INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Munn's Air Conditioning & Heating 401(k) Plan
Fruitland Park, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Munn's Air Conditioning & Heating 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Munn's Air Conditioning & Heating 401(k) Plan
Fruitland Park, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MUNN'S AIR CONDITIONING & HEATING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 1 - Description of Plan

The following description of Munn's Air Conditioning & Heating 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan, established on January 1, 2001, and most recently restated and amended April 1, 2022, is a defined contribution plan covering all eligible employees, as defined, of Munn's Air Conditioning & Heating and participating employer Drain Cleaning and Repairs USA, LLC (collectively, the Company or Plan Sponsor). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees of the Company, except for: (1) union employees represented by a collective bargaining unit, and (2) certain non-resident aliens with no U.S. income, are eligible to make elective salary deferrals and receive Company contributions on the first day of the month coinciding with or next following the completion of two months of service.

Contributions

Participants may contribute either pre-tax or after-tax Roth deferrals up to 90% of their eligible annual compensation, as defined in the Plan agreement, up to a statutory maximum, which is set by law each year. The Plan provides for the automatic enrollment of eligible participants at a deferral rate of 6% of eligible compensation, unless the participant elects a contrary salary deferral election. The Plan allows for certain additional catch-up contributions for employees over the age limits defined in the IRC. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Company provides a Qualified Automatic Contribution Arrangement (QACA) safe harbor matching contribution equal to 100% of employee salary deferrals that do not exceed 1% of eligible compensation plus 50% of salary deferrals between 1% and 6% of eligible compensation. The Company may also provide an additional discretionary matching contribution equal to a percentage of participant salary deferrals, as determined each year by the Company, not to exceed 4% of eligible compensation. There is no annual service requirement to share in the discretionary matching contribution. The Company may also provide a discretionary profit-sharing contribution to be allocated amongst participants who are employed on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year. Participants may also share in the discretionary profit-sharing contribution regardless of service during the Plan year in which death, disability, or termination of employment after normal retirement age, as defined, occurs. The Company did not elect to make discretionary matching contributions or discretionary profit-sharing contributions for the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company QACA safe harbor and discretionary matching contributions, and allocations of Company discretionary profit-sharing contributions and the Plan's earnings and is charged with benefit payments, transaction fees, and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participant transaction fees are charged directly to the accounts of the participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MUNN'S AIR CONDITIONING & HEATING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan Sponsor.

Vesting

Participants are immediately vested in their elective deferral and rollover contributions, plus actual earnings thereon. Company QACA safe harbor matching contributions, plus actual earnings thereon, vest 50% after one year of service and vest 100% after two years of service. Company discretionary matching and profit-sharing contributions plus actual earnings thereon vest over a period of six years as follows:

1 Year	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

A participant will also be 100% vested in QACA safe harbor and discretionary matching and profit-sharing contributions upon death, disability, or attainment of normal retirement age, as defined.

Forfeitures

Any non-vested amounts remaining after the distribution of a terminated participant's vested account balance are forfeited. Amounts forfeited by participants may be used to pay Plan expenses or to reduce Company contributions. During the year ended December 31, 2024, forfeitures of \$6,721 were used to reduce Company contributions. At December 31, 2024 and 2023, unallocated forfeitures totaled \$163 and \$156, respectively.

Payment of Benefits

Upon termination of services due to death, disability, retirement, or termination of employment, a participant with a vested balance greater than \$5,000 may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a series of installments over time, or partial withdrawals. If the amount of the participant's vested balance is \$5,000 or less, the Plan will automatically distribute the vested balance in a lump-sum payment. Participants attaining the age of 59 ½ may request an in-service distribution from their vested account balance at a minimum of \$500. Hardship withdrawals may be requested at a minimum of \$500 and are paid in one lump-sum upon approval.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan agreement. Expenses that are paid by the Company are excluded from the financial statements. Administrative expenses paid by the Plan and included in the accompanying statement of changes in net assets available for benefits are primarily recordkeeping, investment management, and participant transaction fees. Certain investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2025, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2024, that require recognition or disclosure in the financial statements.

Note 3 - Information Certified by Reliance Trust Company

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by Reliance Trust Company as of December 31, 2024 and 2023, and for the year ended December 31, 2024, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	<u>2024</u>	<u>2023</u>

		<u>2024</u>
Net Appreciation in Fair Value of Investments		\$ 418,771
Dividend Income		\$ 44,992

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

MUNN'S AIR CONDITIONING & HEATING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Fund: Valued as determined by quoted market price, which represents the net asset value of shares held by the Plan at year-end. The mutual fund held by the Plan is deemed to be actively traded.

Collective Investment Trusts: The Plan invests in various collective investment trust funds issued by Great Gray Trust Company that are comprised of shares or units in commingled funds that are not publicly traded and are valued at the net asset value of the units held by the Plan as determined by the issuer of the trusts based on the fair value of the underlying assets less liabilities. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments on these investments. The funds require the Plan Sponsor to provide advance written notice of five business days for Plan Sponsor withdrawals which will exceed \$1 million of the assets invested in each fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**MUNN'S AIR CONDITIONING & HEATING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>Description</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>	<u>Total</u>

Total Investments at Fair Value	<u>\$ 861,692</u>	<u>\$ 3,169,199</u>	<u>\$ -</u>	<u>\$ 4,030,891</u>

Note 5 - Tax Status

The Plan adopted a non-standardized defined contribution pre-approved plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020. The opinion letter stated that the Plan was designed in accordance with applicable sections of the IRC. The Plan has been restated and amended since receiving the ruling. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Party-in-Interest Transactions

During the year ended December 31, 2024, the Plan paid administrative expenses of \$16,200 to the Plan's recordkeeper and financial advisor. These transactions qualify as party-in-interest transactions.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company QACA safe harbor and discretionary matching and profit-sharing contributions.

MUNN'S AIR CONDITIONING & HEATING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
