THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

**Financial Statements
Together with Independent Auditors' Report
For the Years Ended December 31, 2024 and 2023**

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of The Brightview Senior Living 401(k) Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Brightview Senior Living 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of The Brightview Senior Living 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established by Brightview Senior Living, LLC (the Company), effective January 1, 1987. The Plan covers all eligible employees of Shelter Properties, LLC, Shelter Development, LLC, and Brightview Senior Living, LLC, as defined by the Plan. All employees are eligible to participate in the Plan after completing 30 days of service and the attainment of age 21, except for union employees (unless participation in the Plan is specifically provided for in the collective bargaining agreement). Employees may enter the Plan on the first day of the month following when the eligibility requirements have been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The pre-approved Plan document was most recently restated effective January 1, 2021, and the Plan was amended effective November 7, 2022 to fully and immediately vest certain participants. The Plan was most recently amended effective February 20, 2025 for the sale of Woodmont, a division of the Company, whose affected employees became 100% vested in Company discretionary matching contributions.

Participant Contributions

Participants may contribute up to 100% of their compensation, as defined by the Plan, not to exceed the maximum allowable contribution under Section 402(g) of the Internal Revenue Code (the Code), which totaled \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. Participants may also contribute post-tax Roth elective contributions. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Roth elective contributions are treated as elective contributions for all purposes under the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan with a default deferral rate set at 3% of eligible compensation, unless they affirmatively elect not to participate or elect a different deferral percentage. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 for each of the years ended December 31, 2024 and 2023. Participants are permitted to make rollover contributions to the Plan.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions

Upon completion of one year of service, as defined by the Plan, participants become eligible for Company discretionary matching contributions. For the years ended December 31, 2024 and 2023, the Company matched 40% of all participant elective contributions, including catch-up contributions, up to the first 6% of compensation deferred by the participant on a per payroll basis, subject to statutory limitations. Contributions are ultimately based upon year-to-date deferral amounts and related compensation, therefore requiring a true-up calculation to be prepared and remitted at year-end. For the years ended December 31, 2024 and 2023, the Company made discretionary matching contributions, net of forfeitures applied of \$287,663 and \$271,060, totaling \$2,583,847 and \$2,238,831, respectively. For the years ended December 31, 2024 and 2023, additional true-up contributions made at year-end totaled \$69,049 and \$85,196, respectively. These true-up contributions were funded subsequent to the respective year-end dates, by using available forfeitures in accordance with the Plan document.

Participant Accounts

Each participant's account is participant-directed and credited with participant, Company, and rollover contributions, withdrawals, and allocations of (a) Plan earnings and (b) administrative expenses. Any earnings, gains/losses, and administrative expenses are allocated to the participant's account based upon the investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Participants vest in Company discretionary matching contributions and earnings thereon based on the years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Upon retirement, death, or disability, a participant becomes 100% vested in their Company contributions.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Forfeitures

Forfeitures of the non-vested portion of Company contributions are first used to pay administrative expenses, and then to offset the Company's discretionary matching contributions. The amount of forfeitures available for such reductions totaled \$114,108 and \$21,030 as of December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, forfeitures used to offset administrative fees totaled \$25,970 and \$20,382, respectively. During the years ended December 31, 2024 and 2023, forfeitures used to offset Company contributions and correct participant accounts totaled \$287,723 and \$275,697, respectively.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000, and a participant may hold two outstanding notes at any given time. The notes are collateralized by the participant's vested account balance. Note repayments are to be made each pay period through payroll deductions. Notes bear interest at the Prime rate plus 1% at the time of loan origination. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within fifteen years.

Payment of Benefits

Upon termination of service, death, disability, retirement (age 65), early retirement (age 55 and 6 years of service) or attainment of age 59 ½, a participant or their beneficiary, in the event of death, may elect to receive a distribution equal to the value of the participant's vested interest in their account. For termination of service due to other reasons, or upon reaching age 59 ½, a participant may receive the value of the vested interest in their account as a lump-sum distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, vested amounts may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN – cont’d.

Payment of Benefits – cont’d.

If a participant’s vested account balance upon termination is less than \$1,000 and no distribution election is made by the participant, the balance may be distributed at any time without participant consent. If a participant’s vested account balance upon termination is greater than \$1,000 but less than \$5,000 and no distribution election is made by the participant, the balance may be automatically rolled into a qualified individual retirement account at any time without participant consent. Effective January 1, 2024, the Company adopted the SECURE 2.0 Act provision to increase the force out amount to \$7,000 and is currently in the process of formally amending the Plan for this provision. Effective April 1, 2024, the Plan implemented optional provisions under the SECURE 2.0 Act, including the option to allow for penalty-free withdrawal from retirement plans for individual cases of domestic abuse, the option to allow a surviving spouse to elect to be treated as an employee for purposes of taking required minimum distributions, the option to allow the use of retirement funds in connection with qualified federally declared disasters, and the emergency distribution option for plan participants.

As of December 31, 2024 and 2023, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan, but had not yet received the funds as of year-end.

Plan Expenses

Expenses incurred in the administration and operation of the Plan may be paid by State Street Bank and Trust Company, the Trustee, with assets of the Plan, unless paid by the Company, at its discretion. During the years ended December 31, 2024 and 2023, the Plan paid a portion of direct expenses related to the Plan. During the years ended December 31, 2024 and 2023, the Plan had a revenue sharing arrangement with the Trustee. Amounts held in the revenue sharing account may be applied to pay administrative expenses of the Plan, be allocated to Plan participants, or reduce future Company contributions. During the years ended December 31, 2024 and 2023, \$0 and \$2,887, respectively, were applied to pay administrative expenses of the Plan. For the years ended December 31, 2024 and 2023, \$0 and \$486, respectively, were applied to reduce Company contributions. As of December 31, 2024 and 2023, the balance available in the Plan’s revenue sharing account totaled \$1,049 and \$0, respectively. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments, with the exception of the fully benefit responsive contract, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Interest income is recorded on the accrual basis. Delinquent notes are treated as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the statements of net assets available for benefits.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement

Financial Account Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

1. Quoted prices for similar assets or liabilities in active markets;
2. Quoted prices for identical or similar assets or liabilities in inactive markets;
3. Inputs other than quoted prices that are observable for the asset or liability;
4. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2024 and 2023.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 98,147,805	\$ -	\$ -	\$ 98,147,805
Total investments, at fair value	\$ 98,147,805	\$ -	\$ -	\$ 98,147,805

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 83,550,814	\$ -	\$ -	\$ 83,550,814
Total investments, at fair value	\$ 83,550,814	\$ -	\$ -	\$ 83,550,814

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 14, 2025, the date the financial statements were available to be issued and note no events that warrant disclosure except for those described in Note 1.

3. INVESTMENTS

All investment data disclosed in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2024 and 2023, interest and dividend income, and net appreciation in the fair value of investments for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by State Street Bank and Trust Company, the Trustee of the Plan.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

As of December 31, 2024 and 2023, the Plan holds a guaranteed income fund contract with an affiliate of the Trustee. The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. The Trustee has represented that fair value equals contract value for the instrument in which the Plan invests. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts held by the Plan:

	2024	2023
Transamerica Guaranteed Investment Option	\$ 2,011,107	\$1,525,672

With traditional investment contracts, the Plan owns only the contract itself, and not the underlying investments. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The traditional investment contract held by the Plan is a guaranteed income fund contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a periodic basis for resetting. The contract by the issuer cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(k) of the Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT – cont'd.

In addition, certain events allow the Issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer or that would limit the ability of the Plan to transact at contract value with the participants.

The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value, is probable.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by an affiliate to the Trustee. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing (Note 1), rather than a direct payment. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

6. INCOME TAX STATUS

The Plan adopted a pre-approved plan, which received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, ASC 740 does not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023.

THE BRIGHTVIEW SENIOR LIVING 401(k) PLAN

Notes to Financial Statements For the Years Ended December 31, 2024 and 2023

6. INCOME TAX STATUS – cont'd.

Effective April 1, 2024, the Plan implemented optional provisions under the SECURE 2.0 Act, including the option to allow for penalty-free withdrawal from retirement plans for individual cases of domestic abuse, the option to allow a surviving spouse to elect to be treated as an employee for purposes of taking required minimum distributions, the option to allow the use of retirement funds in connection with qualified federally declared disasters, and the emergency distribution option for plan participants.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) in order to help the United States economy and workers affected by the COVID-19 pandemic. The CARES Act included numerous provisions related to retirement plans. Subsequent to the passage of the CARES Act, the Plan adopted numerous CARES Act provisions to allow for COVID-19 penalty-free distributions for qualified individuals through December 31, 2020 and to provide a temporary waiver of required minimum distributions required to be paid in 2020. The CARES Act also delayed loan repayments from the date of the CARES Act through December 31, 2020 for qualified individuals. As of the report date, the Plan has not been formally amended for these provisions, however intends to amend the Plan prior to the deadline of December 31, 2025.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, the net assets of the Plan would be distributed to participants based on individual accounts in the Plan. In the event of Plan termination, participants would become 100% vested in their Company contributions.

8. CORRECTIVE DISTRIBUTIONS

During the years ended December 31, 2024 and 2023, the Company identified corrective distributions resulting from the failure of non-discrimination testing required for certain Plan participants. The corrective distributions, which totaled \$113,827 and \$91,849 for the years ended December 31, 2024 and 2023, respectively, included excess participant deferrals for the 2024 and 2023 Plan years. As of December 31, 2024 and 2023, \$113,827 and \$91,849, respectively, were uncorrected and are recorded as a liability in the accompanying statements of net assets available for benefits. The Company remitted these excess contributions, plus accumulated earnings thereon, to Plan participants in March 2025 and 2024, respectively.
