**Independent Auditors' Report**

**To the Plan Administrator of  
Augmedix INC. 401(K) PLAN**

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Augmedix Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2024 and December 31, 2023, the related Statement of Changes in Net Assets Available for Benefits for the Years then Ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to benefits provided under the plan and certified to by a qualified institution or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance

with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA 103(a)(3)(C) audit opinion.

**Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit**

Except as described in the Scope and Nature of the ERISA 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- 
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
  - Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the accompanying financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedules Required by ERISA**

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 1: Description of plan**

The Augmedix Inc. 401(k) plan effective 04/01/2016 is a defined contribution plan established for the benefit of the employees of Augmedix, Inc. ('the Company'). Employees are eligible to participate in the plan if they are employed by Augmedix, Inc. or any affiliate who has adopted the Plan. The following is the brief general description of the plan:

**Contributions**

Participants may elect to make deferral contributions to the Plan from the pretax annual compensation, as defined in the plan, subject to certain limitations of the Internal Revenue Code (IRC). Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contribution. Federal law also limits the amount the participants may elect to defer under this Plan and any other retirement plan permitting Elective Deferrals during any calendar year to \$23,000 and additional \$7,500 for participants at age over 50 in 2024. Rollover contribution from other qualified retirement plans are allowed by the plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching contribution equal to a uniform percentage or dollar amount of the participant's elective deferrals.

**Employer Matching Contributions**

The Company may, in its sole discretion, make a matching contribution on employee's behalf if they make a "Matched Employee Contribution". A "Matched Employee Contribution is any Elective Deferral Contribution or Catch-up Contribution that an employee may make during the Plan Year. If an employee make a "Matched Employee Contribution", the Company may contribute to your Employer Matching Contribution Account in an amount and allocation formula as determined by the Company in its sole discretion.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and an allocation of Company contributions, if any and Plan earnings and losses. Allocations are based on participant earning or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**Vesting**

Participants are always fully (100%) vested with respect to their contributions and related earnings thereon. Participants are immediately vested in their Elective Deferral Account and Rollover Contribution Account.

**Augmedix Inc.****Notes to Financial Statements****For the Years Ended December 31, 2024 and December 31, 2023****Employer Matching Contribution Account**

Participants are immediately vested in their elective (voluntary) contributions and income or loss thereon. Matching Employer contributions paid on the participants' behalf are fully vested after one year of eligible service.

However, if the company must make a matching contribution to employees' account in order to satisfy certain non-discrimination tests required by the Internal Revenue Code, employees' will be 100% vested in those matching contributions.

**Non-Elective Contributions**

Employees' interest in their Non-Elective Contribution Account will vest based on employees' years of Vesting Service defined below in accordance with the following schedule:

<b>Years of Vesting Service</b>	<b>Vesting Percentage</b>
Less than 2 Year	0%
2	20%
3	40%
4	60%
5	80%
6	100%

**Participant loans**

The Plan Administrator, in its discretion, may permit Participants to apply for a loan from the Plan. The Plan Administrator may further adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans. Total outstanding participant loans as of December 31, 2024 is \$30,623, which was \$32,415 as of December 31, 2023.

**Payment of benefits**

On retirement, disability, or other termination of service, a participant may elect to receive a lump-sum distribution in the participant's vested account.

**Forfeited Accounts**

As of December 31, 2024, forfeited non-vested accounts totaled \$9,387. These accounts will be used to reduce future employer contributions or to offset plan expenses.

**Note 2 - Summary of significant accounting policies**

**Basis of Accounting**

The preparation of financial statements is in conformity with generally accepted accounting principles and on accrual basis of accounting.

**Investment Valuation and Income Recognition**

The Plan's investment is reported at fair market value except for the fully benefit responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing the information provided by the investment advisor and trustee.

Investment transaction are recorded on trade-date basis. Interest Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024.

**Payment of benefits**

Benefits are recorded when paid.

**Corrective Distributions**

Amounts payable to participants for contribution in excess of amounts allowed by the IRS are recorded as liability.

**Plan expenses**

Operating expenses of the Plan are absorbed by the plan sponsor and are included in these financial statements.

**Use of Estimates**

The preparation of financial statements is in conformity with accounting principles generally accepted in United States of America which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets during the reported period. Actual results could differ from these estimates.

For the Years Ended December 31, 2024 and December 31, 2023

**Note 3 - Required Disclosures**

## Fair Value Measurements and Disclosures

The Plan's investments are measured at fair value.

**Fair Value measurements****Fair Value Measurements Using:**

	<b>Fair Value as of December 31, 2024</b>	<b>Quoted prices in Active Markets for Identical Assets (Level 1)</b>	<b>Significant other observable inputs (Level 2)</b>	<b>Significant other unobservable inputs (Level 3)</b>
<b>Mutual Funds</b>	\$ 6,587,833	\$ 6,587,833	\$ -	\$ -
<b>Investment measured at Net Asset Value (a)</b>	120,862	-	-	-
<b>Total</b>	<b>\$ 6,708,695</b>	<b>\$ 6,587,833</b>	<b>\$ -</b>	<b>\$ -</b>

**Fair Value Measurements Using:**

	<b>Fair Value as of December 31, 2023</b>	<b>Quoted prices in Active Markets for Identical Assets (Level 1)</b>	<b>Significant other observable inputs (Level 2)</b>	<b>Significant other unobservable inputs (Level 3)</b>
<b>Investments</b>	\$ 6,293,085	\$ 6,293,085	\$ -	\$ -
<b>Investment measured at Net Asset Value (a)</b>	96,298	-	-	-
<b>Total</b>	<b>\$ 6,389,383</b>	<b>\$ 6,293,085</b>	<b>\$ -</b>	<b>\$ -</b>

The Organization applies the provisions of FASB ASC 820, Fair Value Measurements and Disclosures, for fair value measures of investments that are recognized and disclosed at fair value in the financial statements on a recurring basis. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements

**Augmedix Inc.****Notes to Financial Statements****For the Years Ended December 31, 2024 and December 31, 2023**

involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 – Quoted prices for identical instruments in active markets.
- Level 2 – Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which significant value drivers are observable.
- Level 3 – Valuations derived from valuation techniques in which significant value drivers are unobservable.

**Level 1 Fair Value Measurements**

The fair value of the investments in funds are based on the daily closing prices as reported by the fund. The funds held by the Plan are deemed to be actively traded.

**Investment Measured Using the Net Asset Value per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and December 31, 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<b>December 31, 2024</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>
Common Collective Trust	\$120,862	N/A	Daily	N/A

<b>December 31, 2023</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>
Common Collective Trust	\$96,298	N/A	Daily	N/A

**Note 4 - Income Tax Status**

The Internal Revenue Service has ruled that the plan qualifies under section 401(a) of the Internal Revenue Code (IRC) and is, therefore not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The plan obtained its latest determination letter on October 06, 2020 in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code. Accounting principles generally accepted in

United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdiction, however there are currently no audits for any tax periods in progress.

**Note 5 - Plans termination**

On July 19, 2024, the Company resolved to terminate the Plan. The termination is effective September 30, 2024. As a result, participants became fully vested in their account balances as of the termination date.

The Plan administrator has initiated the necessary steps to obtain required regulatory approvals and notify participants. As of December 31, 2024, the Plan is in the process of distributing its assets to participants and beneficiaries. All remaining assets will be distributed as soon as administratively feasible. All account balances were fully distributed to participants and beneficiaries in June 2025.

**Note 6 – Comparative Financial Information**

The accompanying financial statements present the financial position of the Augmedix, Inc. 401(k) Plan as of December 31, 2024, and December 31, 2023, and the related changes in net assets available for benefits for the years then ended.

**Note 7 - Information Certified by the Plan Trustee**

Management has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Trustee of the Plan, has certified that the following investment information is complete and accurate:

- Fair value of investments and the carrying amount of notes receivable from participants as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2024 and December 31, 2023.
- Dividends, net realized and unrealized depreciation in fair value of investments, and interest income on notes receivable from participants as reflected in the Statement of Changes in Net Assets Available for Benefits for the Year Ended December 31, 2024.

As permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to the certified investment information.

**Note 8- Reconciliation of financial statements to Schedule H of Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 and December 31, 2023 to Schedule H of Form 5500:

<b>Particulars</b>	<b>As of December 31, 2024</b>	<b>As of December 31, 2023</b>

Add: Participants deferred contribution	-	-
Net assets available for benefits per the financial statements	\$ 6,739,318	\$ 6,421,798

**Note 9 - Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statement of net assets available for benefits.

**Note 10 - Related Party Transactions**

During 2024, the plan's investments were managed by ADP Retirement Services. Accordingly, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rule under ERISA.

**Note 11 - Subsequent events**

The date to which events occurring after December 31, 2024 have been evaluated for possible adjustments to the financial statements or disclosure is October 14, 2025, which is the date on which financial statements were available to be issued.
