INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Smitty's Supply, Inc. 401(k) Plan
Roseland, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Smitty's Supply, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Smitty's Supply, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Smitty's Supply, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Smitty's Supply, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Smitty's Supply, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Smitty's Supply, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the forms and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SMITTY'S SUPPLY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

1) Description of plan

The following description of Smitty's Supply, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan established and effective January 1, 1994. The Plan covers all employees of Smitty's Supply, Inc., Big 4 Trucking, Inc., Big 4 Investments, LLC, CAM2 International, LLC, Latch Oil, Inc., Big 3 Pallet & Lumber, LLC, CMS Chemical LLC, and Jaxon Energy, LLC (Company or Employer) (except non-resident aliens, employees whose employment is governed by a collective bargaining agreement and employees hired through work release program) that have twelve months of eligible service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may make elective contributions to the Plan by deferring a percentage of their compensation each pay period up to a maximum of 100% of compensation or the statutory maximum dollar amount for the year. In addition, a participant who has attained age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with limitations under the Internal Revenue Code. The total of deferral and Company match can not exceed the statutory maximum.

The Company will make safe harbor matching contributions equal to 100% of the participants salary deferral that did not exceed 3% of the participant's compensation plus 50% of their salary deferrals up to 5% of their compensation. In addition, the Plan allows for discretionary Employer match contribution, to be determined by the Employer.

(c) Participant accounts

The Plan recordkeeper maintains separate accounts for each participant. The recordkeeper invests the contribution amounts as instructed by the participants, in one or more of the separate investment funds established by the plan administrator. Each participant's account is credited with (a) the amount of the participant's elected contributions; (b) the participant's allocable portion for the Company contribution; (c) the amount of any attributable investment earnings and market appreciation or depreciation; and (d) an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings and the safe harbor contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earning thereon is based on years of continuous service. The vesting schedule for the Plan is 20% for two years but less than three years of service; 40% for three years of service but less than four years of service; 60% for four years of service but less than five years of service; 80% for five years of service but less than six years of services; and 100% vested after six years of continuous employment.

(e) Notes receivables – participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance incurred by the participant during the last twelve-month period. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. Principal and interest are paid ratably by employees or through payroll deductions.

SMITTY'S SUPPLY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

1) Description of plan (continued)

(f) Forfeited accounts

Forfeited balances of terminated participants' non-vested accounts are used to reduce Employer contributions and administrative fees. Forfeitures available to offset future Employer contributions or administrative fees at December 31, 2024 and 2023 were \$12,678 and \$1,180, respectively.

(g) Payment of benefits

Upon termination of service due to death, disability, retirement, or other reason, a participant may elect to receive a lump sum amount equal to the value of the participant's balance in his or her account. Participants may receive an in-service withdrawal of their vested account balance upon reaching 59 ½ years of age. Participant may receive hardship distributions, as described in the Plan, from their deferral accounts. Balances under \$5,000 for terminated participants may be paid out at the discretion of the Company.

2) Summary of significant accounting policies

(a) Basis of accounting

The accompanying financial statements have been prepared on an accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are reported at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 11 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at the unpaid balance plus unpaid accrued interest. Defaulted loans are deemed distributed and recorded as benefits paid to participants based on the terms of the Plan documents. For the years ended December 31, 2024 and 2023 deemed distributions in the amount of \$75,348 and \$77,407, respectively, were recorded as benefits paid to participants in the statements of changes in net assets available for benefits.

(d) Payments of benefits

Benefits are recorded when paid. There were no amounts allocated to accounts of participants who have elected to withdraw from the plan but not yet paid as of December 31, 2024 and 2023.

(e) Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Administrative expenses paid by the Plan arise from fees for the processing of distributions and loans that are charged to their respected participants' accounts. In addition, certain investment accounts charge asset and participation fees that are allocated among the respected participants.

SMITTY'S SUPPLY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

3) Federal income tax status

The Plan adopted a prototype plan document and received an opinion letter from the Internal Revenue Service dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the letter, including amendments made to comply with recent law changes. The Plan itself has not separately applied for a determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes had been included in the Plan's financial statements.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is not subject to United States federal and state income tax examinations by tax authorities beyond three years from the filing of those returns.

4) Party-in-interest transactions

Loans receivable from Plan participants and the related interest income are considered exempt party-in-interest transactions. Reliance Trust Company and Transamerica Life Insurance Company manages the Plan investments. Therefore, these transactions qualify as party-in-interest, as defined by the Plan and are denoted as such on the Schedule of Assets (Held at End of Year).

5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and receive the value of their accounts determined as of the date of termination.

6) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7) Prohibited transactions

Participant contributions of \$45,266 and loan repayments of \$11,240 were withheld from participants' pay during 2024 but were not remitted to the Plan's trust within the time frame required by the Department of Labor under the Plan asset rules. As of the date of the auditor's report, the lost earnings for these contributions and loan payments have not been remitted to the Plan.

Participant contributions of \$1,211 were withheld from participants' pay during 2023 but were not remitted to the Plan's trust within the time frame required by the Department of Labor under the Plan asset rules. As of the date of the auditor's report, the lost earnings for these contributions and loan payments have been remitted to the Plan.

SMITTY'S SUPPLY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

8) Information certified by the Plan's trustee

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and the related net appreciation in fair value of investments and interest income on notes receivable from participants for the years then ended, was obtained by the plan administrator and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

9) Investments

During the years ended December 31, 2024 and 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,576,877 and \$1,764,338, respectively.

10) Guaranteed investment contract

The Plan maintains a fully benefit-responsive investment contract with Transamerica Life Insurance Company, Inc. Transamerica Life Insurance Company, Inc. maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Transamerica Life Insurance Company, Inc. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Contract value which approximates fair value at December 31, 2024 and 2023 was \$594,633 and \$625,737, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The average yield during 2024 and 2023 was 2.1% and 1.75%, respectively.

11) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

11) Fair value measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 13,217,116</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,217,116</u>
Total assets at fair value	<u>\$ 13,217,116</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,217,116</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 11,805,617</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,805,617</u>
Total assets at fair value	<u>\$ 11,805,617</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,805,617</u>

12) SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. While most of the significant provisions became effective in 2024 and thereafter, there were no material impact to the Plan's 2024 and 2023 financial statements.

14) Subsequent events

In August 2025, the Company implemented a significant workforce reduction, resulting in the involuntary termination of approximately 300 employees. Based on the proportion of affected participants relative to total plan participants, management has concluded that a partial plan termination occurred during the plan year ending December 31, 2025. In accordance with Internal Revenue Code
