INDEPENDENT AUDITORS' REPORT

Plan Administrator
Alliance Compressors, LLC 401(k) Plan
Sidney, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Alliance Compressors, LLC 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and September 30, 2024, and the related statements of changes in net assets available for benefits for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Alliance Compressors, LLC 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and September 30, 2024, and for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Alliance Compressors, LLC 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Alliance Compressors, LLC 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Alliance Compressors, LLC 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Alliance Compressors, LLC 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Alliance Compressors, LLC 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan that covers all active participants as of April 30, 2006 of a separate plan sponsored by Emerson Electric Co. The Plan was created effective May 1, 2006, when Alliance Compressors, LLC (the "Company") spun off the Plan from the Emerson Electric Co. Employee Savings Investments Plan. On and after May 1, 2006, each employee, except nonresident aliens, collectively bargained employees, and leased employees, shall become an eligible participant of the Plan as of the date employed by the Company. If an employee does not opt out of or actively enroll in the Plan, he or she will be automatically enrolled in the Plan within approximately 45 days after his or her date of hire at a deferral rate of 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2025, the Plan was amended such that the Plan will begin following a calendar year end as opposed to a fiscal year end. These financial statements present activity for the period October 1, 2024 through December 31, 2024 and the period October 1, 2023 through September 30, 2024.

Contributions - The Plan provides for employee salary deferrals between 1% and 40% of annual eligible compensation for pre-tax, after-tax, and Roth contributions. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions.

For hourly employees, the Company makes matching contributions in an amount equal to 50% of the participant's elective deferrals, up to 5% of the participant's compensation. For salaried employees, the Company makes matching contributions in an amount equal to 75% of the participant's elective deferrals, up to 5% of the participant's compensation. Effective January 1, 2016, the Company will make a contribution to the Plan for participants no longer eligible for the Alliance Compressors, LLC Retirement Plan, in an amount equal to 2.5% of the participant's compensation ("special contribution for non-grandfathered employees"). The Company may also make discretionary contributions out of its net profits. There were no discretionary contributions for the period October 1, 2024 through December 31, 2024 or the year ended September 30, 2024. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Vanguard Fiduciary Trust Company (the "Trust") is Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, employer match, and discretionary contribution are to be invested.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions and corresponding earnings. The following schedule will be used to determine vesting in the employer matching contributions, discretionary contributions, and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The following schedule will be used to determine vesting in the special contribution for non-grandfathered employees and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3 or more	100%

Effective July 22, 2020, the vesting percentages for the special contribution for non-grandfathered employees were amended to 0% vested for less than 3 years of service completed and 100% vested for 3 or more years of service completed. Participants impacted by the amendment could elect within 60 days of the effective date of the amendment to have the prior vesting schedule apply to them. Otherwise, the amended vesting schedule will be applicable.

Notes Receivable From Participants - Participants may borrow from their account balance in any amount between \$500 and \$50,000, but not more than 50% of their vested account balance. Participants may only have one loan outstanding at any given time. Loans bear interest at 1% above the prime rate published in the Wall Street Journal on the first day of the month in which the loan is made. Loan terms are for a period not exceeding four years. A longer term of up to nine years may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. Participants may receive in-service distributions of their after-tax deferrals and related earnings or their vested employer contributions and related earnings after two years of service. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Forfeitures in the amount of \$238,014 and \$434,459 were used during the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024. Unallocated forfeitures at December 31, 2024 and September 30, 2024 were \$141,474 and \$313,185.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. There was a reserve of \$25,474 and \$21,060 at December 31, 2024 and September 30, 2024 for notes receivable that might be uncollectible. If a participant ceases to make note repayments and the Plan Administrator deems the note receivable to be in default, the participant note receivable balance is reduced. A benefit payment is only recorded upon termination of service by reason of retirement, death, permanent disability, or otherwise.

Payment of Benefits - Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2025, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and September 30, 2024, net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period October 1, 2024 through December 31, 2024 and for the year ended September 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Money market fund: Valued based on the contractual terms of the underlying money market account; provides a daily mil-rate for income accretion.

Registered investment companies: Valued at the daily closing price reported by the fund as registered with the Securities and Exchange Commission. The funds held by the Plan are deemed to be actively traded and are required to publish their NAV and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 156,245	\$ -	\$ -	\$ 156,245
Registered investment companies	<u>24,298,777</u>	<u>-</u>	<u>-</u>	<u>24,298,777</u>
	<u>\$ 24,455,022</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,455,022</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 515,946	\$ -	\$ -	\$ 515,946
Registered investment companies	<u>24,928,217</u>	<u>-</u>	<u>-</u>	<u>24,928,217</u>
	<u>\$ 25,444,163</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,444,163</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Vanguard Retirement Savings Trust is a common collective trust that consists of a pool of investment contracts that are issued by insurance companies and commercial banks and other contracts that are backed by bond trusts selected by Vanguard Fiduciary Trust Company. The issuers' ability to meet these obligations may be affected by economic developments in their respective companies and industries. This common collective trust is included in the statements of net assets available for benefits at its contract value.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

Certain events, such as premature termination of the investment in the common collective trust by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Vanguard Fiduciary Trust Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Vanguard Fiduciary Trust Company. Vanguard also provides record keeping and third-party administrative services, thus qualifies as a party-in-interest. Fees paid to Vanguard for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 were \$14,623 and \$30,580.

Newport Trust Company, as the Plan's investment advisor, qualifies as a party-in-interest. Total fees paid to Newport Trust Company for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$10,000.

CAPTRUST Financial Advisors ("CAPTRUST"), as the Plan's investment advisor, qualifies as a party-in-interest. Total fees paid to CAPTRUST for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$1,250 and \$2,500.

Brady, Ware & Schoenfeld, Inc., as the auditor of the Plan, qualifies as a party-in-interest. Audit fees paid by the Plan for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$11,600.

Bryan Cave Leighton Paisner, LLP, as the Plan's attorney, qualifies as a party-in-interest. Attorney fees paid by the Plan for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$2,034.

The Company provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - TAX STATUS

The Plan obtained its latest determination letter on May 7, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2024 and September 30, 2024, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, there were no differences between the financial statements and the Form 5500.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Alliance Compressors, LLC 401(k) Plan
Sidney, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Alliance Compressors, LLC 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and September 30, 2024, and the related statements of changes in net assets available for benefits for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Alliance Compressors, LLC 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and September 30, 2024, and for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Alliance Compressors, LLC 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Alliance Compressors, LLC 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Alliance Compressors, LLC 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Alliance Compressors, LLC 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Alliance Compressors, LLC 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan that covers all active participants as of April 30, 2006 of a separate plan sponsored by Emerson Electric Co. The Plan was created effective May 1, 2006, when Alliance Compressors, LLC (the "Company") spun off the Plan from the Emerson Electric Co. Employee Savings Investments Plan. On and after May 1, 2006, each employee, except nonresident aliens, collectively bargained employees, and leased employees, shall become an eligible participant of the Plan as of the date employed by the Company. If an employee does not opt out of or actively enroll in the Plan, he or she will be automatically enrolled in the Plan within approximately 45 days after his or her date of hire at a deferral rate of 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2025, the Plan was amended such that the Plan will begin following a calendar year end as opposed to a fiscal year end. These financial statements present activity for the period October 1, 2024 through December 31, 2024 and the period October 1, 2023 through September 30, 2024.

Contributions - The Plan provides for employee salary deferrals between 1% and 40% of annual eligible compensation for pre-tax, after-tax, and Roth contributions. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions.

For hourly employees, the Company makes matching contributions in an amount equal to 50% of the participant's elective deferrals, up to 5% of the participant's compensation. For salaried employees, the Company makes matching contributions in an amount equal to 75% of the participant's elective deferrals, up to 5% of the participant's compensation. Effective January 1, 2016, the Company will make a contribution to the Plan for participants no longer eligible for the Alliance Compressors, LLC Retirement Plan, in an amount equal to 2.5% of the participant's compensation ("special contribution for non-grandfathered employees"). The Company may also make discretionary contributions out of its net profits. There were no discretionary contributions for the period October 1, 2024 through December 31, 2024 or the year ended September 30, 2024. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Vanguard Fiduciary Trust Company (the "Trust") is Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, employer match, and discretionary contribution are to be invested.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions and corresponding earnings. The following schedule will be used to determine vesting in the employer matching contributions, discretionary contributions, and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The following schedule will be used to determine vesting in the special contribution for non-grandfathered employees and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3 or more	100%

Effective July 22, 2020, the vesting percentages for the special contribution for non-grandfathered employees were amended to 0% vested for less than 3 years of service completed and 100% vested for 3 or more years of service completed. Participants impacted by the amendment could elect within 60 days of the effective date of the amendment to have the prior vesting schedule apply to them. Otherwise, the amended vesting schedule will be applicable.

Notes Receivable From Participants - Participants may borrow from their account balance in any amount between \$500 and \$50,000, but not more than 50% of their vested account balance. Participants may only have one loan outstanding at any given time. Loans bear interest at 1% above the prime rate published in the Wall Street Journal on the first day of the month in which the loan is made. Loan terms are for a period not exceeding four years. A longer term of up to nine years may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. Participants may receive in-service distributions of their after-tax deferrals and related earnings or their vested employer contributions and related earnings after two years of service. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Forfeitures in the amount of \$238,014 and \$434,459 were used during the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024. Unallocated forfeitures at December 31, 2024 and September 30, 2024 were \$141,474 and \$313,185.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. There was a reserve of \$25,474 and \$21,060 at December 31, 2024 and September 30, 2024 for notes receivable that might be uncollectible. If a participant ceases to make note repayments and the Plan Administrator deems the note receivable to be in default, the participant note receivable balance is reduced. A benefit payment is only recorded upon termination of service by reason of retirement, death, permanent disability, or otherwise.

Payment of Benefits - Benefits are recorded when paid.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2025, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and September 30, 2024, net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period October 1, 2024 through December 31, 2024 and for the year ended September 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Money market fund: Valued based on the contractual terms of the underlying money market account; provides a daily mil-rate for income accretion.

Registered investment companies: Valued at the daily closing price reported by the fund as registered with the Securities and Exchange Commission. The funds held by the Plan are deemed to be actively traded and are required to publish their NAV and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 156,245	\$ -	\$ -	\$ 156,245
Registered investment companies	<u>24,298,777</u>	<u>-</u>	<u>-</u>	<u>24,298,777</u>
	<u>\$ 24,455,022</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,455,022</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 515,946	\$ -	\$ -	\$ 515,946
Registered investment companies	<u>24,928,217</u>	<u>-</u>	<u>-</u>	<u>24,928,217</u>
	<u>\$ 25,444,163</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,444,163</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Vanguard Retirement Savings Trust is a common collective trust that consists of a pool of investment contracts that are issued by insurance companies and commercial banks and other contracts that are backed by bond trusts selected by Vanguard Fiduciary Trust Company. The issuers' ability to meet these obligations may be affected by economic developments in their respective companies and industries. This common collective trust is included in the statements of net assets available for benefits at its contract value.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

Certain events, such as premature termination of the investment in the common collective trust by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Vanguard Fiduciary Trust Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Vanguard Fiduciary Trust Company. Vanguard also provides record keeping and third-party administrative services, thus qualifies as a party-in-interest. Fees paid to Vanguard for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 were \$14,623 and \$30,580.

Newport Trust Company, as the Plan's investment advisor, qualifies as a party-in-interest. Total fees paid to Newport Trust Company for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$10,000.

CAPTRUST Financial Advisors ("CAPTRUST"), as the Plan's investment advisor, qualifies as a party-in-interest. Total fees paid to CAPTRUST for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$1,250 and \$2,500.

Brady, Ware & Schoenfeld, Inc., as the auditor of the Plan, qualifies as a party-in-interest. Audit fees paid by the Plan for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$11,600.

Bryan Cave Leighton Paisner, LLP, as the Plan's attorney, qualifies as a party-in-interest. Attorney fees paid by the Plan for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$2,034.

The Company provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - TAX STATUS

The Plan obtained its latest determination letter on May 7, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2024 and September 30, 2024, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, there were no differences between the financial statements and the Form 5500.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Alliance Compressors, LLC 401(k) Plan
Sidney, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Alliance Compressors, LLC 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and September 30, 2024, and the related statements of changes in net assets available for benefits for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Alliance Compressors, LLC 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and September 30, 2024, and for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Alliance Compressors, LLC 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Alliance Compressors, LLC 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Alliance Compressors, LLC 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Alliance Compressors, LLC 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Alliance Compressors, LLC 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan that covers all active participants as of April 30, 2006 of a separate plan sponsored by Emerson Electric Co. The Plan was created effective May 1, 2006, when Alliance Compressors, LLC (the "Company") spun off the Plan from the Emerson Electric Co. Employee Savings Investments Plan. On and after May 1, 2006, each employee, except nonresident aliens, collectively bargained employees, and leased employees, shall become an eligible participant of the Plan as of the date employed by the Company. If an employee does not opt out of or actively enroll in the Plan, he or she will be automatically enrolled in the Plan within approximately 45 days after his or her date of hire at a deferral rate of 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2025, the Plan was amended such that the Plan will begin following a calendar year end as opposed to a fiscal year end. These financial statements present activity for the period October 1, 2024 through December 31, 2024 and the period October 1, 2023 through September 30, 2024.

Contributions - The Plan provides for employee salary deferrals between 1% and 40% of annual eligible compensation for pre-tax, after-tax, and Roth contributions. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions.

For hourly employees, the Company makes matching contributions in an amount equal to 50% of the participant's elective deferrals, up to 5% of the participant's compensation. For salaried employees, the Company makes matching contributions in an amount equal to 75% of the participant's elective deferrals, up to 5% of the participant's compensation. Effective January 1, 2016, the Company will make a contribution to the Plan for participants no longer eligible for the Alliance Compressors, LLC Retirement Plan, in an amount equal to 2.5% of the participant's compensation ("special contribution for non-grandfathered employees"). The Company may also make discretionary contributions out of its net profits. There were no discretionary contributions for the period October 1, 2024 through December 31, 2024 or the year ended September 30, 2024. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Vanguard Fiduciary Trust Company (the "Trust") is Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, employer match, and discretionary contribution are to be invested.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions and corresponding earnings. The following schedule will be used to determine vesting in the employer matching contributions, discretionary contributions, and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

The following schedule will be used to determine vesting in the special contribution for non-grandfathered employees and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3 or more	100%

Effective July 22, 2020, the vesting percentages for the special contribution for non-grandfathered employees were amended to 0% vested for less than 3 years of service completed and 100% vested for 3 or more years of service completed. Participants impacted by the amendment could elect within 60 days of the effective date of the amendment to have the prior vesting schedule apply to them. Otherwise, the amended vesting schedule will be applicable.

Notes Receivable From Participants - Participants may borrow from their account balance in any amount between \$500 and \$50,000, but not more than 50% of their vested account balance. Participants may only have one loan outstanding at any given time. Loans bear interest at 1% above the prime rate published in the Wall Street Journal on the first day of the month in which the loan is made. Loan terms are for a period not exceeding four years. A longer term of up to nine years may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. Participants may receive in-service distributions of their after-tax deferrals and related earnings or their vested employer contributions and related earnings after two years of service. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Forfeitures in the amount of \$238,014 and \$434,459 were used during the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024. Unallocated forfeitures at December 31, 2024 and September 30, 2024 were \$141,474 and \$313,185.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. There was a reserve of \$25,474 and \$21,060 at December 31, 2024 and September 30, 2024 for notes receivable that might be uncollectible. If a participant ceases to make note repayments and the Plan Administrator deems the note receivable to be in default, the participant note receivable balance is reduced. A benefit payment is only recorded upon termination of service by reason of retirement, death, permanent disability, or otherwise.

Payment of Benefits - Benefits are recorded when paid.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2025, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and September 30, 2024, net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period October 1, 2024 through December 31, 2024 and for the year ended September 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Money market fund: Valued based on the contractual terms of the underlying money market account; provides a daily mil-rate for income accretion.

Registered investment companies: Valued at the daily closing price reported by the fund as registered with the Securities and Exchange Commission. The funds held by the Plan are deemed to be actively traded and are required to publish their NAV and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 156,245	\$ -	\$ -	\$ 156,245
Registered investment companies	<u>24,298,777</u>	<u>-</u>	<u>-</u>	<u>24,298,777</u>
	<u>\$ 24,455,022</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,455,022</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 515,946	\$ -	\$ -	\$ 515,946
Registered investment companies	<u>24,928,217</u>	<u>-</u>	<u>-</u>	<u>24,928,217</u>
	<u>\$ 25,444,163</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,444,163</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Vanguard Retirement Savings Trust is a common collective trust that consists of a pool of investment contracts that are issued by insurance companies and commercial banks and other contracts that are backed by bond trusts selected by Vanguard Fiduciary Trust Company. The issuers' ability to meet these obligations may be affected by economic developments in their respective companies and industries. This common collective trust is included in the statements of net assets available for benefits at its contract value.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

Certain events, such as premature termination of the investment in the common collective trust by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Vanguard Fiduciary Trust Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Vanguard Fiduciary Trust Company. Vanguard also provides record keeping and third-party administrative services, thus qualifies as a party-in-interest. Fees paid to Vanguard for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 were \$14,623 and \$30,580.

Newport Trust Company, as the Plan's investment advisor, qualifies as a party-in-interest. Total fees paid to Newport Trust Company for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$10,000.

CAPTRUST Financial Advisors ("CAPTRUST"), as the Plan's investment advisor, qualifies as a party-in-interest. Total fees paid to CAPTRUST for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$1,250 and \$2,500.

Brady, Ware & Schoenfeld, Inc., as the auditor of the Plan, qualifies as a party-in-interest. Audit fees paid by the Plan for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$11,600.

Bryan Cave Leighton Paisner, LLP, as the Plan's attorney, qualifies as a party-in-interest. Attorney fees paid by the Plan for the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024 totaled \$0 and \$2,034.

The Company provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

ALLIANCE COMPRESSORS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - TAX STATUS

The Plan obtained its latest determination letter on May 7, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2024 and September 30, 2024, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the period October 1, 2024 through December 31, 2024 and the year ended September 30, 2024, there were no differences between the financial statements and the Form 5500.
