Finding

It has been several years since the Board of Trustees of the 401(k) plan have documented their meeting minutes in regards to the 401(k) plan. The Board of Trustees should meet regularly to discuss the performance of the investments within the plan, investment options, plan compliance, plan participation, employer matching, etc.

Recommendation

We recommend that the Board of Trustees over the 401(k) plan schedule semi-annual or quarterly meetings to discuss and document their fiduciary compliance and oversight over the plan. We also recommend that Superior Electrical, Mechanical and Plumbing look into bringing in an outside investment advising firm to assist in these Board meetings and fiduciary responsibilities.

24.1 Census information

Finding

During our testing it was noted that the auditor and the Plan Sponsor were unable to reconcile the employee deferrals per the Census to the employee deferrals reported on the Form W2.

Recommendation

The Plan Sponsor should perform periodic internal audits to verify that plan compensation and employee deferrals are being properly calculated – especially for participants who have elected a percentage based deferral. The Plan Sponsor should also monitor and reconcile the Plan wages as represented by the Third Party Administrator to the W2s and payroll records.

It has been a pleasure to be of service to Superior Electrical, Mechanical and Plumbing, Inc. 401(k) Plan this past year. We would like to express thanks to all those who assisted us so efficiently in this year's audit. We invite you to ask questions of us throughout the year as you feel it necessary and we look forward to a continued pleasant professional relationship.

Sincerely,

HintonBurdick, PLLC
