## Independent Auditor's Report

Plan Administrator and Management  
Orlando Science Center, Inc. Match Savings Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Orlando Science Center, Inc. Match Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Orlando Science Center, Inc. Match Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Orlando Science Center, Inc. Match Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orlando Science Center, Inc. Match Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orlando Science Center, Inc. Match Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Orlando Science Center, Inc. Match Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental schedule, Item 27a - Schedule of Assets Held for Investment Purposes, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ORLANDO SCIENCE CENTER, INC. MATCH SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(1) **Description of Plan**

(a) **General**

The Plan, which was established December 6, 1989 and was subsequently amended, is classified as a defined-contribution plan covering substantially all employees of Orlando Science Center Match Savings Plan (the “Company”/ “Plan Sponsor”), regardless of age or length of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(b) **Contributions**

Under the Plan, participants may elect to contribute, on a tax-deferred basis, a percentage of their eligible salary each payroll period subject to IRS limitations. The Company matches 100% of the first 3% of employee contributions and 50% of the next 2% of employee contributions. A participant must complete one year of service (at least 1,000 hours) and be at least 18 years of age to be eligible to receive Company contributions. Under a Plan amendment effective April 1, 2018, all eligible employees will automatically be enrolled in the Plan at a contribution rate of 5%. Employees have the option to opt out of the 5% contribution requirement. The amendment covers all new and existing employees.

(c) **Participant Accounts**

Under the Plan, a separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(d) **Vesting**

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting rights in Company contributions are determined based on years of service, as follows:

<b><u>Years of Service</u></b>	<b><u>Percentage Vested</u></b>
2	20%
3	40%
4	60%
5	80%
6	100%

**Notes to Financial Statements**

December 31, 2024 and 2023

(1) **Description of Plan - Continued**

(d) **Vesting - Continued**

The Plan provides for the full vesting of a participant's account to the participant or beneficiary on the date the participant becomes totally and permanently disabled or dies.

(e) **Investment Options**

Participants may direct their account balance among any of the Plan's investment options held by Principal Life Insurance Company and Great West Life & Annuity Company (collectively referred to as the "Plan Custodian"). Participants may change their investment options at any time.

(f) **Benefits and Forfeitures**

Upon termination of employment, death, or disability of the participant, benefit payments will be made based on Plan provisions and participant elections. Upon termination of a participant's employment, the participant is entitled to receive a distribution of their entire vested interest. Certain hardship withdrawals are available if the participant meets Plan provisions. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan as of December 31, 2024 and 2023.

If, at the time of termination of employment, the participant is not 100% vested, the nonvested portion of the participant's account will become a forfeiture. In 2024, forfeitures amounting to \$403, were used to pay certain Plan expenses. Any amount of forfeitures remaining, after paying certain Plan expenses, is used to reduce future Company contributions to the Plan.

(g) **Participant Loans With Plan Custodian**

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Loan terms range from 1-5 years, or up to 10 years for the purchase of a principal residence. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. At December 31, 2024 and 2023, Plan assets pledged as collateral for participant loans issued by the Plan Custodian approximated \$7,000 and \$7,000, respectively.

(2) **Summary of Significant Accounting Policies**

(a) **Basis of Accounting**

The accompanying financial statements have been prepared on an accrual basis of accounting and present the net assets available for benefits and changes in those assets.

(b) **Investment Valuation and Income Recognition**

Investments are stated at fair value. The Plan's investments are held primarily in pooled separate accounts and in a fund held in the general account with the Plan Custodian. The pooled separate accounts are valued using a market valuation basis at the calculated net asset value ("NAV") of the funds. NAV is based upon the estimated fair value of the funds' underlying securities based on the last reported quoted prices on the last business day of the year, less any fund liabilities.

The Interest Accumulation Account, which is deemed by the Plan Custodian to be a nonbenefit-responsive annuity contract, is held in a general account maintained by the Plan Custodian. This annuity contract has no transfer or withdrawal restrictions. The crediting interest rate is reset periodically by the issuer and was 4% and 4% at December 31, 2024 and 2023, respectively. The fair value of the Interest Accumulation Fund is computed daily and is estimated by the Plan Custodian on a cost valuation basis to equal deposits, plus accrued interest earned thereon.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividend income is recorded on the ex-dividend date.

In accordance with the Plan's policy of stating marketable securities at fair value, the appreciation or depreciation for each year is reflected in the statement of changes in net assets available for benefits as net appreciation or depreciation in fair value of investments.

(2) **Summary of Significant Accounting Policies - Continued**

(c) **Investment Risk**

The Plan's investments are not insured and are subject to credit and market risk. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(d) **Payment of Benefits**

Benefits are recorded when paid.

(e) **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

(f) **Administration Costs and Investment Fees**

Certain administrative expenses are paid by the Company and will not be reimbursed by the Plan. Investment-related fees and expenses are included in net depreciation in fair value of investments in these financial statements.

(g) **Subsequent Events**

In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition through October 10, 2025, the date the financial statements were available to be issued.

(3) **Plan Certification**

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

(4) **Investments**

The following presents the fair value of investments that represent 5% or more of the Plan's net assets at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Principal Lifetime 2015 Fund	\$ 458,899	-
Principal Lifetime 2025 Fund	-	391,740
Principal Lifetime 2030 Fund	558,735	-
Principal Lifetime 2035 Fund	803,936	466,452
Principal Lifetime 2040 Fund	379,212	653,191
Principal Lifetime 2045 Fund	595,333	272,131
Principal Lifetime 2050 Fund	397,820	499,785
Principal Lifetime 2055 Fund	-	305,137
Fidelity 500 Index Fund	694,862	538,478

(5) **Fair Value Measurement**

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

ORLANDO SCIENCE CENTER, INC. MATCH SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(5) **Fair Value Measurement - Continued**

- Level 2 – Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

(6) **Income Tax Status**

The Plan administrator believes the Plan is qualified under Section 403(b) of the Internal Revenue Code ("IRC") and is, therefore, exempt from federal income taxes, provided that all terms of the Plan continue to be followed and the eligibility requirements or benefit provisions are not more favorable for highly compensated employees. The Plan administrator believes the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. As of December 31, 2024, with certain exceptions, the Plan is no longer subject to income tax examinations by U.S. federal taxing authorities for any tax years before 2020.

(7) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(8) **Reconciliation of Form 5500 to Financial Statements**

There were no reconciling items between the Form 5500 and the financial statements as of and for the year ended December 31, 2024 or 2023.
