INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Valley Forge Flag Company, LLC Group Medical Plan
Wyomissing, Pennsylvania

Opinion

We have audited the financial statements of the Valley Forge Flag Company, LLC Group Medical Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of Valley Forge Flag Company, LLC Group Medical Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits - modified cash basis for the year ended December 31, 2024, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Valley Forge Flag Company, LLC Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The accompanying financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Valley Forge Flag Company, LLC Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley Forge Flag Company, LLC Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4 (i) - Schedule of Assets (Held at End of Year) - modified cash basis and Schedule H, Line 4 (j) - Schedule of Reportable Transactions - modified cash basis as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules - modified cash basis, we evaluated whether the supplemental schedules - modified cash basis, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules - modified cash basis is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 1 - Description of the Plan

The following description of the Valley Forge Flag Company, LLC Group Medical Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan provides health benefits as defined in the Plan document, covering all full-time employees of Valley Forge Flag Company, LLC and participating employers (the "Company"), and their eligible dependents. Effective October 1, 2023, the Plan established a trust to hold Plan assets with a Plan year of January 1st through December 31st. The Plan is subject to provisions of the Employee Retirement Security Act of 1974, as amended (ERISA).

The Plan's participating employers are Southern Impressions LLC, Carolina Visuals LLC, Lane Manufacturing LLC, and Colebrooke Enterprises LTD.

The Plan is a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium under which the members negotiate and establish employee welfare benefit plans for their employees. Some expenses of the Plan are paid through the Veris Benefit Trust. The employees may be required to pay for a portion of the cost of the benefit.

Plan Amendments - Effective October 1, 2023, Valley Forge Flag Company, LLC Employee Benefit Plan was renamed Valley Forge Flag Company, LLC Group Medical Plan. Further, the employee entry date was amended from "the first day of the month following completion of the waiting period" to "the first day of the month coinciding with or following completion of the waiting period". Further, the Plan was amended to cover all eligible employees of a company acquired by the Plan Sponsor effective on the date of acquisition or the termination date of the prior company's coverage, whichever is later. The Plan was also amended to waive the waiting period for the employees of the acquired company, provided the Employee and eligible Dependents were covered under the prior plan on the date of the acquisition. Also, the "Employer" definition was amended to include participating employers. The Plan was amended to include a rehire provision to waive the waiting period of an employee rehired within 30 days of termination date if he/she was covered under the Plan prior to termination. The coverage will take effect on the first day of employment.

Benefits - The Plan provides health benefits (medical and prescription drugs) to the full-time employees and their eligible dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions - The Company and the participants' share the premiums for the self-funded medical insurance with the participants contributing based on semi-monthly payroll deductions in accordance with the provisions of the Plan.

VALLEY FORGE FLAG COMPANY, LLC GROUP MEDICAL PLAN

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 1 - Description of the Plan (continued)

Stop Loss Coverage - The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure of self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits - The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's Veris Benefit Trust. Despite the Plan's utilization of a third-party claim's processor, ultimate responsibility for the payments to providers and participants is retained by the Plan.

The Plan has a health reimbursement agreement (HRA) that is funded solely through the Company contributions. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subjected to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Contributions are recorded when received and are not accrued and certain expenses are recognized when paid rather than when incurred. Accordingly, the accompanying financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein; claims incurred but not reported; eligibility credits; claims payable; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentration of Credit Risk - Financial instruments that potentially subject the Plan to concentrations of credit risk consists principally of cash deposits. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Amounts not covered by the FDIC may be covered by the Plan's Fidelity Bond insurance. At December 31, 2024 and 2023, the Plan had no balances in excess of the FDIC coverage.

The Plan believes it mitigates the risk of holding uninsured deposits by only depositing funds with a major financial institution. The Plan has not experienced any losses in such accounts, and believes it is not exposed to any significant risk.
