last day of the plan year were eligible to receive employer profit sharing contributions. Effective April 1, 2023, employees who worked 500 hours or that were employed on the last day of the plan year are eligible to receive Employer discretionary profit-sharing contributions (see Note H).

**3. Contributions**

Participants may elect to contribute, on a tax-deferred basis or an after-tax basis, up to 70% of their eligible compensation, subject to certain limitations under the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may direct contributions, as desired, in any of several investments offered by the Trustee and may change their investment options daily. The Employer will make a matching contribution of 50% of the participant deferral, limited to a maximum of 4% of the participant’s compensation, as determined each pay period.

In addition, the Employer may also make a discretionary profit-sharing contribution for each active and eligible participant, in an amount subject to determination on an annual basis by the Board of Directors of the Employer.

**NOTES TO THE FINANCIAL STATEMENTS**  
DECEMBER 31, 2024 AND 2023

---

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**4. Participant Accounts**

Each participant’s account is credited with the participant’s contributions and the Employer’s matching contribution, as well as allocations of the Employer’s discretionary profit-sharing contribution, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**5. Notes Receivable From Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance (not to exceed \$50,000 less the highest outstanding loan balance during the prior twelve-month period). The loans are secured by the balance in the participant’s account. Participants may have one loan outstanding at any time. All loans shall bear interest at prime rate plus 1% as of the date of issuance. Loans must be paid back within five years of the date of issuance in accordance with terms established by a plan administrator. Loans for the purchase of a principal residence may be paid back within thirty years. Loans are due and payable upon the participant’s termination of employment with the Employer.

**6. Vesting**

Employee contributions, Employer qualified non-elective contributions, rollovers and actual earnings on all such contributions are fully vested at all times. Vesting of Employer matching contributions, Employer discretionary profit-sharing and actual earnings thereon, are based upon the participant’s years of service with the Employer as follows (see Note H):

<u>Years of Service</u>	Vesting Percentage Prior to <u>April 1, 2023</u>	Vesting Percentage Effective <u>April 1, 2023</u>
Less than 2	0%	20%
2	25%	40%
3	50%	60%
4	75%	80%
5	100%	100%

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**7. Benefit Payments**

Upon termination of employment with the Employer, a participant may receive a lump sum disbursement if his or her vested account balance is less than \$5,000. For balances greater than \$5,000, the participant is entitled to a lump sum amount or installment payments. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. In addition, upon attaining age 59½, participants may receive distributions. Hardship withdrawals are also permitted if certain criteria are met.

**8. Administrative Expenses**

Certain expenses of maintaining the Plan are paid from the assets of the Plan, and reimbursed subject to a plan expense reimbursement arrangement with the Trustee, unless otherwise paid by the Employer. During the year ended December 31, 2024, \$50,586 of reimbursed expenses were credited to the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation in fair value of investments.

**9. Forfeitures**

Forfeitures of terminated participants' nonvested accounts will be applied against future Employer contributions or to pay plan expenses. During the year ended December 31, 2024, \$17,433 of forfeitures were applied against Employer contributions. As of December 31, 2024 and 2023, there was \$34,853 and \$26,420, respectively of unallocated forfeitures included in net assets available for benefits.

**10. Plan Amendments and Termination**

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**1. Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**2. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**3. Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s management determines the Plan’s valuation policies utilizing information provided by the Trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

**4. Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

**5. Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding increase to deductions from net assets.

**6. Benefit Payments**

Benefits are recorded when paid.

**7. Subsequent Events**

Plan management has evaluated subsequent events through October 10, 2025, the date the financial statements were available to be issued.

**NOTE C - CERTIFICATION BY TRUSTEE**

The plan administrators have elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all of the investment information, including investment income, and notes receivable from participants and related interest income, included in the accompanying financial statements and supplemental schedule has been certified as complete and accurate by the Trustee of the Plan.

**NOTE D - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

**LOGISTEED AMERICA, INC. 401(k) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
DECEMBER 31, 2024 AND 2023

**NOTE D - FAIR VALUE MEASUREMENTS (Continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust:* Valued at the net asset value of units held by the Plan at year end. The unit value represents the fair value of the underlying assets, including direct and indirect interests in fully benefit-responsive investment contracts, as reported by the fund manager. The Plan's investment in the collective trust funds have readily determinable fair values because they are primarily fixed income related, structured similar to a mutual fund in that net asset value is determined and published daily, available to participants of the Plan when they log into their online account, and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 26,836,393	\$ -	\$ -	\$ 26,836,393
Common collective trust	<u>-</u>	<u>2,033,223</u>	<u>-</u>	<u>2,033,223</u>
Total investments at fair value	<u>\$ 26,836,393</u>	<u>\$ 2,033,223</u>	<u>\$ -</u>	<u>\$ 28,869,616</u>
<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

**LOGISTEED AMERICA, INC. 401(k) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
DECEMBER 31, 2024 AND 2023

---

**NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Trustee and Recordkeeper are parties-in-interest with respect to the Plan. Investments are held with and managed by the Trustee. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing rather than direct payment. Additional fees may be paid directly to the Trustee, Recordkeeper or other parties-in-interest. Notes receivable and the related interest income are considered related party transactions.

**NOTE F - INCOME TAX STATUS**

The IRS has issued an opinion letter to the Recordkeeper dated October 6, 2020, that the non-standardized pre-approved plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan did not seek a favorable determination letter with respect to the initial adoption of the plan document, nor with any plan restatements or amendments, the plan administrators believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrators have analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expect to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE H - PLAN AMENDMENTS**

Effective April 1, 2023, the Plan was amended to change the employer name to LOGISTEED America, Inc. and the plan name to LOGISTEED America, Inc. 401(k) Plan (see Note A-1). The vesting schedule was amended to be a five-year vesting schedule representing 20% vesting each year of service (see Note A-6), the definition of compensation was amended to include gifts, and eligibility for employer discretionary profit-sharing was amended (see Note A-2). There were no other material modifications to the Plan provisions.

**NOTE H - PLAN AMENDMENTS (Continued)**

Effective September 1, 2023, the Plan was amended to include in-plan rollovers and Roth rollovers. There were no other material modifications to the Plan.

Effective March 1, 2024, the Plan was amended to allow prior service from LOGISTEED Solutions America, Ltd. to be credited for purposes of eligibility and vesting at the Employer.
