INDEPENDENT AUDITOR'S REPORT

The Plan Committee
Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements

1. DESCRIPTION OF PLAN

The following brief description of Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan, effective December 1, 1985, under the provisions of Section 401(a) of the Internal Revenue Code (IRC) which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, covering all eligible employees of Decore-Ative Specialties, Inc., Decore-Ative NC, LLC and VClad Laminates, Inc. (collectively, the Company). The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides the following:

- Tax deferred retirement savings, 401(k) feature, whereby participants may elect to contribute a portion of their earnings on a pre-tax basis.
- Roth deferral feature.
- A discretionary employer matching contribution and an additional discretionary employer matching contribution (divisional basis) as determined by the Plan's administrator.

Plan Amendment

In October 2024, the Plan was amended to include a self-directed brokerage account option.

Eligibility

Eligible employees are employees who have completed at least six months of service and have attained age eighteen. Participation at a rate of 5% (subsequently increasing 1% per year to a maximum of 10%) is provided through an automatic (cancelable) enrollment feature upon meeting eligibility criteria.

Contributions

Participants may contribute a certain amount of their annual compensation as defined in the Plan. Participants who have attained age 50 before the Plan year-end are also eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

**Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements**

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Company may make discretionary employer matching contributions (\$0.35 per \$1.00 of participant salary deferral to a maximum of 5% of compensation (1.75% of total compensation), subject to Internal Revenue Service regulation limitations, for the year ended December 31, 2024), and an additional discretionary employer matching contribution applied on a divisional basis (\$0 for the year ended December 31, 2024). Discretionary contributions are determined by the Plan's management. In order to be eligible for additional discretionary employer matching contributions, the participant is required to have worked at least 1,000 hours during the Plan year and be an employee on the last day of the Plan year.

Participant Accounts

Participants direct the investment of their accounts into various investment funds offered by the Plan. Each participant's account is credited with the participant's contribution, the discretionary employer's matching contribution (allocation previously described), an allocation of the additional discretionary employer's contribution (if applicable), and Plan earnings and expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their salary deferral account at all times. Participants are vested in their 401(k) discretionary employer matching account and additional discretionary employer matching account balances in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

The Plan's management, at its sole discretion, may make loans to participants at a minimum of \$1,000 and not to exceed the lesser of \$50,000 or 50% of the single sum of the vested benefit of the participant. The loan term is generally not to exceed five years but extended terms may be applicable. Interest rates are determined based upon Wall Street Journal prime rate plus 1% when the transaction occurs. As of December 31, 2024 and 2023 interest rates on participant loans ranged from 4.25% to 9.50%. Principal and interest are paid ratably by employees through weekly payroll deductions.

Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements (Continued)

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Benefits are paid to the participants upon retirement at age 65, death or disability in a lump-sum amount equal to the value of their vested account balance. If employment is terminated for a reason other than retirement, death or disability, participants will be entitled to a distribution of their vested account balance in accordance with the terms of the Plan agreement. The Plan allows for in-service distributions under certain circumstances.

Participants Forfeitures

Forfeitures are available to be used to pay for non-elective and matching contributions and for Plan expenses in accordance with Plan provisions. Forfeitures in the amount of \$31,160 were distributed to reduce employer matching contributions and \$1,098 for contract administration fees during the year ended December 31, 2024. Available balances at December 31, 2024 and 2023, were \$167,742 and \$93,950, respectively.

Corrective Distributions Payable

Excess contributions to the Plan were refunded subsequent to December 31, 2024 in accordance with Internal Revenue Service and ERISA regulations in the amounts of \$472. These amounts are recorded as correction distributions payable with a corresponding reduction to participant contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value. Refer to Note 6). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion regarding fair value measurements.

Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, which approximates when interest is received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are stated at the unpaid principal balance plus any accrued but unpaid interest. Interest income associated with the notes receivable is recorded as earned per the related loan amortization schedules. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administration Expenses

Administration expenses paid by the Plan during 2024 consisted of contractor (recordkeeper) administration fees of \$178,429 and third-party investment advisory fees in the amount of \$98,371. Such fees are considered by the Plan administrator to be allowable in accordance with the Plan document and ERISA regulations as exempt party-in-interest transactions. Refer to Note 8.

Payment of Benefits

Benefits are recorded when paid or upon distribution.

3. PLAN TERMINATION

Although they have not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts and all accounts would be distributed in the form and manner determined by the Plan document.

Notes to Financial Statements (Continued)

4. FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, which include investments and notes receivable from participants held at December 31, 2024 and 2023, and interest and dividends, net appreciation in fair value of investments and interest income from participants' loans for the year ended December 31, 2024, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (Empower), the custodian and trustee of the Plan, in accordance with Section 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

5. INVESTMENTS AT FAIR VALUE - FAIR VALUE MEASUREMENT

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments in Level 1 include listed equities and other securities held in the name of the Plan, and exclude listed equities and other securities held indirectly through commingled funds.

Level 2 - Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 - Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include privately held investments and partnership interests.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds

Mutual funds are carried at fair value using quoted prices in active markets or level one inputs under ASC 820.

Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements (Continued)

5. INVESTMENTS AT FAIR VALUE - FAIR VALUE MEASUREMENT (Continued)

Common Collective Trust Fund

The Common/Collective Trust Fund is valued at the net asset value (NAV) units of the common/collective trusts. The net asset value, as provided by the custodian, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. The common/collective trust fund has no unfunded commitments, daily redemption frequency and no redemption notice period.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>57,015,053</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>57,015,053</u>
Common collective trust fund at NAV (a)				<u>663,116</u>
Total investments at fair value				<u>\$ <u>57,678,169</u></u>
	Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>51,615,848</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>51,615,848</u>
Total investments at fair value	<u>\$ <u>51,615,848</u></u>	<u>\$ <u>-</u></u>	<u>\$ <u>-</u></u>	<u>\$ <u>51,615,848</u></u>

(a) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. INVESTMENTS AT CONTRACT VALUE - FULLY BENEFIT RESPONSIVE

The Key Guaranteed Portfolio (KGP) fund is a general account product annuity contract offering of the Empower. The Plan's traditional contract related to the investment is deemed to be fully-benefit responsive. Accordingly, the KGP fund is presented at contract value as the relevant measurement on the statements of net asset available for benefits. The contract represents contributions made under the contract, plus interest earnings, less withdrawals and administrative expenses. Participants may generally direct the withdrawal or transfer of all or a portion of their investment at contract value.

**Decore-Ative Specialties, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements (Continued)**

**6. INVESTMENTS AT CONTRACT VALUE - FULLY BENEFIT RESPONSIVE
(Continued)**

The KGP fund interest crediting rate methodology is based on the earnings of the underlying assets in the entire portfolio compared to the minimum interest crediting rate of 0%, as stated in the contract. Prevailing market conditions can affect the interest rate which is reset quarterly. The average yield rate earned for the years ended December 31, 2024 and 2023 was 1.41% and 1.23%, respectively.

The KGP fund, which is part of the Empower general account, is invested in corporate fixed maturity investments. Participant's principal and interest are guaranteed by the entire general account assets of Empower.

The Plan has reported the KGP fund (fixed account) contract value as contributions plus interest (per crediting interest rate pursuant to the guaranteed rate) less transfers or distributions and fees. Participants can transfer funds from their account balance based on contract value to another Plan investment option at any time without fees or penalties.

The contract value of the KGP fund investment (including the forfeitures account) was \$3,382,270 and \$3,355,282 at December 31, 2024 and 2023, respectively.

Certain events, such as the premature termination of the contract (investment offering at the Plan level) or investment contracts within the KGP fund or plan amendments or plan termination, could affect the ability of participants to transact at contract value. Under such circumstances a lump-sum payment option at market value or at contract value (which may be deferred to a future date not to exceed 12 months) may be available to the Plan. However, Empower and the Plan administrator do not consider such events to be likely or probable.

**7. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM
5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31, 2024 and December 31, 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 62,659,319	\$ 56,444,663
Contributions receivable	-	(50,252)
Corrective distributions	<u>-</u>	<u>3,516</u>
Net assets available for benefits per the Form 5500	<u>\$ 62,659,319</u>	<u>\$ 56,397,927</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statement to Schedule H of Form 5500 for the year ended December 31, 2024:

Net increase in net assets available for benefits per the financial statements	\$ 6,214,656
Contributions receivable 2023	50,252
Corrective distributions 2023	<u>(3,516)</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$ 6,261,392</u>

Notes to Financial Statements (Continued)

8. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The KGP fund investment option was both provided and managed by Empower (refer to Note 6) during the years ended December 31, 2024 and 2023. The supplemental Schedule of Assets (Held at End of Year) identifies this account to be a party in interest transaction considered to be exempt from prohibited transaction regulations in accordance with ERISA.

During the year ended December 31, 2024, the KGP fund shared a percentage of the fund investment revenue of 0.25% with the Plan. The amounts of revenue sharing reduced the return on the related investments otherwise allocable to the participants. Revenue sharing is used to pay professional, investment-advisory, and administrative fees in accordance with Plan provisions. Any excess amount remains in an invested holding account and may be allocated to the accounts of the participants at the discretion of Plan management.

The Plan reported revenue sharing as other income in the amount of \$103,890 on the statement of changes in net assets available for benefits which was used during the year to pay fees as described:

Sage View Advisory Group, Investment Advisor	\$	77,914
--	----	--------

At December 31, 2024, \$86,402 remained in the holding account.

Additionally, a quarterly and fixed fee paid to Empower, record keeper, was assessed on the investment funds and charged to participant accounts in the amount of \$178,429. Various fees are also paid for participant-requested account services. In the aggregate (including revenue sharing), Empower, recordkeeper, was paid \$85,039 during the year ended December 31, 2024. Revenue sharing and forfeitures are available for the use of such transactions in accordance with the Plan document. Refer to Note 2. Such payments, including notes receivable from participants are considered exempt party in interest transactions.

9. TAX STATUS

The Internal Revenue Services has determined and informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (none recognized) for any uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements (Continued)

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities available in accordance with the Plan's investment agreement, through participant direction. Due to the inherent risk associated with investment securities, it is possible that changes in the value of investment securities can occur in the near term that could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
