INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the United Utility Services, LLC 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of United Utility Services, LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at the end of year) as of December 31, 2024 and schedule of delinquent participant contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED UTILITY SERVICES 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the United Utility Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined contribution plan covering all full-time employees of United Utility Services (the "Company") and affiliated companies who have adopted the Plan. Employees are eligible to participate in the Plan after completing one hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The custodian and recordkeeper of the Plan is Empower Retirement, LLC.

Effective February 10, 2023, the Plan was amended to include the employees of the following entities: BHI Energy, United Utility Power Services, LLC, D&D Power, LLC, Alaska Transmission Line Construction, LLC and Coastal Electrical Construction, LLC.

[2] Contributions:

Each year, participants may elect to defer up to the maximum amount allowed by IRS limitations of their annual eligible compensation, as defined by the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. For the year ended December 31, 2024, the Company matched 100% of the participant's deferrals that are not in excess of 3% of the participant's eligible compensation plus an additional 50% of the participant's deferrals that exceed 3% of eligible compensation, not to exceed 6% of eligible compensation. At the end of each Plan year, the Company may make additional discretionary employer matching contributions as a percentage of the participant's deferrals. The Company did not make any discretionary contributions for the year ended December 31, 2024. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

[3] Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

[4] Vesting:

Participants are immediately vested in their contributions to the Plan and as well as all Employer contributions plus actual earnings thereon.

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at rates that ranged from 4.24% to 10.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Notes to Financial Statements December 31, 2024 and 2023

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[6] Payment of benefits:

On termination of service due to death, disability, retirement, or separation from service, a participant may elect to receive a lump sum distribution equal to the value of the vested interest in his or her account. After attainment of age 59 ½, withdrawals can be made from any of the participant's accounts under the Plan. Hardship withdrawals of the participant's deferral contributions are also permitted.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

[2] Subsequent events:

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[4] Payment of benefits:

Benefits are recorded when paid.

[5] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

UNITED UTILITY SERVICES 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[6] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan, have certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

UNITED UTILITY SERVICES 401(k) PLAN

**Notes to Financial Statements
December 31, 2024 and 2023**

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 29,808,196	\$ -	\$ -	\$ 29,808,196

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 24,590,532	\$ -	\$ -	\$ 24,590,532

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a fixed account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

UNITED UTILITY SERVICES 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without consent of the issuer.

NOTE F - TAX STATUS

The Plan is a qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code and is exempt from income taxes under Section 401(a) of the Internal Revenue Code (IRC). The Plan has executed an adoption agreement using The Hauslauer Group, Inc. Non-Standardized Profit Sharing Plan and relies on the opinion letter dated June 30, 2020. The Plan has been amended since receiving this letter, however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by and Empower Annuity Insurance Company of America and its affiliates (Empower) who is the Plan's recordkeeper and custodian and, therefore transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. The Plan paid administrative fees to Empower and other service providers, which totaled \$197,110 and is included in the statement of changes in net assets available for benefits or the year ended December 31, 2024.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2024, may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE I - MUTUAL FUND FEES

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

UNITED UTILITY SERVICES 401(k) PLAN

**Notes to Financial Statements
December 31, 2024 and 2023**

NOTE J - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE K – PLAN OPERATIONS

During the years ended December 31, 2024 and 2023, the Plan administrator discovered certain Plan provisions were not properly applied in the daily operation of the Plan. These include various errors in the application of eligible compensation as defined by the Plan document, system conversion errors which caused errors in participant and employer contributions as well as compliance errors causing excess contributions to the Plan. The Plan administrator is in the process of determining affected participants and intends to make the Plan whole for any amounts due, including earnings. Amounts due the Plan for the year ended December 31, 2024 has not yet been determined.

NOTE L - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of employer contributions available for benefits per the financial statements as of December 31, 2024 and 2023 to Form 5500:

	2024	2023
Net Assets available for benefits per the financial statements	\$ 31,481,092	\$ 25,449,754
Employer contributions paid in excess of Plan requirements	(169,914)	(149,883)
Net Assets available for benefits per Form 5500	\$ 31,311,178	\$ 25,299,871

The following is a reconciliation of the changes in net assets available for benefits per the financial statements for the year ended December 31, 2024 to Form 5500:

Increase in net assets per the financial statements	\$ 6,031,338
Reclass of employer contributions in excess of Plan requirements	(20,031)
Increase in net assets per Form 5500	\$ 6,011,307

During the year ended December 31, 2024 and 2023, the Company deposited more net funds than were required into the Plan. These funds will be allocated or removed from participant accounts as necessary.
