## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Pigment Inc. 401(K) Plan  
New York, New York

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of the Pigment Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits--modified cash basis as of December 31, 2024, and the related statement of changes in net assets available for benefits--modified cash basis for the period from inception, February 1, 2024 through December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Pigment Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and for the period then ended, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Pigment Inc. 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pigment Inc. 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due

to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pigment Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pigment Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter--Supplemental Schedule Required by ERISA**

The supplemental schedule H, line 4i--schedule of assets (held at end of year)--modified cash basis as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

*In our opinion:*

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

### PIGMENT INC. 401(K) PLAN

December 31, 2024

#### NOTE A--DESCRIPTION OF PLAN

The following description of the Pigment Inc. 401(K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions:

General: The Plan is a defined contribution plan covering substantially all employees of Pigment Inc. ("the Plan Administrator" and "the Employer"). All employees who have obtained eighteen years of age are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Prior to February 1, 2024, the Employer was a participating employer in a 401(k) plan that was administered by a service provider. Effective February 1, 2024, the Employer formed the Plan and the net assets of the participants of the previous plan were transferred into the Plan. In connection with the formation of the Plan, participant balances of \$2,023,174 were transferred from the previous plan. The transaction is recorded as Transfers In in the statement of changes in net assets available for benefits--modified cash basis.

Contributions: Plan participants are allowed to make contributions from their pre-tax compensation as well as employee elective after-tax Roth contributions, which are deducted from participant's after-tax earnings. Total pre-tax and elective after-tax Roth contributions may not exceed 90% of the participants' plan compensation. The employer matching contribution is a fixed percentage of participant elective deferral contributions. The Employer matched 100% of the participant elective deferral contributions, not to exceed 4% of the participant's eligible compensation, during the year then ended December 31, 2024.

The Plan includes an automatic deferral feature for all newly hired eligible employees. The employer automatically withholds 6% of the employee's compensation as an employee elective contribution. This percentage increases annually by 1% to a maximum withholding of 10%. Employees that have been automatically enrolled may request no deferral of compensation or may select an alternative deferral percentage.

Participant Accounts: Each participant's account is credited with his or her contributions, earnings or losses and any Employer matching contributions. All investments are participant directed. Participants may change their investment options on a daily basis.

## NOTES TO FINANCIAL STATEMENTS--Continued

### PIGMENT INC. 401(K) PLAN

#### NOTE A--DESCRIPTION OF PLAN--Continued

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. Employer contributions and earnings thereon are immediately vested upon contribution.

Forfeitures: Forfeited amounts can be used to pay administrative expenses of the Plan and to reduce future Employer contributions to the Plan.

Notes Receivable from Participants: Participants may borrow from their vested accounts a minimum of \$1,000, up to a maximum of \$50,000, or 50 percent of their vested account balances, whichever is less. Participants may only have one loan outstanding at any given time. Loans are repaid through payroll deductions over periods of up to five years, unless the loan is for the purchase of a participant's primary residence, in which case, repayment may not extend beyond 30 years. The loans are secured by the balance in the participant's vested accounts and bear interest at the prime rate plus 1% as determined at the inception of the loan.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to permanent disability, or termination of employment, participants may elect to receive the value of their accumulated Plan benefits, in accordance with the provisions of the Plan, in lump-sum distributions, partial withdrawals, or equal installment payments. Application may be made for withdrawal of funds from employee elective contribution accounts while the participant is an employee in the case of a financial hardship, as defined in the Plan, or when the participant reaches age 59 ½ from all vested accounts.

Administration: The Plan is administered by the Employer. All funds in the Plan are held in trust by ADP Retirement Trust Services (the "Trustee"). The Trustee invests participants' account balances as directed by the participants.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance.

The financial statements of the Plan are prepared utilizing the modified cash basis method of accounting, which differs from generally accepted accounting principles, which uses the accrual method.

NOTES TO FINANCIAL STATEMENTS--Continued

PIGMENT INC. 401 (K) PLAN

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

The Plan's investments are stated at fair value, as further described in Note C. Investment securities, in general, are exposed to various risks, including credit, interest and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amount reported in the statements of net assets available for benefits--modified cash basis.

Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments are calculated based on the difference between the selling price and cost on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains/losses for securities held at the end of the year.

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance.

Contributions are recorded on the modified cash basis, which recognizes participants' contributions and any related Employer matching contributions or Employer discretionary non-elective contributions, at the time such contributions are received in cash by the Plan.

Benefits paid to participants are recorded when paid.

The Employer may pay some of the administrative expenses of the Plan.

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through October 8, 2025, which is the date the financial statements were available to be issued.

### PIGMENT INC. 401 (K) PLAN

#### NOTE C--FAIR VALUE MEASUREMENTS--Continued

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under the accounting guidance are described below:

- Level 1        Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
  
- Level 2        Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
  
- Level 3        Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

Collective investment trust: Valued based on the fair value of its underlying investments. The collective investment trust does not have a finite life, significant restrictions on redemptions, and the Plan has no unfunded commitment related to this investment.

NOTES TO FINANCIAL STATEMENTS--Continued

PIGMENT INC. 401 (K) PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,052,654	\$ -0-	\$ -0-	\$ 4,052,654
Collective investment trust	<u>-0-</u>	<u>7,434</u>	<u>-0-</u>	<u>7,434</u>
Total assets at fair value	<u>\$ 4,052,654</u>	<u>\$ 7,434</u>	<u>\$ -0-</u>	<u>\$ 4,060,088</u>

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with the Trustee to maintain the investments of the Plan and to provide administrative and participant recordkeeping services for the Plan. For the year ended December 31, 2024, contributions to the Plan of \$2,129,298 and participant balances from a previous plan of \$2,023,174 were deposited with the Trustee for investment, and participants of the Plan received distributions of \$250,870 from funds held by the Trustee. At December 31, 2024, the Plan had \$4,060,088 of assets under the Trustee's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401 (a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401 (a) of the Internal Revenue Code.

PIGMENT INC. 401 (K) PLAN

NOTE F--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the year ended December 31, 2024, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE G--PLAN TERMINATION

The Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE H--SUMMARY OF INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The total value of the Plan's assets was \$4,060,088 at December 31, 2024. The Plan's Trustee (a qualified institution) has supplied the Plan Administrator with a certification as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits--modified cash basis as of December 31, 2024, and in the statement of changes in net assets available for benefits--modified cash basis for the year ended December 31, 2024, in regards to investment activity.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.
