Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to be a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arrow Dental, PLLC 401(k) Retirement Plan, formally known as White, Greer & Maggard, PSC 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

To Management and the Board of Trustees
Arrow Dental, PLLC 401(k) Retirement Plan, fka
White, Greer & Maggard, PSC 401(k) Retirement Savings Plan

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arrow Dental, PLLC 401(k) Retirement Plan, formally known as White, Greer & Maggard, PSC 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To Management and the Board of Trustees

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arrow Dental, PLLC 401(k) Retirement Plan, formally known as White, Greer & Maggard, PSC 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arrow Dental, PLLC 401(k) Retirement Plan, formally known as White, Greer & Maggard, PSC 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

FKA, WHITE, GREER & MAGGARD, P.S.C.
401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Arrow Dental, PLLC 401(k) Retirement Plan, fka White, Greer & Maggard, P.S.C. 401(k) Retirement Savings Plan (the Plan) provides only general information. In August of 2019, the Company restated their plan document which included renaming the Plan from White, Greer & Maggard, P.S.C. 401(k) Retirement Savings Plan to Arrow Dental, PLLC 401(k) Retirement Plan. The restatement and renaming did not merge any two plans together but instead broadened the coverage of the Plan to include all related entities of Arrow Dental, PLLC. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Company who are age 21 or older and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year participants may contribute up to 100 percent of pretax annual compensation up to a maximum of \$23,000 (\$30,500 for age 50 and older) for the 2024 plan year, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. The Company contributes 100 percent of the first three percent of base compensation that a participant contributes to the Plan plus 50 percent of the salary deferrals contributed between three percent and five percent of compensation. The Plan does provide for Roth 401(k) contributions. The Company may contribute additional profit-sharing amounts at the option of the Company. Contributions are subject to certain limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The Company has adopted a Safe Harbor election, therefore contributions made by the Company to participants accounts are immediately 100 percent vested. Participants are immediately vested in their participant accounts for all contributions.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum of 50 percent of their vested account or \$50,000. The loans are secured by the balance in the participant's account and bear a rate commensurate with local prevailing rates. Principal and interest is paid ratably through weekly payroll deductions. Loans must be fully repaid through payroll deductions within

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

five years unless the loan is used for the purchase of a primary residence. Loans used to purchase a primary residence may be repaid within 30 years.

Payment of Benefits - On termination of service due to death, disability or retirement, the fair market value of a participant's account balance is payable in a single lump sum amount, direct rollover, or periodic installments. For termination of service due to other reasons, the fair market value of the participant's account balance is payable in either a lump sum amount or direct rollover, or payment can be deferred until age 72.

Administrative Expenses - Administrative expenses other than direct investment fees are absorbed by the Company. Any such expenses pertaining to third-party administration have been reflected in the financial statements as administrative expenses.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Date of Management's Review - Subsequent events were evaluated through October 14, 2025, which is the date the financial statements were available to be issued.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for full benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when paid by the investment. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

NOTE C - FAIR VALUE OF INVESTMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available.

NOTE C - FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at the price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and input that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

The fair value is based on unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Net appreciation (depreciation) in fair value of investments of \$3,365 and (\$1,977) is related to the PBA account.

Per John Hancock Life Insurance Company's certified information, separate sub-accounts of each investment option are maintained for each participant electing such option. Accordingly, John Hancock Life Insurance Company does not account for dividends separate from unrealized gain or loss and no separate dividend income information is made available for the Plan.

NOTE F - RELATED PARTY TRANSACTIONS

During 2024 and 2023, the Plan invested in shares of pooled separate accounts managed by John Hancock Life Insurance Company, which is a related party to the Trustee. Therefore, these transactions qualify as party-in-interest transactions. Trustee fees are paid by the Company other than immaterial

NOTE F - RELATED PARTY TRANSACTIONS (CONTINUED)

administrative fees. In addition, the Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE G - TAX STATUS

The Company has adopted the Volume Submitter PPD Profit Sharing 401(k) Plan. The Internal Revenue Service has streamlined the determination letter program so that most retirement plans using prototype documents do not need to file for a determination letter to have reliance that their plan satisfies the Internal Revenue Code. The Company received a letter of opinion for the Prototype Plan dated June 30, 2020. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
