This representation letter is provided in connection with your audit of the financial statements of the **All Star Auto Lights 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (the "financial statements").

We have elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (a "qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of September 30, 2025, the following representations made to you during your audit:

### **Financial Statements**

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated July 9, 2025, for the preparation and fair presentation of the financial statements and disclosures in accordance with the applicable financial reporting framework we have chosen, which is GAAP, and the notes include all the disclosures required by laws and regulations in which the Plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
2. The financial statements are fairly presented in accordance with GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
4. We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
6. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are properly disclosed in the notes to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
7. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*.

Rehmann Robson LLC

September 30, 2025

Page 3 of 7

In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820 and we believe the level of the fair value hierarchy in which assets are classified and disclosed in the financial statements is appropriate. Also, there are no subsequent events that would require adjustment in the fair value level and disclosures.

8. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of GAAP.

For the purposes of this letter, related parties means the Plan sponsor (or employers participating in a multiemployer plan, as applicable), trusts which hold the Plan's assets, principal owners of the enterprise, management of the Plan and principal owners of the Plan sponsor and their immediate families, members of the Plan's board of trustees or administrative committee, the chief operating and executive officers (Plan administrators) and others who are responsible for achieving the objectives of the Plan and have the authority to establish policies and make decisions by which the objectives of the Plan are to be pursued and other parties with which the Plan may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interest. Another party is also a related party if it can significantly influence management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own interest.

9. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
10. All events subsequent to the date of the financial statements, if any, and for which GAAP requires adjustment or disclosure have been adjusted or disclosed.
11. We have properly reported and disclosed amendments to the Plan instrument, if any.
12. We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.
13. With respect to financial statement preparation services performed by you, we have performed the following:
  - a) Made all management decisions and performed all management functions;
  - b) Assigned a competent individual who has suitable knowledge, skill, and/or experience to oversee the services;
  - c) Evaluated the adequacy of the services performed;

Rehmann Robson LLC

September 30, 2025

Page 4 of 7

- d) Evaluated and accepted responsibility for the result of the service performed; and
  - e) Established and maintained controls, including a process to monitor the system of internal control.
14. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedule, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The method of measurement or presentation have not changed from those used in the prior period.
15. All significant estimates and material concentrations known to management that are to be disclosed in accordance with FASB ASC 275, *Risks and Uncertainties*, are appropriately included in the financial statements. We understand that significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materiality within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.
16. There are no—
- a) Violations or possible violations of laws or regulations (including ERISA, DOL and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
  - b) Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or any other lending institution that are required to be recorded or disclosed in the financial statements.
  - c) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.
  - d) Material transactions that have not been properly recorded in the accounting records underlying the financial statements.
  - e) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
17. The Plan invests in various investment securities with the underlying assets consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict.

Rehmann Robson LLC

September 30, 2025

Page 5 of 7

Due to the level of interest rate, market, and credit risks inherent with certain of the Plan's investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.
