INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed the audits of the financial statements of **Caviness Beef Packers, Ltd. 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Capital Bank and Trust Company as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by Capital Bank and Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Caviness Beef Packers, Ltd. 401(k) Plan

Page 4

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Capital Bank and Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CAVINNESS BEEF PACKERS, LTD.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Caviness Beef Packers, Ltd. 401(k) Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the current Plan agreements.

General

The Plan is a defined contribution retirement plan whereby eligible employees of Caviness Beef Packers, Ltd. (the Company) are permitted to make pretax contributions that are tax-deferred under Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Under the Plan, each participant has an account for his/her salary deferral contributions and employer match contributions.

Capital Bank and Trust Company serves as the Plan's trustee and investment custodian and is responsible for executing all investment transactions.

Eligibility

Employees become eligible for participation at the age of twenty-one and upon completing one year of service (1,000 hours) as defined by the Plan. Upon meeting eligibility requirements, an employee will become a participant in the Plan at the next Plan entry date, either January 1 or July 1.

Contributions

Each year, a participant may elect to defer a portion of pretax compensation up to 100%, subject to certain maximum limitations imposed by the IRC. Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the Plan year are also eligible to make catch-up contributions, subject to the maximum limitation imposed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan has elected safe-harbor status, and the Company matches 100% of each participant's contributions of the first 3% deferred, plus 50% of the next 2% deferred. The Company may also make additional non-fully vested discretionary contributions. There were no additional discretionary employer contributions made during 2024.

Participant Accounts

Each participant's account is credited with participant's salary deferral contributions, the Company's matching and discretionary contributions, if any, and an allocation of Plan earnings and charged with an allocation of Plan expenses. Allocations are based on account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Loans to Participants

The Plan does not allow participants to obtain loans from their accounts.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

Participant contributions and Company safe-harbor matching contributions plus actual earnings are immediately fully vested and non-forfeitable.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum distribution. Distributions may be deferred until the participant reaches the age of 70 ½ if the value of the distribution is not less than \$1,000. However, the Plan agreement stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches the age of 70 ½, with the exception of deferment until retirement.

In certain hardship situations as described in the Plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participant's withdrawals are limited to the employee contributions and may not include employer match contributions.

Investment Options

Upon enrollment, participants direct their contributions in whole percentages in any of the American Funds (A Capital Group Companies Affiliate) investment options selected by the Company's Investment Committee. Participants have the option to change their investment allocations daily via phone or Internet access to American Funds, subject to certain trading limitations.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments in mutual funds are valued based on quoted market prices. In accordance with stating investments at fair value, net unrealized appreciation or depreciation is reflected for the year on the Statement of Changes in Net Assets Available for Benefits. See Note 8 for discussion of fair value measurements.

Gains or losses on investment transactions are recorded as the difference between proceeds received and the carrying value of the investments.

CAVINESS BEEF PACKERS, LTD.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Purchases and sales of investments are recorded on a trade-date basis. Income from investments is recorded on the accrual basis. Investment dividends and interest received are reinvested in the corresponding accounts.

Payment of Benefits

Benefit payments are recorded when paid.

Contributions

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

Investment administration and custodial fees are paid by the Plan and are included in the appreciation in fair value of investments. All other costs of operating the Plan are absorbed by the Company.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2025 the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY CAPITAL BANK AND TRUST COMPANY

The following is a summary of the asset information as of December 31, 2024 and 2023, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets at December 31:

	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Mutual funds	\$ 22,035,542	\$ 18,180,360

The custodian also certified to the completeness and accuracy of \$1,503,745 of net appreciation in fair value of investments and \$867,893 of interest and dividends related to the aforementioned investments for the year ended December 31, 2024.

CAVINESS BEEF PACKERS, LTD.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024

NOTE 4 - INCOME TAX STATUS

The Plan has not received a determination letter on their adoption of the non-standardized pre-approved plan. However, in accordance with Revenue Procedure 2003-6, the Plan administrator has chosen to rely on the opinion letter, dated June 30, 2020, that has been issued to the non-standardized pre-approved document sponsor. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2021.

NOTE 5 - PLAN TERMINATION

The Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. As such, transactions conducted by Capital Bank and Trust Company (American Funds) qualify as party-in-interest transactions. As of December 31, 2024 and 2023 the plan had \$22,035,542 and \$18,180,360, respectively, held in mutual funds administered by Capital Bank and Trust Company (American Funds).

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

CAVINESS BEEF PACKERS, LTD.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
