Independent Auditor's Report

To the Participants and Retirement Committee of  
the S. M. Lorusso & Sons, Inc. 401(K) Plan  
Walpole, Massachusetts

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of the S.M. Lorusso & Sons, Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit.) The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the S.M. Lorusso & Sons, Inc 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section--

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of S.M. Lorusso & Sons, Inc 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about S.M. Lorusso & Sons, Inc 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of S.M. Lorusso & Sons, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

S. M. LORUSSO & SONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

Note A: PLAN DESCRIPTION

The following description of S. M. Lorusso & Sons, Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and trust agreements for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan which incorporates the provision of Section 401(K) of the Internal Revenue Code. The Plan covers all employees who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for more complete information.

Contributions - Each year, participants may contribute up to 75% of eligible annual compensation, as defined in the Plan up to the maximum amount allowed by the Internal Revenue Code. Participants age 50 and older, or who reach age 50 during the Plan year, are eligible to make catch-up contributions not exceeding the limit set by the Internal Revenue Code. The Plan allows for participants to make pre-tax or after-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or contribution plans. Currently, the Company matches 100% of the participant's pre-tax and after-tax contributions up to 5% of the participant's compensation contributed to the Plan. Additional amounts may be contributed at the option of the Company's Board of Directors.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution and b) the Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions or pay administrative expenses of the Plan.

Vesting - Participants are immediately vested in their pretax contributions, Roth contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 20% vested after two years of service and 20% each subsequent year until 100% vested.

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
DECEMBER 31, 2024 AND 2023

Note A: PLAN DESCRIPTION - CONTINUED

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options chosen by the committee. The group of mutual funds are listed in Note C of these financial statements.

Notes Receivable from Participants - Eligible participants are allowed to apply for loans against a portion of their vested interest in the Plan. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested balance. Interest is charged to the participant's outstanding loan balance at a rate equal to the prime rate plus 1% per annum.

Payment of Benefits - On termination of service due to death, disability, or retirement, the Plan provides for a participant or beneficiary to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may also elect to receive benefits in installment form over their life expectancy. The plan also provides for hardship distributions if certain conditions are met.

Participant Investment Rollovers - Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Plan Termination - In the event of a partial or complete termination of the Plan, the right of each participant to the amounts credited to the participant's account will be non-forfeitable and the value of the participants' accounts will be paid in accordance with the provisions of the Plan and ERISA.

Forfeited Accounts - Forfeitures to the Plan are to be used to reduce employer contributions. Employer contributions were reduced by \$41,630 from forfeited non-vested accounts at December 31, 2024.

Automatic Enrollment - The Plan provides for automatic enrollment. Eligible employees become automatically enrolled in the Plan at a pretax contribution rate of 5% of eligible compensation, unless they otherwise elect not to be enrolled. Participants can elect to change or stop deductions at any time following enrollment.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2024 AND 2023

Note B: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

Net Change in Fair Value of Investments - The Plan presents in the statement of changes in net assets available for benefits, the net change in the fair value of the investments, which consists of the realized gains or losses and the net unrealized increase (decrease) on those investments.

New Accounting Pronouncements - The Plan has considered all new accounting pronouncements issued by the Financial Accounting Standards Board or other standard setting bodies that do not require adoption until a future date and concluded that such pronouncements are not expected to have a material impact on the Plan's financial statements.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued using the methodology described in Note D.

Purchases and sales of shares of mutual funds are recorded on the trade-date basis. The net appreciation (depreciation) in fair value of investment securities consists of the net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale of investments. The net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale are determined using the fair values as of the beginning of the year or the purchase price, if acquired since that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefits are recorded when paid.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum of \$50,000, reduced by the excess, if any, of the highest outstanding loan balance during the last twelve months over the current outstanding balance as of the date of the new loan; or one-half of the vested interest in the Plan. Participants may have only one loan outstanding. Loans generally must be repaid over a period not exceeding sixty months but if the loan is for a purchase of a principal residence, the Plan administrator may permit a longer repayment term. Interest accrues at 1% above the prime rate.

S. M. LORUSSO & SONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
DECEMBER 31, 2024 AND 2023

Note B: SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Expenses of the Plan - Certain expenses of maintaining the Plan are paid directly from the Company and are excluded from these financial statements. Fees related to distributions, loans and investment fees are charged to participants accounts and are included in the administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Reclassification - Certain amounts in the Plan year 2023 financial statements have been reclassified to conform to the Plan year 2024 presentation, with no effect on the net assets available for benefits.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risk and Uncertainties - The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' accounts and the amounts reported in the statements of net assets available for benefits and the related statement of changes in net assets available for benefits.

Subsequent Events - The Plan has evaluated subsequent events through October 7, 2025, the date the financial statements were available to be issued.

Note C: SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE (UNAUDITED)

The trustee of the Plan is Reliance Trust Company. The following is a summary of Plan financial information and data certified by the trustee in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D: FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are based on quoted prices in markets that are not considered to be active for which all significant inputs are observable, either directly or indirectly. Level 3 valuations require inputs that are both significant and unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:

The fair value of mutual funds at December 31, 2024 and 2023 are based on quoted net asset values of the shares held by the Plan at year end.

Note G: INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The trustee is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2024, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by various regulatory authorities; however, there are currently no audits for any tax periods in progress.

Note H: ADMINISTRATIVE EXPENSES

Administrative expenses for the year ended December 31, 2024 is comprised of recordkeeping services and investment advisory services.
