INDEPENDENT AUDITOR'S REPORT

To the Trustee(s) of the
Telit North America 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Telit North America 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Telit North America 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Telit North America 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Telit North America 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)**Auditor's Responsibilities for the Audit of the Financial Statements** (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Telit North America 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Telit North America 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Telit North America 401(k) Plan (the Plan) provides only general information. For more complete information, participants should refer to the Plan instrument, a copy of which is on file in the office of the Plan sponsor.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan covering all eligible employees from Telit Iot Platforms, LLC (the Company) and any affiliates adopting the Plan. The Company is the Plan sponsor, with Telit Wireless Solutions, Inc. and SecureWISE, LLC as participating employers. The Plan commenced on July 1, 2011, and was amended and restated effective January 1, 2019. The following plans have merged into this Plan: ILS Technology, LLC Retirement Trust merged on December 1, 2016, and Telit Wireless Solutions, Inc. merged on January 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company and its related affiliates are eligible to participate in the Plan after one month of service. Prior service with CrossBridge Solutions, Motient Corporation, and ARDIS is recognized when determining eligibility. Non-resident aliens are excluded as well as employees covered by a collective-bargaining agreement, independent contractors and interns.

Funding

Each year participants may contribute up to 90% of pretax annual compensation as defined in the Plan. According to Internal Revenue Service (IRS) rules, the deferral may not exceed \$23,000 in 2024 and \$22,500 in 2023. Participants who have reached at least age 50 may contribute an additional catch-up yearly contribution of \$7,500 during 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

All employees hired on or after August 1, 2019, will automatically be deemed to have made an elective deferral contribution of 4% of pretax compensation unless they complete a salary deferral election form indicating otherwise.

In accordance with the Safe Harbor Rules, the Company will match the employee contribution with an amount equal to 100% of the participant contribution not to exceed 4% of eligible compensation. Contributions are subject to certain limitations.

Additionally, the Company may, in its sole discretion, make a profit-sharing contribution to the Plan. Any such contribution would be allocated to all eligible participants who remain employed with the Company on the last day of the Plan year. There were no profit-sharing contributions during 2024.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with 1) participant contributions; 2) the employers' matching contribution; and 3) a ratable portion of investment gain or loss, net of Plan expenses. Each participant's account is charged with any distributions made to that participant.

Vesting

Participants are immediately fully vested in their elective contributions, employer matching contributions, profit sharing contributions, plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to be allocated among a selection of securities provided by the Plan (see Note 3).

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may withdraw from the account a lump-sum, installment, or partial amount equal to or less than the value of the participant's vested interest in the participant's account. The Plan provides for mandatory distributions to participants no longer employed by the Plan sponsor with vested account balances of less than \$1,000. Participants may retire upon attaining age 65.

Forfeitures

The Plan has no significant forfeitures as participants are automatically vested.

Notes Receivable from Participants

Participants may loan from their balances from \$1,000 up to 50% of the vested account balance under the Plan. Additionally, the loan cannot exceed \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made. Loan terms would range from 1 to 5 years unless the loan was for the purchase of a primary residence. The loans would be secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates provided by local lending institutions. As of December 31, 2024 and 2023, interest rates on loans ranged from 5.25% to 10.50% with maturities through 2033. Loans are only available to Plan participants who are active employees of the Plan sponsor or participating employers. Principal and interest would be paid ratably through weekly payroll deductions. Participants had outstanding loans of \$372,506 and \$252,668 as of December 31, 2024 and 2023, respectively. These are reported as notes receivable from participants in the accompanying statements of net assets available for benefits.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Termination

Although there is no intent to do so, the Plan document provides for termination of the Plan subject to the provisions of the agreement and ERISA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk

Financial instruments, which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of cash and investments. The Plan invests in mutual funds unit investment trusts and collective investment trusts, which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Charles Schwab Trust Bank, the custodian, held the Plan's investments as of December 31, 2024. Matrix Trust Company and CMFG Life Insurance Company, the custodians, held certain Plan investments as of December 31, 2023. Matrix Trust Company certified all investment balances except for the Group Annuity Contract Stable Value Account, which was certified by CMFG Life Insurance Company. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians have certified to the completeness and accuracy of the investments as previously noted and as reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the information reflected on the schedule of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2024, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$2,922,157. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used to measure fair value as of December 31, 2024 and 2023.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Unit investment trusts (UITs): Valued based on the market value of the underlying investments. UITs hold publicly traded securities with quoted prices in active markets.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 16,819,279	\$ -	\$ -	\$ 16,819,279
Unit investment trusts	<u>5,786,861</u>	<u>-</u>	<u>-</u>	<u>5,786,861</u>
	<u>\$ 22,606,140</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,606,140</u>

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 20,260,408</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,260,408</u>

NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENTS

During 2024 the Plan had investments in two fully benefit-responsive collective investment trusts, reported at contract value, which approximated fair value. Contract value is the aggregation of contributions, plus interests, less any withdrawals or transfers, and any applicable administrative charges.

The Ameritas Stable Value Collective Trust Fund was guaranteed by Ameritas Life Insurance Corporation (Ameritas) and had a balance of \$1,295,394 as of December 31, 2024. The Contract provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value, and it is reset monthly. Ameritas guarantees that the rate will never be less than 0.25%. The average yield earned by the contract was 4.85% for the year ended December 31, 2024.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENTS (Continued)

Reliance Trust Company Stable Value Fund Collective Investment Trust was guaranteed by Metropolitan Life Insurance Company (MetLife) and had a balance of \$491,916 as of December 31, 2024. The contract provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value, and it is reset every quarter. MetLife guarantees that the rate will never be less than 0.0%. The average yield earned by the contract was 2.93% for the year ended December 31, 2024.

During 2023 the Plan had a traditional fully benefit-responsive fixed deferred group annuity contract, which was reported at contract value, which approximated fair value, of \$530,103 as of December 31, 2023. There was a stated interest rate and set schedule so that the account values increased each day, and over the guaranteed period the stated interest was applied. The average yield earned by the contract was 0.93% for the year ended December 31, 2023.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7. TAX STATUS

The Plan is exempt from Federal income taxes under Internal Revenue Code (IRC) and, therefore, no provision for Federal income taxes has been made. In addition, the Plan is required to operate in conformity with the IRC to maintain the tax-exempt status. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management believes that no such positions have been taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes that the Plan is no longer subject to such audits for tax periods prior to 2021.

NOTE 8. RELATED PARTIES

The Plan's sponsor and participating employers absorb virtually all administrative expenses of the Plan except for investment management fees.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 9. PROHIBITED TRANSACTIONS

During 2024, participant deferrals for various payroll periods totaling \$277,848 (including loan payments of \$8,376) were not remitted timely to the Plan. The Department of Labor's (DOL) regulation 29 CFR 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can reasonably be segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan sponsor. Subsequent to the due dates, the Plan sponsor remitted these participant contributions to the Plan. Plan year corresponding interest was remitted subsequently to year-end. These are shown as not corrected in the Schedule of Delinquent Participant Contributions.

Late participant contributions from the 2023 plan year were reported as uncorrected during 2023. The Plan Sponsor completed correction under the Department of Labor's Self-Correction Component, including restoration of lost earnings during 2024. As such, these contributions are not reported on the Schedule of Delinquent Participant Contributions for the year ended December 31, 2024.

NOTE 10. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for the Plan through October 13, 2025, the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

To the Trustee(s) of the
Telit North America 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Telit North America 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Telit North America 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Telit North America 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Telit North America 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)**Auditor's Responsibilities for the Audit of the Financial Statements** (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Telit North America 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Telit North America 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and Form 5500 – Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Telit North America 401(k) Plan (the Plan) provides only general information. For more complete information, participants should refer to the Plan instrument, a copy of which is on file in the office of the Plan sponsor.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan covering all eligible employees from Telit Iot Platforms, LLC (the Company) and any affiliates adopting the Plan. The Company is the Plan sponsor, with Telit Wireless Solutions, Inc. and SecureWISE, LLC as participating employers. The Plan commenced on July 1, 2011, and was amended and restated effective January 1, 2019. The following plans have merged into this Plan: ILS Technology, LLC Retirement Trust merged on December 1, 2016, and Telit Wireless Solutions, Inc. merged on January 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company and its related affiliates are eligible to participate in the Plan after one month of service. Prior service with CrossBridge Solutions, Motient Corporation, and ARDIS is recognized when determining eligibility. Non-resident aliens are excluded as well as employees covered by a collective-bargaining agreement, independent contractors and interns.

Funding

Each year participants may contribute up to 90% of pretax annual compensation as defined in the Plan. According to Internal Revenue Service (IRS) rules, the deferral may not exceed \$23,000 in 2024 and \$22,500 in 2023. Participants who have reached at least age 50 may contribute an additional catch-up yearly contribution of \$7,500 during 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

All employees hired on or after August 1, 2019, will automatically be deemed to have made an elective deferral contribution of 4% of pretax compensation unless they complete a salary deferral election form indicating otherwise.

In accordance with the Safe Harbor Rules, the Company will match the employee contribution with an amount equal to 100% of the participant contribution not to exceed 4% of eligible compensation. Contributions are subject to certain limitations.

Additionally, the Company may, in its sole discretion, make a profit-sharing contribution to the Plan. Any such contribution would be allocated to all eligible participants who remain employed with the Company on the last day of the Plan year. There were no profit-sharing contributions during 2024.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with 1) participant contributions; 2) the employers' matching contribution; and 3) a ratable portion of investment gain or loss, net of Plan expenses. Each participant's account is charged with any distributions made to that participant.

Vesting

Participants are immediately fully vested in their elective contributions, employer matching contributions, profit sharing contributions, plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to be allocated among a selection of securities provided by the Plan (see Note 3).

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may withdraw from the account a lump-sum, installment, or partial amount equal to or less than the value of the participant's vested interest in the participant's account. The Plan provides for mandatory distributions to participants no longer employed by the Plan sponsor with vested account balances of less than \$1,000. Participants may retire upon attaining age 65.

Forfeitures

The Plan has no significant forfeitures as participants are automatically vested.

Notes Receivable from Participants

Participants may loan from their balances from \$1,000 up to 50% of the vested account balance under the Plan. Additionally, the loan cannot exceed \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made. Loan terms would range from 1 to 5 years unless the loan was for the purchase of a primary residence. The loans would be secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates provided by local lending institutions. As of December 31, 2024 and 2023, interest rates on loans ranged from 5.25% to 10.50% with maturities through 2033. Loans are only available to Plan participants who are active employees of the Plan sponsor or participating employers. Principal and interest would be paid ratably through weekly payroll deductions. Participants had outstanding loans of \$372,506 and \$252,668 as of December 31, 2024 and 2023, respectively. These are reported as notes receivable from participants in the accompanying statements of net assets available for benefits.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Termination

Although there is no intent to do so, the Plan document provides for termination of the Plan subject to the provisions of the agreement and ERISA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk

Financial instruments, which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of cash and investments. The Plan invests in mutual funds unit investment trusts and collective investment trusts, which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Charles Schwab Trust Bank, the custodian, held the Plan's investments as of December 31, 2024. Matrix Trust Company and CMFG Life Insurance Company, the custodians, held certain Plan investments as of December 31, 2023. Matrix Trust Company certified all investment balances except for the Group Annuity Contract Stable Value Account, which was certified by CMFG Life Insurance Company. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians have certified to the completeness and accuracy of the investments as previously noted and as reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the information reflected on the schedule of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2024, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$2,922,157. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used to measure fair value as of December 31, 2024 and 2023.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Unit investment trusts (UITs): Valued based on the market value of the underlying investments. UITs hold publicly traded securities with quoted prices in active markets.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,819,279	\$ -	\$ -	\$ 16,819,279
Unit investment trusts	5,786,861	-	-	5,786,861
	\$ 22,606,140	\$ -	\$ -	\$ 22,606,140

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,260,408	\$ -	\$ -	\$ 20,260,408

NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENTS

During 2024 the Plan had investments in two fully benefit-responsive collective investment trusts, reported at contract value, which approximated fair value. Contract value is the aggregation of contributions, plus interests, less any withdrawals or transfers, and any applicable administrative charges.

The Ameritas Stable Value Collective Trust Fund was guaranteed by Ameritas Life Insurance Corporation (Ameritas) and had a balance of \$1,295,394 as of December 31, 2024. The Contract provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value, and it is reset monthly. Ameritas guarantees that the rate will never be less than 0.25%. The average yield earned by the contract was 4.85% for the year ended December 31, 2024.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENTS (Continued)

Reliance Trust Company Stable Value Fund Collective Investment Trust was guaranteed by Metropolitan Life Insurance Company (MetLife) and had a balance of \$491,916 as of December 31, 2024. The contract provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value, and it is reset every quarter. MetLife guarantees that the rate will never be less than 0.0%. The average yield earned by the contract was 2.93% for the year ended December 31, 2024.

During 2023 the Plan had a traditional fully benefit-responsive fixed deferred group annuity contract, which was reported at contract value, which approximated fair value, of \$530,103 as of December 31, 2023. There was a stated interest rate and set schedule so that the account values increased each day, and over the guaranteed period the stated interest was applied. The average yield earned by the contract was 0.93% for the year ended December 31, 2023.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7. TAX STATUS

The Plan is exempt from Federal income taxes under Internal Revenue Code (IRC) and, therefore, no provision for Federal income taxes has been made. In addition, the Plan is required to operate in conformity with the IRC to maintain the tax-exempt status. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management believes that no such positions have been taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes that the Plan is no longer subject to such audits for tax periods prior to 2021.

NOTE 8. RELATED PARTIES

The Plan's sponsor and participating employers absorb virtually all administrative expenses of the Plan except for investment management fees.

TELIT NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 9. PROHIBITED TRANSACTIONS

During 2024, participant deferrals for various payroll periods totaling \$277,848 (including loan payments of \$8,376) were not remitted timely to the Plan. The Department of Labor's (DOL) regulation 29 CFR 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can reasonably be segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan sponsor. Subsequent to the due dates, the Plan sponsor remitted these participant contributions to the Plan. Plan year corresponding interest was remitted subsequently to year-end. These are shown as not corrected in the Schedule of Delinquent Participant Contributions.

Late participant contributions from the 2023 plan year were reported as uncorrected during 2023. The Plan Sponsor completed correction under the Department of Labor's Self-Correction Component, including restoration of lost earnings during 2024. As such, these contributions are not reported on the Schedule of Delinquent Participant Contributions for the year ended December 31, 2024.

NOTE 10. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for the Plan through October 13, 2025, the date the financial statements were available to be issued.
