Independent Auditor's Report

To the Board of Trustees of
Steelworkers Health and Welfare Fund:

Opinion

We have audited the financial statements of the Steelworkers Health and Welfare Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of the Steelworkers Health and Welfare Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits - modified cash basis for the years then ended in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Steelworkers Health and Welfare Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Steelworkers Health and Welfare Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Steelworkers Health and Welfare Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - Modified Cash Basis as of December 31, 2024 and Schedule H, Line 4j - Schedule of Reportable Transactions - Modified Cash Basis for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements - Modified Cash Basis

December 31, 2024 and 2023

1. Description of the Plan

The following description of the Steelworkers Health and Welfare Fund (the "Plan") provides limited information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The UIU Health and Welfare Fund was established by the Upholsterers' International Union of North America at its Quadrennial Convention on April 25, 1944. On November 8, 1993, the name was changed to Steelworkers Health and Welfare Fund. The Plan is a multiemployer plan providing benefits to members and retirees of the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, commonly known as the United Steelworkers (USW), non-members and those outside the bargaining unit who are or were employees of contributing employers under contract or affiliated with the USW. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The administration of the Plan is the responsibility of the Board of Trustees, appointed by the Executive Board of the USW. The Board is comprised of USW International Union representatives and local union officials. As the Plan was established prior to 1946, the Plan is exempt from Taft Hartley Act's requirement of joint administration with employee and employer trustees because of a grandfather clause in the Act that allows the Plan to operate with only employee representatives serving as Trustees. The Plan's trustee is AmeriServ, Trust & Financial Services.

Benefits

The Plan provides medical, prescription drug, dental, vision death benefits and accidental death and dismemberment benefits and short term disability benefits to participants and their eligible dependents. Health and prescription drug benefits are provided through both self insured and insured arrangements. All other benefits are provided through insurance contracts. For self-insured benefits, the Plan acts as a pass through, in which each employer that chooses self-insured benefits is responsible for the full amount of claims incurred by their participants. Retirees of certain employers receive benefits through insurance contracts. These retirees receive benefits only to the extent that monthly premiums are remitted. The Plan has no obligation to provide for retiree benefits beyond the which contributions are made.

Beginning in 2006, the Medicare Modernization Act (the "Act") allows eligible plans to receive a tax-free federal subsidy for retiree medical prescription drug benefits that are considered actuarially equivalent to Medicare Part D benefits. The subsidy is equal to 28% of drug costs between \$250 and \$5,000 for each of the plan's eligible participants. The \$250 and \$5,000 amounts are indexed in 2007 and subsequent years based upon cost increases of the Medicare prescription drug program. The Act also made changes to Medicare reimbursement for Medicare Advantage ("MA") plans to allow coordinate benefits with Part D.

Funding

The Plan's primary sources of income are earnings from investments and payments made by contributing employers in accordance with collective bargaining agreements or participation agreements. These agreements provide that the employers contribute to the Plan at a fixed rate on behalf of each covered employee. For employers choosing the self-insured benefits, contributions to the Plan are inclusive of the costs of all benefits paid for their participants and all related administrative costs. Participants and dependents covered by the Plan who lose coverage are entitled to continue coverage for Plan benefits under the Consolidated Omnibus Budget Reconciliation Act ("COBRA") for varying periods up to thirty-six months. The Plan does not subsidize such COBRA payments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared using the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, revenue and the related assets are recognized when received rather than when earned, other than investments which are stated at fair value, with unrealized gains (losses) recorded as revenue, and expenses are recognized when paid rather than when the obligation is incurred.

Notes to Financial Statements - Modified Cash Basis
December 31, 2024 and 2023

Use of Estimates

The preparation of the financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingencies, at the date of the financial statements and changes therein during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by its investment adviser and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded when cash is paid or received. Interest and dividend income are recorded when received. Investment income includes the gains and losses (realized and unrealized) on investments bought, sold and held during the year. All other income from investments is recognized when received.

Payment of Benefits

Benefits paid includes premiums paid for insured benefits and payments made to third-party claims processors for self-insured benefits. The third-party claims processor bills the Plan weekly for actual claims paid for participants of contributing employers. Contributing employers remit payment to the Plan electronically the same day the Plan is billed, and payment is made to the third-party claims processor as soon as received. Benefits expense is recognized when premiums are paid or payments are made to the third-party claims processor.

Subsequent Events

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2024, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 14, 2025, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

3. Plan's Benefit Obligations

Claims incurred but not yet reported are estimated by Plan management based on claims data. These amounts are paid by the Plan only if claims are submitted and approved for payment. Claims payable represents claims paid by the third-party claims processor but not yet reimbursed by the Plan as of year-end.

At December 31, 2024 and 2023, the Plans benefit obligation is as follows:

| | <u>2024</u> | <u>2023</u> |
|---|---------------|---------------|
| Claims payable and claims incurred but not reported | \$ 20,157,000 | \$ 19,111,000 |

Changes in benefit obligations for the years ended December 31, 2024 and 2023, are as follows:

| | <u>2024</u> | <u>2023</u> |
|--|---------------|---------------|
| Claims payable and claims incurred but not reported at beginning of year | \$ 19,111,000 | \$ 19,727,000 |
| Net change in claims payable and claims incurred but not reported | \$ 1,046,000 | \$ (616,000) |
| Claims payable and claims incurred but not reported at end of year | \$ 20,157,000 | \$ 19,111,000 |

Steelworkers Health and Welfare Fund
Notes to Financial Statements - Modified Cash Basis
December 31, 2024 and 2023

The Plan does not provide benefits for retirees, other than certain retirees receiving insured benefits. Any retiree receiving benefits will only be eligible to the extent that contributions are received for their premium payments. The Plan has no obligation to provide for retiree benefits beyond the last day of the month in which premium contributions were remitted.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodology used at December 31, 2024 and 2023.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. For the years ended December 31, 2024 and 2023, there were no transfers into or out of Level 3.

Investments are presented at fair value, determined as follows:

- Cash equivalents are valued at cost plus accrued interest, which approximates fair value.
- U.S. government securities are valued using quoted market prices or, if unavailable, quoted prices of like assets, corroborated market data, indices and/or yield curves.
- Corporate debt is valued by pricing services based on yields currently available on comparable issues with similar credit ratings and broker quotes from dealers who are market makers in these investments.
- Mutual funds are valued at quoted market prices.

As of December 31, 2024, assets measured at fair value on a recurring basis are summarized by level within the fair value hierarchy as follows:

| | 2024 | | | Total |
|--|----------------------|----------------------|-------------|----------------------|
| | Level 1 | Level 2 | Level 3 | |
| Cash equivalents | \$ 589,065 | \$ - | \$ - | \$ 589,065 |

| Total investments at fair value | \$ 56,185,326 | \$ 12,878,238 | \$ - | \$ 69,063,564 |

5. Leases

The Plan leases its offices from the United Steelworkers Building Fund under an agreement that extends through October 31, 2027. The Plan is responsible for its pro-rata share of increases in taxes and operating expenses over the base year. For the years ended December 31, 2024 and 2023, total rent expense paid by the Plan was \$73,316 and \$67,206, respectively.

As of December 31, 2024, the minimum annual rental commitments (exclusive of escalation clauses for real estate taxes and building operating expenses) for the Plan is summarized as follows:

| | |
|------|-------------------|
| 2025 | \$ 73,560 |
| 2026 | 74,782 |
| 2027 | 62,318 |
| | <u>\$ 210,660</u> |

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The Plan has significant cash balances at financial institutions which throughout the year regularly exceed the federally insured limit of \$250,000. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Plan's net assets available for benefits and changes in net assets available for benefits.

7. Priorities Upon Termination

It is the intention of the Trustees to continue the Plan indefinitely. If the Plan were to be terminated by the Trustees, the assets of the Plan would be used for the exclusive benefit of eligible employees to provide benefits and pay Plan expenses until exhausted.

8. Tax Status

The Internal Revenue Service (the "IRS") has recognized the Plan as exempt from federal income taxation under Section 501(a) of the Internal Revenue Code (the "IRC"), as described at Section 501(c)(9). The IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving their determination letter. However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Notes to Financial Statements - Modified Cash Basis
December 31, 2024 and 2023

Management has evaluated the tax positions taken by the Plan and concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax-related interest or penalties for the periods presented in these financial statements.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to Form 5500:
