## Independent Auditor's Report

Board of Directors and Plan Administrator  
The Mayflower Retirement Community, Inc. 403(b) Plan  
Winter Park, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit For the 2024 Financial Statements***

We have performed an audit of the financial statements of The Mayflower Retirement Community, Inc. 403(b) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2024 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Mayflower Retirement Community, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mayflower Retirement Community, Inc. 403(b) Plan’s ability to continue as a going concern for one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Mayflower Retirement Community, Inc. 403(b) Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Mayflower Retirement Community, Inc. 403(b) Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mayflower Retirement Community, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2024 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2023 Financial Statements***

Predecessor auditors performed an audit of the 2023 financial statements of the Mayflower Retirement Community, Inc. 403(b) Plan in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by qualified institutions. Their report dated September 23, 2024 indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**Note 1. Description of Plan**

***General***

The following description of The Mayflower Retirement Community, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan, which was established on January 1, 1998, and subsequently amended, is classified as a defined-contribution plan, covering all employees of Mayflower Retirement Center, Inc. (the “Company”). The purpose of the Plan is to reward eligible employees of the Company for long and loyal service by providing them with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

***Contributions***

Participants may elect to contribute a percentage of their compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) rules and limitations. The Company makes matching contributions of 50% of the participant’s elective deferrals up to 6% of a participant’s compensation. A participant must complete one year of service (at least 1,000 hours) and be at least 18 years of age to be eligible to receive Company contributions. The Company may also make discretionary contributions to the Plan each year. There were no discretionary contributions made during 2024.

***Participant Accounts***

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

***Participant Investment Account Options***

Upon enrollment in the Plan, a participant may direct their account balance among any of the Plan’s investment options held by Charles Schwab. Participants may change their investment options at any time, with certain exceptions.

***Vesting***

Participants are immediately vested in their rollover contributions and elective deferral contributions, plus earnings thereon. Upon the death or permanent disability of a participant, their entire account balance becomes fully vested.

Vesting in the Company’s matching contributions, plus actual earnings thereon, is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vested %</u>
2	20%
3	40%
4	60%
5	80%
6	100%

***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. These participant loans are classified as notes receivable from participants. The loan balance is collateralized by the balance in the participant's account. Loans bear a fixed rate of interest equal to the prime rate plus 1% and have terms that range from one to five years, or up to 15 years for the purchase of a primary residence. Principal and interest is paid ratably through biweekly payroll deductions. Participants can only have one outstanding loan at a time.

***Payment of Benefits***

Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in their account, or installments or annuity payments over a fixed period of time, not to exceed the life expectancy of the participant/designated beneficiary. Upon termination of service, for reasons other than death, disability, or retirement, a participant may receive a lump-sum payment equal to the vested value of their account. As of December 31, 2024 and 2023, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

***Forfeited Accounts***

Forfeited balances of terminated participants' non-vested accounts are used to reduce Company contributions. The forfeiture accumulation account, which consists of the unused balance of terminated participants' non-vested employer contributions, approximated \$13,000 and \$5,000 at December 31, 2024 and 2023, respectively. During the year ended December 31, 2024, there were no forfeited account balances used to reduce Company matching contributions remitted to the Plan.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments in money market funds and mutual funds are reported at fair value and are valued using a market valuation basis at the reported closing net asset value ("NAV") of the funds on the last business day of the Plan year. NAV is based on the fair market value of the funds' underlying investments, less any fund liabilities.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments include the Plan's gains and losses on investments bought and sold as well as held during the year.

**December 31, 2024 and 2023**

---

***Contributions***

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

***Notes Receivable from Participants***

Notes receivable from participants are recorded at their unpaid principal balance, plus accrued but unpaid interest. If collection of the participants' notes is in default, foreclosure on the note and attachment of security will not occur until a distribution eligibility requirement is met under the Plan.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

***Administrative Expenses***

Investments fees, commissions, and other related fees are netted against net appreciation of investments. The Company has elected to pay certain administrative expenses on behalf of the Plan.

***Reclassifications***

Certain reclassifications have been made to the 2023 financial statements to conform to the 2024 financial statement presentation. These reclassifications had no effect on changes in net assets available for benefits.

***Subsequent Events***

Subsequent events for recognition and disclosure have been evaluated through October 14, 2025, which is the date the financial statements were available to be issued.

**Note 3. Certification of Plan Custodian**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

#### **Note 4. Related-Party and Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are managed by Charles Schwab. Charles Schwab is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Company provides certain administrative services at no cost to the Plan. Fees paid by the Plan for administrative services were approximately \$49,000 for the year ended December 31, 2024.

#### **Note 5. Fair Value Measurement**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

##### ***Mutual Funds***

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Total assets in the fair value hierarchy	<u>\$ 5,387,692</u>			

<sup>(A)</sup>Cash and cash equivalents consist primarily of cash positions within investments held at amortized cost.

**Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note 7. Tax Status**

Effective October 2022, the Plan adopted the Volume Submitter 403(b) Plan sponsored by NestEggs Retirement Plan Services. The Volume Submitter Plan obtained its latest opinion letter on January 12, 2022, in which the Internal Revenue Service stated that the Volume Submitter Plan, as then designed, qualified under Section 403(b) of the Internal Revenue Code ("IRC"). The Plan administrator has adopted all Volume Submitter Plan provisions and believes the Plan, as currently amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

**Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
