INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
UFCW Members, Local Unions, and Multi-Employer 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of UFCW Members, Local Unions, and Multi-Employer 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UFCW Members, Local Unions, and Multi-Employer 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note X to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UFCW Members, Local Unions, and Multi-Employer 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UFCW Members, Local Unions, and Multi-Employer 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UFCW Members, Local Unions, and Multi-Employer 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UFCW Members, Local Unions, and Multi-Employer 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

Note 1 – Description of Plan

The following description of the UFCW Members, Local Unions, and Multi-Employer 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which local unions affiliated with the United Food and Commercial Workers International Union, AFL CIO CLC can adopt by signing a Local Union Participation Agreement. Employers who are signatory to a collective bargaining agreement or other written agreement with a participating local union can join the Plan by completing a Participation Agreement with the Plan. Unless otherwise specified in the collective bargaining agreement, the employees covered by the participation agreement must have at least three (3) months of service and are age eighteen (18) or older to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each payroll period, participants may contribute in whole percentages or whole dollar amounts up to 100% compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans and certain IRAs. Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants (See Note 3). Each employer will contribute to the trust fund on behalf of its participants who are covered by a collective bargaining agreement with the Unions the amount required by the collective bargaining agreement. Contributions are subject to certain statutory limitations.

Certain participant contributions in 2024 were paid after the time frame required by the Department of Labor. The delinquent contributions were remitted to the Plan throughout 2024 and the related lost earnings were be remitted to the Plan in September 2025.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching, negotiated and discretionary contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and the company’s contributions plus actual earnings thereon.

See Independent Auditors’ Report.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

Note 1 – Description of Plan (Continued)Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to the Plan provisions. Loans will be permitted only to participants who are active employees or on an employer-approved leave of absence. Loan transactions are treated as a receivable by the Plan. Loan terms range from one to five years or for a reasonable period of time that may exceed five years for the purchase or rehabilitation of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of service due to other reasons, a participant may elect to receive a single lump-sum payment or partial withdrawals equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$4,535 and \$4,406, respectively. The forfeitures were the result of nonvested employer contributions that were merged into the Plan in a prior year. These accounts will be used to reduce future administrative expenses.

Note 2 – Summary of Significant Accounting PoliciesDate of Management's Review

Subsequent events were evaluated through October 08, 2025, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Cash and Cash Equivalents

The Plan considers all temporary cash investments purchased with a maturity of three months or less to be cash equivalents.

See Independent Auditors' Report.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2024

Note 2 – Summary of Significant Accounting Policies (Continued)Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options which may invest in any combination of stock and mutual funds. Such investments are exposed to various risks, such as interest rates, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainties related to changes in their value, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Note 3 – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the period presented.

See Independent Auditors' Report.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

Note 3 – Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

<u>Description</u>	<u>Fair Value</u> 12/31/2024	<u>Fair Value Measurements at the End of the Reporting Period Using:</u>	
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Other Observable Inputs (Level 2)</u>
Mutual Funds	\$ 27,710,398	\$ 27,710,398	\$ -

<u>Description</u>	<u>Fair Value</u> 12/31/2023	<u>Fair Value Measurements at the End of the Reporting Period Using:</u>	
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Other Observable Inputs (Level 2)</u>
Mutual Funds	\$ 24,248,228	\$ 24,248,228	\$ -

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2024, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

See Independent Auditors' Report.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2024

Note 4 – Guaranteed Investment Contract with Insurance Company

In 2004, the Plan entered into a benefit-responsive investment contract with Metropolitan Life Insurance Company (MetLife). MetLife maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by MetLife, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2024 and 2023, was \$1,179,437 and \$1,208,894, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0 percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with MetLife. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

See Independent Auditors' Report.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2024

Note 5 – Tax Status

The Plan has been restated effective January 1, 2015. The Internal Revenue Service has determined and informed the Board of Trustees of the Plan by a letter dated December 23, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 6 - Information Prepared and Certified by Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 250.130-8 of Department of Labor's rules and Regulations for Reporting and Disclosure Under ERISA. Accordingly, Fidelity Personal Trust Company, FSB, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, as shown in the statement of net assets available for benefits as of December 31, 2024.
- Investment income, as shown in the statement of changes in net assets available for benefits of the year ended December 31, 2024.
- Investments reflected on the ERISA-required Schedules of Assets (Held at End of Year) as of December 31, 2024.

At the direction of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

See Independent Auditors' Report.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024

Note 8 – Related Party Transactions

Both accounting standards and ERISA require that transactions involving related parties (referred to as parties in interest, under ERISA) be reflected in footnotes to the financial statements. ERISA generally prohibits transactions between a plan and a party in interest. But there are exemptions which permit certain transactions with parties in interest, such as the provision of accounting and legal services. Fees paid by the Plan amounted to \$387,202.00 for the year ended December 31, 2024. Below is a listing of those providing services to the Plan during 2024:

Corporate Plan Administrators, Inc.	Third Party Administrator
Fiduciary Firewall Consulting	Fiduciary Consulting
Cygnnet Financial Freedom House	Investment Advisor
Sentinel Benefits & Financial Group	Recordkeeping
Fidelity Investments	Custodian
Lotito & Lazzara, P.C.	Attestation Services
Varnum Law	Legal Services

Note 9 – Plan Termination

Although they have not expressed any intent to do so, the Plan may be discontinued at any time by the Board of Trustees, but only upon condition that it will be impossible for any part of the trust fund to be used for purposes other than the exclusive benefit of participants. In the event of Plan termination, participants are 100% vested in their accounts.
