INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Bright Harbor Healthcare Tax Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bright Harbor Healthcare Tax Sheltered Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bright Harbor Healthcare Tax Sheltered Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bright Harbor Healthcare Tax Sheltered Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bright Harbor Healthcare Tax Sheltered Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bright Harbor Healthcare Tax Sheltered Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bright Harbor Healthcare Tax Sheltered Annuity Plan's, ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets held at year end are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIGHT HARBOR HEALTHCARE TAX SHELTERED ANNUITY PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Bright Harbor Healthcare Tax Sheltered Annuity Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan qualifying under Section 403(b) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Bright Harbor Healthcare, Inc. (the “Employer” or “Agency”) and their beneficiaries, funds for retirement.

Eligibility

Employees are eligible to participate in the Plan at the commencement of their employment with Bright Harbor Healthcare, Inc. and the entry date is the earliest monthly date on or after their hire date. Per Diem employees are excluded from participating in the Plan.

Contributions

A participant of the Plan may make contributions to the Plan through payroll deductions of any whole percentage up to 100 percent of compensation, as defined, up to the limit prescribed by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer contributions are made at the discretion of the Employer. In 2024 and 2023, Employer contributions were made in an amount equal to 1 percent of the employee’s compensation as well as an amount of equal to the employee’s deferral up to 2 percent of the employees’ compensation. Additional amounts may be contributed at the option of the Employer’s Board of Trustees. Contributions are subject to certain limitations.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of mutual funds with varying investment objectives and an insurance investment contract as investment options. Each participant’s account is credited with the participant’s pre-tax contributions, the Employer contributions, and the proportionate share of dividends, interest and investment gains (losses) since the preceding valuation date. The participant’s account is reduced by withdrawals, losses on investments and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

The Employer’s contributions are 100 percent vested after the completion of four years of continuous service based upon the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	50%
3	75%
4	100%

BRIGHT HARBOR HEALTHCARE TAX SHELTERED ANNUITY PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting (Continued)

A participant's vested percentage is based on vesting years of service. A participant earns and accumulates a year of vesting for each 1,000 hours worked in each calendar year. A participant is always 100 percent vested in their own deferred salary contribution to the Plan, but with respect to the Employer contributions, any unvested portion of his or her account shall be forfeited at termination. Employer contributions and income or loss thereon vest immediately in case of reaching normal retirement age, early retirement age, becoming totally disabled as defined by the Plan, or death.

Forfeited Accounts

Amounts forfeited from a participant's account shall be used to restore forfeitures or reduce Company contributions (or reallocate as Company contributions) or to pay reasonable Plan expenses. Any disposition of forfeitures from a participant's account shall be made no later than the end of the Plan year following the Plan year during which forfeitures occurred. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$37,552 and \$47,435, respectively.

Distributions and Withdrawals

During employment, a participant may make withdrawals of vested amounts upon retirement, death, disability, separation from service, attainment of age 59½ or hardship. A distribution will be made on account of hardship, for the Internal Revenue Code's safe harbor reasons only if it is necessary in light of immediate and heavy financial needs of the participant.

Payment of Benefits

Upon termination of employment, a participant's vested interest in his or her account is distributed in the form of (i) joint and survivor annuity, (ii) pre-retirement survivor annuity, (iii) lump-sum payment, or (iv) payments made over a period of time not to exceed the life expectancy of the participant and/or beneficiary. Annuities may be purchased through an insurance company. The Plan permits participants to receive benefits due no later than 60 days after the Plan year in which the latest of the following occurs: (i) the participant reaches normal retirement date, (ii) the participant has become eligible for early retirement and has completed ten years of service, or (iii) the participant terminates employment.

A participant may withdraw any part of his/her vested account resulting from elective deferral contributions in the event of undue financial hardship. Withdrawals shall be limited to the amount of the participant's elective deferral contributions. Hardship withdrawals must be submitted to the Plan administrator and make the participant ineligible to contribute to the Plan for six months.

Required Minimum Distributions - A participant's benefits must begin to be distributed no later than April 1 of the calendar year following the later of the calendar year in which the participant attains age 73 as of December 31, 2024. However, if the participant is a 5% owner at any time during the plan year ending in the calendar year in which the participant attains the applicable age, distributions must commence no later than April 1 of the calendar year following the year the participant attains that age, regardless of retirement status.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

BRIGHT HARBOR HEALTHCARE TAX SHELTERED ANNUITY PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Continued)

The Plan permits participants to borrow against the balance in their Plan accounts. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. Participants can take out up to two loans at a time. The notes are secured by the balance in the participant's account and bear interest at a fixed rate based on the rates available for similar loans from commercial lending institutions at the date of the origination of the notes. Loans outstanding at December 31, 2024 and 2023, had interest ranging from 4.25 to 9.50 percent. All notes shall provide for level amortization with payments to be made not less frequently than quarterly for a period not to exceed five years, in most cases. Repayment of principal and interest is required to be made through employee payroll deductions. An allowance for credit losses has been recorded as of December 31, 2024 and 2023 in the amounts of \$905 and \$0, respectively. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. As of December 31, 2024 and 2023, total loans receivable has been reduced by the allowance for credit losses.

Termination

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.

Administrative Errors

During the audit of the Plan for the year ended December 31, 2024, certain administrative errors were identified. These included the exclusion of an employer matching contribution related to a manual payroll check, as well as missed participant loan repayments resulting from a delay in processing payroll deductions.

As a result of these errors, the Plan is required to make corrective payments on behalf of affected participants. The total amount includes \$770 in corrective contributions and \$48 in lost earnings. These amounts had not been remitted as of December 31, 2024, but are expected to be remitted during the 2025 plan year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

BRIGHT HARBOR HEALTHCARE TAX SHELTERED ANNUITY PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments – Credit Losses

In June 2016, FASB issued Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. ASU 2016-13 significantly changes the impairment model for most financial assets and certain other instruments. ASU 2016-13 will require immediate recognition of estimated credit losses expected to occur over the remaining life of many financial assets, which will generally result in earlier recognition of allowances for credit losses on loans and other financial instruments. ASU 2016-13 is effective for the Plan's fiscal year beginning January 1, 2023 and subsequent interim periods.

Investment Valuation and Income Recognition

Units of the funds held by Nationwide are valued at quoted prices of the funds, as provided by the trustees on the last day of the Plan year. Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded on the accrual basis.

Mutual Funds

The value of each separate account is determined at the close of each business day based on market value. The value of the account is expressed in units. Contributions to the account increase the number of units; withdrawals decrease the number of units. The unit value is the dollar value of one unit and is determined at the close of each business day by dividing the value of the entire account by the total number of units in the account. The value of a participant's account on any date is determined by multiplying the number of units held by the unit value at the close of the business day. Redemptions can be made daily.

Risk and Uncertainties

The Plan's assets are invested in various mutual funds. Mutual funds, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through the date of the report, the date the financial statements were available to be issued.

BRIGHT HARBOR HEALTHCARE TAX SHELTERED ANNUITY PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 3 – TAX STATUS

The Plan is exempt from federal and state income taxes under section 403(b) of the Internal Revenue Code ("IRC") and New Jersey Taxation Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, are described as follows:

- | | |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <u>Level 1:</u> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <u>Level 2:</u> | Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. |
| <u>Level 3:</u> | Unobservable inputs that are supported by little or no market activity and are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily NAV and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

BRIGHT HARBOR HEALTHCARE TAX SHELTERED ANNUITY PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 15,272,991	\$ 15,272,991	\$ _____	\$ _____

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 12,988,107	\$ 12,988,107	\$ _____	\$ _____

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – PARTY IN INTEREST

Nationwide Trust Company ("Nationwide") is the custodian and trustee and SS&C Technologies Holdings, Inc. ("SS&C") is the recordkeeper. They provide certain administrative services to the Plan pursuant to their respective service agreements.

NOTE 6 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (Unaudited)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 with respect to information certified as complete and accurate by the trustees except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustees, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2024 and 2023.

The following information as of December 31, 2024 and 2023 and for the year ended December 31, 2024 was prepared from reports certified by the trustee:

	<u>2024</u>	<u>2023</u>
Investments:
