Rockville, MD 20850

This representation letter is provided in connection with your audit of the financial statements of Power Digital Marketing Inc. 401(k) Profit Sharing Plan Trust (formerly GNR Holdings LLC 401(k) Profit Sharing Plan Trust) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the Statement of Net Assets Available for Benefits as of December 31, 2024, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

In regard to the non-attest services performed by you, we have:

- a) Assumed all management responsibilities.
- b) Designated Casey Egan, HR Director, who has suitable skill, knowledge, or experience to oversee the services.
- c) Evaluated the adequacy and results of the services performed.
- d) Accepted responsibility for the results of the services.

- e) Ensured that the data and records are complete and we have sufficient information to oversee the services.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- c) The certification meets the 29 CFR 2520.103-5 requirements.
- d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

39. We believe the form and content of the Schedule of Assets (Held at End of Year) is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
40. We have evaluated whether there are conditions or events that, in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern within one year from the date that the financial statements were available to be issued, and have concluded that no such conditions exist.
41. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
