## Independent Auditors' Report

Altice USA Benefits Committee  
Altice USA 401(k) Savings Plan  
Long Island City, New York

### *Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Altice USA 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required By ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ALTICE USA 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### (1) Description of the Plan and Nature of Operations

The following description of the Altice USA 401(k) Savings Plan (the “Plan”), provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

#### (a) General

The Plan is a 401(k) defined contribution plan for the benefit of employees of Altice USA, Inc. (“Altice USA”, the “Company” and the “Plan Sponsor”) and its subsidiaries and certain affiliates and is intended to constitute a multiple employer plan. The Plan was adopted effective January 1, 1993 and has since been amended and restated most recently effective October 1, 2017. The Plan generally covers full-time employees, however part-time employees can participate after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Investment assets of the Plan are maintained under a trust agreement with Fidelity Management Trust Company (the “Trustee”) and the Plan’s recordkeeping administrative services are provided by Fidelity Workplace Services LLC (collectively, “Fidelity”). All investment and participant loan transactions are executed by the Trustee at the direction of and for the exclusive benefit of participants under the Plan.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act (“SECURE 2.0 Act”) was signed into law. The SECURE 2.0 Act includes certain provisions, certain of which became effective in 2023, related to eligibility and enrollment, required minimum distributions, catch-up contributions and emergency withdrawals. The deadline for amending plan documents has been extended to December 31, 2026, as such, the Company is currently evaluating the provisions of SECURE 2.0 Act to determine the full impact to the Plan and participants and will incorporate these changes in its Plan Document by the deadlines prescribed in the legislation.

#### (b) Participants’ Accounts

Each participant’s share of the Plan’s assets is recorded in an account established for that participant. Each participant’s account is credited with the participant’s contribution, if any, and the participant’s share of the Company’s contribution, adjusted to reflect income, gains and losses realized and net appreciation or depreciation in the value of the Plan’s assets. All contributions are invested based on participant direction. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants may elect to divide their contributions or initiate a transfer among the investment fund options in whole increments of 1%, subject to certain restrictions. An eligible participant may elect to suspend or resume his or her contributions, subject to the Plan’s notice requirements. Changes requested by participants are implemented as soon as administratively practicable, in accordance with the Plan Document.

Notes to Financial Statements (continued)  
December 31, 2024 and 2023

**(c) Contributions**

Each year eligible employees (as defined under the Plan) may, at their option, contribute up to 50% of their eligible compensation on a pre-tax and/or Roth after-tax basis and up to 10% of their compensation on a regular after-tax basis into any of the available investment elections.

Highly compensated employees (as defined under the Plan) may, at their option, contribute up to 25% of their eligible compensation on a pre-tax and/or Roth after-tax basis and up to 10% of their compensation on a regular after-tax basis. Applicable employees of the Company are eligible for a Company matching contribution equal to 100% on the first 4% of their elective deferrals, for a maximum matching contribution of 4% of eligible compensation. Company match contributions begin with a participant's first contribution to the Plan. Employee pre-tax and Roth after-tax contributions cannot exceed \$23,000 and \$22,500 for the Plan years ended December 31, 2024 and 2023, respectively. Annual employee and Company matching contributions allocated to a participant's account cannot exceed the lesser of (a) 100% of a participant's compensation for the Plan year or (b) \$69,000 and \$66,000 for the Plan years ended December 31, 2024 and 2023, respectively. Contributions are subject to certain other limitations. A participant who has made the maximum amount of permitted deferral contributions for a Plan year, and who has attained or will attain age 50 during such Plan year, may elect to make additional catch-up contributions. Catch-up contributions will be considered deferred contributions for all purposes under the Plan, except that catch-up contributions cannot exceed \$7,500 for the Plan years ended December 31, 2024 and 2023.

All newly hired or rehired full-time employees are automatically enrolled in the Plan at a default pre-tax contribution rate of 6%, beginning with the first pay period 45 days after the employee's first day of employment (or rehire). These employees can elect to participate at a different rate or opt out of the Plan and their future contribution rates will be adjusted as soon as practicable although contributions already made to the Plan will not be refunded.

Applicable employees of the Company are eligible for a year-end Company discretionary contribution at the discretion of the Company. The year-end Company discretionary contribution is provided to all eligible employees who were active on the last day of the Plan year and who completed 1,000 hours of service in such year, regardless of whether, or how much they contributed to the Plan. For the years ended December 31, 2024 and 2023, the Company did not make a discretionary contribution.

The Company may in its sole discretion provide for an additional year-end "true-up" matching contribution which allows a participant to receive the maximum Company matching contribution eligible to him/her. To be eligible for the "true-up" contribution, a participant needs to be active on the last day of the Plan year. For the years ended December 31, 2024 and 2023, "true-up" contributions of \$894,315 and \$761,781 were calculated, of which the entire amounts were funded by forfeitures available in 2025 and 2024, respectively.

December 31, 2024 and 2023

**(d) Rollovers and Transfers**

*Rollovers*

The Plan permits participants to have their interests in other qualified plans rolled over to the Plan or to make rollover contributions into the Plan from a conduit individual retirement account, which holds amounts attributable solely to a rollover from another qualified plan. In addition, the Plan permits for direct transfers of participant accounts for employees in businesses that were acquired by the Company. Such transfers or rollovers to the Plan may only be made with the approval of the Plan administrator and do not affect any other contributions made by or on behalf of a participant.

*Transfers*

In October 2023, assets aggregating \$914,871 relating to a 401(k) plan for certain employees of a subsidiary acquired by the Company were merged with the Plan.

**(e) Forfeited Accounts**

Forfeitures are used primarily to reduce Company contributions, although the Plan does permit payment of Plan administrative expenses with available forfeited amounts. Forfeited amounts will be restored to a participant's account only if the participant is rehired prior to achieving a five-year break in service and repays the amount of his or her distribution received as a result of his or her separation from service. In 2024 and 2023, nonvested account forfeitures were used to reduce Company contributions to the Plan by \$2,360,557 and \$1,975,969, respectively, and pay certain administrative expenses using \$54,447 and \$128,696, respectively, of forfeitures. In addition, as discussed above, forfeiture balances at December 31, 2024 and 2023 were used to fund Company "true-up" contributions in 2025 and 2024, respectively.

As of December 31, 2024 and 2023 forfeited non-vested accounts totaled \$1,242,078 and \$505,855, respectively.

**(f) Fund Vesting**

Participants immediately vest in their contributions, plus actual earnings thereon. The Company's matching contributions become 100% vested upon the completion of three years of service, including the year-end Company discretionary contribution as well as the "true-up" matching contribution for all participants who meet the eligibility criteria for these contributions.

**(g) Payment of Benefits**

Upon retirement at normal retirement age, as defined, death, or termination of service, a participant's vested interest in the Plan becomes payable to the participant (or his or her assigned beneficiary in the case of death). A participant may elect to receive benefit payments in annual installments of up to 15 years, a lump-sum amount or as a direct rollover contribution to an Individual Retirement Account ("IRA") or an eligible retirement plan of all or part of the payment. Withdrawals prior to attaining retirement age are not permitted except in the event of retirement, disability or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, and in compliance with the Internal Revenue Code ("IRC"), of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to retirement age. The

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

Plan's required minimum distribution age will be updated in accordance with the mandated provisions of the SECURE 2.0 Act of 2022 which requires participants who attain age 72 after December 31, 2022 to begin receiving benefit payments no later than April 1 of the calendar year following the calendar year in which they attain age 73.

**(h) Notes Receivable From Participants**

Subject to approval by the Plan administrator, participants can have two loans outstanding at one time, a general purpose loan and a home purchase loan, or two general purpose loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 (reduced by the participant's highest outstanding loan balance during the preceding 12-month period), or (b) 50% of the vested portion in the participant's account. Such borrowings generally must be repaid (through payroll deductions) within five years (or ten years when it is for the purchase of a principal residence). The loans are secured by the balances in the participant's account. Loans issued by the Plan administrator bear interest at the Prime Rate plus 1% at the time the application for the loan is approved. Participant notes receivable as of December 31, 2024 and 2023 bore interest at rates ranging from 4.25% to 9.5%, with maturity dates through 2034 and 2033, respectively. Participant notes receivable at December 31, 2024 and 2023 represent unpaid principal balances.

**(2) Summary of Significant Accounting Policies**

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). The significant accounting policies followed by the Plan are described below.

**(a) Basis of Presentation**

The accompanying financial statements have been prepared under the accrual basis of accounting.

**(b) Investment Valuation and Income Recognition**

The Plan's investment assets are stated at fair value at the end of the Plan year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits includes realized gains (losses) and unrealized appreciation (depreciation). The Plan's investment assets are not guaranteed as to principal or interest, and their values vary depending upon the performance of the underlying investments.

**(c) Payment of Benefits**

Benefits are recorded when paid.

**(d) Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

**(e) *Risks and Uncertainties***

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant fund elections. Additionally, the investments within each participant-directed fund elections are further diversified into various financial instruments.

**(f) *Notes Receivable From Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan.

**(g) *Contributions Receivable from the Company And Credit Loss Policy***

Amounts due for contributions are stated at the amount that management expects to collect from outstanding balance less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amounts that will not be collected. This assessment considers historical experience, current conditions and, when appropriate, reasonable and supportable forecasts.

The Company concluded that no allowance for expected credit losses was necessary at December 31, 2024 or 2023.

**(3) *Investments***

The following is a description of the types of Plan investments:

**(a) *Registered Investment Company Mutual Fund***

The Plan's investment in the registered investment company mutual fund represents the Plan's participation in a mutual fund whose value is determined by the performance of the underlying investments held by the fund. The Plan's investments in this fund is not guaranteed as to principal or interest, and their values vary with the performance of the fund.

**(b) *Collective Trust Funds***

At December 31, 2024 and 2023, the collective trust funds available for participant contribution allocations included the Plan's investments in the Vanguard S&P 500 Index Trust, Galliard Stable Return Fund E ("Stable Value Fund"), the Loomis Sayles Core Plus Fixed Income Fund, the GW&K Small/Mid Cap Core Collective Investment Fund, various Vanguard Target Retirement Trust funds, the Vanguard Total International Stock Market Index Trust, the Vanguard Extended Market Index Trust, the Vanguard Total Bond Index Fund, and the MFS International Equity Fund.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

The value of these funds are not guaranteed.

The Stable Value Fund invests in investment contracts and security-backed contracts. The average annual yield on the underlying investments of the Stable Value Fund was approximately 3.35% and 2.93% for the years ended December 31, 2024 and 2023, respectively. The crediting interest rate to participants for the underlying investments in the Stable Value Fund was 4.88% and 4.92% for the years ended December 31, 2024 and 2023, respectively. The yield credited to participants was net of fees equal to an annual rate of 0.17% for the years ended December 31, 2024 and 2023. The crediting interest rate is calculated on a daily basis.

**(c) Information Certified by Trustee (unaudited)**

The Plan administrator has elected the method of reporting permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate. Accordingly, as permitted under such election, the Plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<b>2024</b>	<b>2023</b>
<b>Investments at Fair Value:</b>		
Collective trust funds .....	\$ 1,707,323,010	\$ 1,516,345,426
Registered investment company mutual fund .....	107,049,637	152,713,736
Notes receivable from participants .....	42,816,640	40,604,063

The Trustee also certified to the completeness and accuracy related to the following net investment income and interest from notes receivable from participants for the years ended December 31:

	<b>2024</b>	<b>2023</b>
Net appreciation in fair value of investments .....	\$ 209,172,307	\$ 248,124,718
Interest and dividends from investments .....	9,978,475	5,057,046
Interest from notes receivable from participants .....	3,029,289	2,354,585

**(4) Fair Value Measurements**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon their own market assumptions. The fair value hierarchy consists of the following three levels:

- Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

- Level II – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III – Assets or liabilities whose significant value drivers are unobservable.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described below may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the Plan’s valuation methodologies at December 31, 2024 or 2023 and there were no transfers between any of the levels for the years ended December 31, 2024 or 2023. The following table sets forth by level, within the fair value hierarchy, the Plan’s assets carried at fair value on a recurring basis:

	<b>December 31, 2024:</b>			
	<b>Level I</b>	<b>Level II</b>	<b>Level III</b>	<b>Total</b>
Collective trust funds .....	\$ —	\$ 1,707,323,010	\$ —	\$ 1,707,323,010
Registered investment company mutual fund .....	107,049,637	—	—	107,049,637
Total investments measured at fair value .....	\$ 107,049,637	\$ 1,707,323,010	\$ —	\$ 1,814,372,647
	<b>December 31, 2023:</b>			
	<b>Level I</b>	<b>Level II</b>	<b>Level III</b>	<b>Total</b>
Collective trust funds .....	\$ —	\$ 1,516,345,426	\$ —	\$ 1,516,345,426
Registered investment company mutual fund .....	152,713,736	—	—	152,713,736
Total investments measured at fair value .....	\$ 152,713,736	\$ 1,516,345,426	\$ —	\$ 1,669,059,162

The Collective trust funds are investment vehicles valued using a net asset value (“NAV”) provided by the manager of each fund. The NAV, as a practical expedient, is based on the underlying net assets owned by the fund divided by the number of shares outstanding. The NAV’s unit price is quoted on a private market that is not active. However, the NAV is based on the fair value of the underlying securities within the fund, which are traded on an active market and valued at the closing price reported on the active market on which those individual securities are traded. The significant investment strategies of the funds are as described in the financial statements provided by each fund. There are no restrictions on redemptions or unfunded commitments from these funds.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

The Plan's valuation methodology used to measure the fair values of the registered investment company mutual fund was derived from quoted market prices as substantially all of these instruments have active markets.

**(5) Party-In-Interest Transactions and Administrative Fees**

Fidelity is the record-keeper, trustee and custodian of the Plan for the years ended December 31, 2024 and 2023. Transactions with Fidelity qualify as parties-in-interest transactions.

Administrative and investment management fees of the Plan are paid from the assets of the Plan.

Participants are charged for a portion of the cost to administer the Plan including the recordkeeping, accounting, legal and trustee services and other administrative services, which are deducted automatically from the participant's account. Participants are also charged for certain transactions, such as the processing of a loan. These costs, as well as certain investment management fees paid from Plan assets in 2024 and 2023 amounted to \$2,307,003 and \$2,134,952, respectively. Certain other administrative and advisory fee expenses in 2024 and 2023 were paid by the Company.

Investment management expenses, which include expenses paid to an affiliate of the Trustee, may be paid from the investment funds. Those expenses are reflected in the net appreciation of these investments.

**(6) Tax Status**

The Internal Revenue Service ("IRS") has determined and informed the Company by a favorable determination letter dated May 23, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Due to the expiration of the IRS determination letter program for individually designed plans, no new letter is expected. The Plan has been amended since the date of the determination letter, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. In the opinion of the Plan administrator, the Plan and its underlying trust are currently designed and are operating in compliance with the applicable provisions of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. There are no audits currently in progress.

**(7) Plan Termination**

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants become fully vested in their accounts and the assets of the Plan will be distributed to the participants in accordance with the provisions of the Plan and ERISA.

**(8) Subsequent Events**

The Plan evaluated all events that occurred after December 31, 2024 up through September 30, 2025, the date on which the Plan's financial statements were available to be issued, noting no events that require disclosure.

## Independent Auditors' Report

Altice USA Benefits Committee  
Altice USA 401(k) Savings Plan  
Long Island City, New York

### *Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Altice USA 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required By ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ALTICE USA 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### (1) Description of the Plan and Nature of Operations

The following description of the Altice USA 401(k) Savings Plan (the “Plan”), provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

#### (a) General

The Plan is a 401(k) defined contribution plan for the benefit of employees of Altice USA, Inc. (“Altice USA”, the “Company” and the “Plan Sponsor”) and its subsidiaries and certain affiliates and is intended to constitute a multiple employer plan. The Plan was adopted effective January 1, 1993 and has since been amended and restated most recently effective October 1, 2017. The Plan generally covers full-time employees, however part-time employees can participate after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Investment assets of the Plan are maintained under a trust agreement with Fidelity Management Trust Company (the “Trustee”) and the Plan’s recordkeeping administrative services are provided by Fidelity Workplace Services LLC (collectively, “Fidelity”). All investment and participant loan transactions are executed by the Trustee at the direction of and for the exclusive benefit of participants under the Plan.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act (“SECURE 2.0 Act”) was signed into law. The SECURE 2.0 Act includes certain provisions, certain of which became effective in 2023, related to eligibility and enrollment, required minimum distributions, catch-up contributions and emergency withdrawals. The deadline for amending plan documents has been extended to December 31, 2026, as such, the Company is currently evaluating the provisions of SECURE 2.0 Act to determine the full impact to the Plan and participants and will incorporate these changes in its Plan Document by the deadlines prescribed in the legislation.

#### (b) Participants’ Accounts

Each participant’s share of the Plan’s assets is recorded in an account established for that participant. Each participant’s account is credited with the participant’s contribution, if any, and the participant’s share of the Company’s contribution, adjusted to reflect income, gains and losses realized and net appreciation or depreciation in the value of the Plan’s assets. All contributions are invested based on participant direction. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants may elect to divide their contributions or initiate a transfer among the investment fund options in whole increments of 1%, subject to certain restrictions. An eligible participant may elect to suspend or resume his or her contributions, subject to the Plan’s notice requirements. Changes requested by participants are implemented as soon as administratively practicable, in accordance with the Plan Document.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

**(c) Contributions**

Each year eligible employees (as defined under the Plan) may, at their option, contribute up to 50% of their eligible compensation on a pre-tax and/or Roth after-tax basis and up to 10% of their compensation on a regular after-tax basis into any of the available investment elections.

Highly compensated employees (as defined under the Plan) may, at their option, contribute up to 25% of their eligible compensation on a pre-tax and/or Roth after-tax basis and up to 10% of their compensation on a regular after-tax basis. Applicable employees of the Company are eligible for a Company matching contribution equal to 100% on the first 4% of their elective deferrals, for a maximum matching contribution of 4% of eligible compensation. Company match contributions begin with a participant's first contribution to the Plan. Employee pre-tax and Roth after-tax contributions cannot exceed \$23,000 and \$22,500 for the Plan years ended December 31, 2024 and 2023, respectively. Annual employee and Company matching contributions allocated to a participant's account cannot exceed the lesser of (a) 100% of a participant's compensation for the Plan year or (b) \$69,000 and \$66,000 for the Plan years ended December 31, 2024 and 2023, respectively. Contributions are subject to certain other limitations. A participant who has made the maximum amount of permitted deferral contributions for a Plan year, and who has attained or will attain age 50 during such Plan year, may elect to make additional catch-up contributions. Catch-up contributions will be considered deferred contributions for all purposes under the Plan, except that catch-up contributions cannot exceed \$7,500 for the Plan years ended December 31, 2024 and 2023.

All newly hired or rehired full-time employees are automatically enrolled in the Plan at a default pre-tax contribution rate of 6%, beginning with the first pay period 45 days after the employee's first day of employment (or rehire). These employees can elect to participate at a different rate or opt out of the Plan and their future contribution rates will be adjusted as soon as practicable although contributions already made to the Plan will not be refunded.

Applicable employees of the Company are eligible for a year-end Company discretionary contribution at the discretion of the Company. The year-end Company discretionary contribution is provided to all eligible employees who were active on the last day of the Plan year and who completed 1,000 hours of service in such year, regardless of whether, or how much they contributed to the Plan. For the years ended December 31, 2024 and 2023, the Company did not make a discretionary contribution.

The Company may in its sole discretion provide for an additional year-end "true-up" matching contribution which allows a participant to receive the maximum Company matching contribution eligible to him/her. To be eligible for the "true-up" contribution, a participant needs to be active on the last day of the Plan year. For the years ended December 31, 2024 and 2023, "true-up" contributions of \$894,315 and \$761,781 were calculated, of which the entire amounts were funded by forfeitures available in 2025 and 2024, respectively.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

**(d) Rollovers and Transfers**

*Rollovers*

The Plan permits participants to have their interests in other qualified plans rolled over to the Plan or to make rollover contributions into the Plan from a conduit individual retirement account, which holds amounts attributable solely to a rollover from another qualified plan. In addition, the Plan permits for direct transfers of participant accounts for employees in businesses that were acquired by the Company. Such transfers or rollovers to the Plan may only be made with the approval of the Plan administrator and do not affect any other contributions made by or on behalf of a participant.

*Transfers*

In October 2023, assets aggregating \$914,871 relating to a 401(k) plan for certain employees of a subsidiary acquired by the Company were merged with the Plan.

**(e) Forfeited Accounts**

Forfeitures are used primarily to reduce Company contributions, although the Plan does permit payment of Plan administrative expenses with available forfeited amounts. Forfeited amounts will be restored to a participant's account only if the participant is rehired prior to achieving a five-year break in service and repays the amount of his or her distribution received as a result of his or her separation from service. In 2024 and 2023, nonvested account forfeitures were used to reduce Company contributions to the Plan by \$2,360,557 and \$1,975,969, respectively, and pay certain administrative expenses using \$54,447 and \$128,696, respectively, of forfeitures. In addition, as discussed above, forfeiture balances at December 31, 2024 and 2023 were used to fund Company "true-up" contributions in 2025 and 2024, respectively.

As of December 31, 2024 and 2023 forfeited non-vested accounts totaled \$1,242,078 and \$505,855, respectively.

**(f) Fund Vesting**

Participants immediately vest in their contributions, plus actual earnings thereon. The Company's matching contributions become 100% vested upon the completion of three years of service, including the year-end Company discretionary contribution as well as the "true-up" matching contribution for all participants who meet the eligibility criteria for these contributions.

**(g) Payment of Benefits**

Upon retirement at normal retirement age, as defined, death, or termination of service, a participant's vested interest in the Plan becomes payable to the participant (or his or her assigned beneficiary in the case of death). A participant may elect to receive benefit payments in annual installments of up to 15 years, a lump-sum amount or as a direct rollover contribution to an Individual Retirement Account ("IRA") or an eligible retirement plan of all or part of the payment. Withdrawals prior to attaining retirement age are not permitted except in the event of retirement, disability or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, and in compliance with the Internal Revenue Code ("IRC"), of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to retirement age. The

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

Plan's required minimum distribution age will be updated in accordance with the mandated provisions of the SECURE 2.0 Act of 2022 which requires participants who attain age 72 after December 31, 2022 to begin receiving benefit payments no later than April 1 of the calendar year following the calendar year in which they attain age 73.

**(h) Notes Receivable From Participants**

Subject to approval by the Plan administrator, participants can have two loans outstanding at one time, a general purpose loan and a home purchase loan, or two general purpose loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 (reduced by the participant's highest outstanding loan balance during the preceding 12-month period), or (b) 50% of the vested portion in the participant's account. Such borrowings generally must be repaid (through payroll deductions) within five years (or ten years when it is for the purchase of a principal residence). The loans are secured by the balances in the participant's account. Loans issued by the Plan administrator bear interest at the Prime Rate plus 1% at the time the application for the loan is approved. Participant notes receivable as of December 31, 2024 and 2023 bore interest at rates ranging from 4.25% to 9.5%, with maturity dates through 2034 and 2033, respectively. Participant notes receivable at December 31, 2024 and 2023 represent unpaid principal balances.

**(2) Summary of Significant Accounting Policies**

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). The significant accounting policies followed by the Plan are described below.

**(a) Basis of Presentation**

The accompanying financial statements have been prepared under the accrual basis of accounting.

**(b) Investment Valuation and Income Recognition**

The Plan's investment assets are stated at fair value at the end of the Plan year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits includes realized gains (losses) and unrealized appreciation (depreciation). The Plan's investment assets are not guaranteed as to principal or interest, and their values vary depending upon the performance of the underlying investments.

**(c) Payment of Benefits**

Benefits are recorded when paid.

**(d) Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

**(e) *Risks and Uncertainties***

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant fund elections. Additionally, the investments within each participant-directed fund elections are further diversified into various financial instruments.

**(f) *Notes Receivable From Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan.

**(g) *Contributions Receivable from the Company And Credit Loss Policy***

Amounts due for contributions are stated at the amount that management expects to collect from outstanding balance less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amounts that will not be collected. This assessment considers historical experience, current conditions and, when appropriate, reasonable and supportable forecasts.

The Company concluded that no allowance for expected credit losses was necessary at December 31, 2024 or 2023.

**(3) *Investments***

The following is a description of the types of Plan investments:

**(a) *Registered Investment Company Mutual Fund***

The Plan's investment in the registered investment company mutual fund represents the Plan's participation in a mutual fund whose value is determined by the performance of the underlying investments held by the fund. The Plan's investments in this fund is not guaranteed as to principal or interest, and their values vary with the performance of the fund.

**(b) *Collective Trust Funds***

At December 31, 2024 and 2023, the collective trust funds available for participant contribution allocations included the Plan's investments in the Vanguard S&P 500 Index Trust, Galliard Stable Return Fund E ("Stable Value Fund"), the Loomis Sayles Core Plus Fixed Income Fund, the GW&K Small/Mid Cap Core Collective Investment Fund, various Vanguard Target Retirement Trust funds, the Vanguard Total International Stock Market Index Trust, the Vanguard Extended Market Index Trust, the Vanguard Total Bond Index Fund, and the MFS International Equity Fund.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

The value of these funds are not guaranteed.

The Stable Value Fund invests in investment contracts and security-backed contracts. The average annual yield on the underlying investments of the Stable Value Fund was approximately 3.35% and 2.93% for the years ended December 31, 2024 and 2023, respectively. The crediting interest rate to participants for the underlying investments in the Stable Value Fund was 4.88% and 4.92% for the years ended December 31, 2024 and 2023, respectively. The yield credited to participants was net of fees equal to an annual rate of 0.17% for the years ended December 31, 2024 and 2023. The crediting interest rate is calculated on a daily basis.

**(c) Information Certified by Trustee (unaudited)**

The Plan administrator has elected the method of reporting permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate. Accordingly, as permitted under such election, the Plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<b>2024</b>	<b>2023</b>
<b>Investments at Fair Value:</b>		
Collective trust funds .....	\$ 1,707,323,010	\$ 1,516,345,426
Registered investment company mutual fund .....	107,049,637	152,713,736
Notes receivable from participants .....	42,816,640	40,604,063

The Trustee also certified to the completeness and accuracy related to the following net investment income and interest from notes receivable from participants for the years ended December 31:

	<b>2024</b>	<b>2023</b>
Net appreciation in fair value of investments .....	\$ 209,172,307	\$ 248,124,718
Interest and dividends from investments .....	9,978,475	5,057,046
Interest from notes receivable from participants .....	3,029,289	2,354,585

**(4) Fair Value Measurements**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon their own market assumptions. The fair value hierarchy consists of the following three levels:

- Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

- Level II – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III – Assets or liabilities whose significant value drivers are unobservable.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described below may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the Plan’s valuation methodologies at December 31, 2024 or 2023 and there were no transfers between any of the levels for the years ended December 31, 2024 or 2023. The following table sets forth by level, within the fair value hierarchy, the Plan’s assets carried at fair value on a recurring basis:

	<b>December 31, 2024:</b>			
	<b>Level I</b>	<b>Level II</b>	<b>Level III</b>	<b>Total</b>
Collective trust funds .....	\$ —	\$ 1,707,323,010	\$ —	\$ 1,707,323,010
Registered investment company mutual fund .....	107,049,637	—	—	107,049,637
Total investments measured at fair value .....	\$ 107,049,637	\$ 1,707,323,010	\$ —	\$ 1,814,372,647
	<b>December 31, 2023:</b>			
	<b>Level I</b>	<b>Level II</b>	<b>Level III</b>	<b>Total</b>
Collective trust funds .....	\$ —	\$ 1,516,345,426	\$ —	\$ 1,516,345,426
Registered investment company mutual fund .....	152,713,736	—	—	152,713,736
Total investments measured at fair value .....	\$ 152,713,736	\$ 1,516,345,426	\$ —	\$ 1,669,059,162

The Collective trust funds are investment vehicles valued using a net asset value (“NAV”) provided by the manager of each fund. The NAV, as a practical expedient, is based on the underlying net assets owned by the fund divided by the number of shares outstanding. The NAV’s unit price is quoted on a private market that is not active. However, the NAV is based on the fair value of the underlying securities within the fund, which are traded on an active market and valued at the closing price reported on the active market on which those individual securities are traded. The significant investment strategies of the funds are as described in the financial statements provided by each fund. There are no restrictions on redemptions or unfunded commitments from these funds.

**ALTICE USA 401(k) SAVINGS PLAN**  
Notes to Financial Statements (continued)  
December 31, 2024 and 2023

The Plan's valuation methodology used to measure the fair values of the registered investment company mutual fund was derived from quoted market prices as substantially all of these instruments have active markets.

**(5) Party-In-Interest Transactions and Administrative Fees**

Fidelity is the record-keeper, trustee and custodian of the Plan for the years ended December 31, 2024 and 2023. Transactions with Fidelity qualify as parties-in-interest transactions.

Administrative and investment management fees of the Plan are paid from the assets of the Plan.

Participants are charged for a portion of the cost to administer the Plan including the recordkeeping, accounting, legal and trustee services and other administrative services, which are deducted automatically from the participant's account. Participants are also charged for certain transactions, such as the processing of a loan. These costs, as well as certain investment management fees paid from Plan assets in 2024 and 2023 amounted to \$2,307,003 and \$2,134,952, respectively. Certain other administrative and advisory fee expenses in 2024 and 2023 were paid by the Company.

Investment management expenses, which include expenses paid to an affiliate of the Trustee, may be paid from the investment funds. Those expenses are reflected in the net appreciation of these investments.

**(6) Tax Status**

The Internal Revenue Service ("IRS") has determined and informed the Company by a favorable determination letter dated May 23, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Due to the expiration of the IRS determination letter program for individually designed plans, no new letter is expected. The Plan has been amended since the date of the determination letter, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. In the opinion of the Plan administrator, the Plan and its underlying trust are currently designed and are operating in compliance with the applicable provisions of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. There are no audits currently in progress.

**(7) Plan Termination**

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants become fully vested in their accounts and the assets of the Plan will be distributed to the participants in accordance with the provisions of the Plan and ERISA.
