Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **H2R CPA**

(2) EIN: **25-1031723**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount

INDEPENDENT AUDITORS' REPORT

October 14, 2025

To the Plan Administrator
M & J Management Group
Employees' 401K Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of M & J Management Group Employees' 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of M & J Management Group Employees' 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of M & J Management Group Employees' 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about M & J Management Group Employees' 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of M & J Management Group Employees' 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about M & J Management Group Employees' 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 1 - Description of Plan and Benefits

M & J Management Corp. (the Company) adopted the M & J Management Group Employees' 401K Plan (the Plan) for the exclusive benefit of its employees and the employees of its associated companies. The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a multiple employer defined contribution plan covering full-time employees of M & J Management (M&J Management Corp., 2396, Inc., Dell Management Corp., 2652-3698 Inc., 3115 LLC, 3670 Inc., 3945 Inc., 5837 LLC, 6082 LLC, 6141 LLC, 6311 LLC, 6680 LLC, 13696 LLC, 16569 Inc., 23267 LLC, 25999 LLC, 28199 LLC, and 33806 LLC) and their affiliated companies (Land Management, Inc., Arrowhead, Inc. and Penn Marine Properties, Inc.) who have completed one year of service and that have attained at least twenty-one years of age. Union employees are not eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Each year, participants may make salary reduction contributions into the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (employee rollover contributions). Matching contributions by the employers are discretionary. There were no matching contributions for 2024 and 2023. All contributions are subject to limitations imposed by the Internal Revenue Service.

Annually each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings and charged with an allocation of administrative expenses. Allocation of employer contributions is based on the participant's elective deferrals. The Plan is integrated with Social Security. Allocation of plan earnings and expenses is based on the participant's account balance.

Participants are immediately vested in their contributions plus the earnings thereon. Participants are also immediately vested in the Company's matching and discretionary contributions plus the earnings thereon.

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Borrowings are considered to be collectible as they are secured by the balance in the participants' accounts. Interest is charged at a reasonable rate as defined in the plan document. Interest rates range from 5.25% to 10.50% during the years ending December 31, 2024 and 2023. Principal and interest is paid ratably through payroll deductions. Repayment terms may not exceed 5 years unless the loan is granted for the purpose of acquiring the participant's principal residence. Notes receivable are stated at their unpaid principal balance plus accrued unpaid interest.

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding deduction in net assets recognized in the statements of changes in net assets available for benefits. A liability of \$12,016 and \$10,855 has been recognized at December 31, 2024 and 2023, respectively.

Note 2 - Summary of Significant Accounting Policies

Method of Accounting: The Plan maintains its accounting records and prepares its financial statements on the accrual basis of accounting in accordance accounting principles generally accepted in the United States of America.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 2 - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition: Investments are valued at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the last trade price or the last bid price as of the valuation date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administration to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions: Participants' elective deferrals and Company contributions are recognized as additions to Plan assets in the year designated by the participant and Company, respectively.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on loans is recorded on the accrual basis. An allowance for notes receivable from participants has not been recorded as delinquent notes receivable from participants are recorded as a distribution and reduction of the participant loan balance based on the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses, such as fees for recordkeeping, legal, and audit services, are paid by the Plan, as allowed by the plan document. All other expenses are paid by the Company. The Company also provides to the Plan certain accounting services for which no allocation of costs have been made to the Plan.

Subsequent Events: The Plan has evaluated all subsequent events through October 14, 2025, the date the financial statements were available to be issued.

Note 3 - Tax Status

The Plan obtained a favorable advisory letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan's tax returns for 2021, 2022, and 2023 are subject to examination by the taxing authorities, generally for three years after they were filed.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 4 – Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan or reduce or cease contributions at the discretion of the Board or Directors, or to amend the Plan at any time and in any respect, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance. In the event of a termination of the Plan, the Trustee, after payment of expenses properly chargeable against the Trust, shall distribute all Trust assets to the members in proportions determined by their respective accounts. The Trust shall cease after distribution of all assets. Employers' contributions or the income shall not be paid to nor revert to the employer and shall not be used except for the exclusive benefit of the members or their beneficiaries.

Note 5 – Information Certified by the Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Standard Insurance Company, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

Statements of net assets available for benefits

	<u>2024</u>	<u>2023</u>
Investments at fair value	\$ 4,518,810	\$ 4,380,014
Investments at contract value	\$ 803,289	\$ 761,807
Notes receivable from participants	\$ 47,772	\$ 31,213

Statements of changes in net assets available for benefits

	<u>2024</u>	<u>2023</u>
Net appreciation in fair value of investments	\$ 606,556	\$ 720,359
Interest and dividends	\$ 2,102	\$ 2,257

Note 6 - Fully Benefit-Responsive Investment Contract

The Plan holds a group variable annuity contract, which includes a General Account, with the custodian. This investment meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus credited interest less participant withdrawals and fees. The account is credited with earnings based on the daily balance. There is no stated minimum or maximum interest rate for the investment choice.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 6 - Fully Benefit-Responsive Investment Contract (continued)

Certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different than the contract value. The issuer will terminate the contract under the following circumstances: (1) The Plan is no longer deemed to be a "qualified plan" under Section 401 of the Internal Revenue Code or other section of the Internal Revenue Code allowing similar tax treatment; (2) the Plan is terminated; (3) Standard Insurance Company determines that because of a change in the Plan or in the benefits to be provided, it is necessary to amend or modify this Contract, and the Contract holder does not assent to the amendment or modification.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with participants.

Note 7 – Party-in-Interest

The Plan holds a group annuity contract with Standard Insurance Company. Standard Insurance Company is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Additionally, asset-based fees paid by the Plan to the Custodian and investment advisor are party-in-interest transactions. Amounts paid to the investment advisor amounted to \$21,027 and \$21,986 for the years ended December 31, 2024 and 2023, respectively. Other expenses paid by the plan include audit fees. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 – Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASB 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 9 – Fair Value Measurements (continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value:

Pooled separate accounts are valued at the net asset value (NAV), based on quoted market prices in active markets of shares of the underlying assets held by the Plan at year-end. The pooled-separate accounts do not have unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Pooled Separate Accounts	\$ <u> -</u>	\$ <u>4,518,810</u>	\$ <u> -</u>	\$ <u>4,518,810</u>

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Pooled Separate Accounts	\$ <u> -</u>	\$ <u>4,380,014</u>	\$ <u> -</u>	\$ <u>4,380,014</u>

Note 10 – Nonexempt Transactions

Employee contributions totaling \$8,864 and \$17,855 during the years ending December 31, 2024 and 2023, respectively, were either transferred to the Plan later than required by Department of Labor Regulations or are pending transfer to the Plan later than required by Department of Labor Regulations.

INDEPENDENT AUDITORS' REPORT

October 14, 2025

To the Plan Administrator
M & J Management Group
Employees' 401K Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of M & J Management Group Employees' 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of M & J Management Group Employees' 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of M & J Management Group Employees' 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about M & J Management Group Employees' 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of M & J Management Group Employees' 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about M & J Management Group Employees' 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 1 - Description of Plan and Benefits

M & J Management Corp. (the Company) adopted the M & J Management Group Employees' 401K Plan (the Plan) for the exclusive benefit of its employees and the employees of its associated companies. The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a multiple employer defined contribution plan covering full-time employees of M & J Management (M&J Management Corp., 2396, Inc., Dell Management Corp., 2652-3698 Inc., 3115 LLC, 3670 Inc., 3945 Inc., 5837 LLC, 6082 LLC, 6141 LLC, 6311 LLC, 6680 LLC, 13696 LLC, 16569 Inc., 23267 LLC, 25999 LLC, 28199 LLC, and 33806 LLC) and their affiliated companies (Land Management, Inc., Arrowhead, Inc. and Penn Marine Properties, Inc.) who have completed one year of service and that have attained at least twenty-one years of age. Union employees are not eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Each year, participants may make salary reduction contributions into the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (employee rollover contributions). Matching contributions by the employers are discretionary. There were no matching contributions for 2024 and 2023. All contributions are subject to limitations imposed by the Internal Revenue Service.

Annually each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings and charged with an allocation of administrative expenses. Allocation of employer contributions is based on the participant's elective deferrals. The Plan is integrated with Social Security. Allocation of plan earnings and expenses is based on the participant's account balance.

Participants are immediately vested in their contributions plus the earnings thereon. Participants are also immediately vested in the Company's matching and discretionary contributions plus the earnings thereon.

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Borrowings are considered to be collectible as they are secured by the balance in the participants' accounts. Interest is charged at a reasonable rate as defined in the plan document. Interest rates range from 5.25% to 10.50% during the years ending December 31, 2024 and 2023. Principal and interest is paid ratably through payroll deductions. Repayment terms may not exceed 5 years unless the loan is granted for the purpose of acquiring the participant's principal residence. Notes receivable are stated at their unpaid principal balance plus accrued unpaid interest.

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding deduction in net assets recognized in the statements of changes in net assets available for benefits. A liability of \$12,016 and \$10,855 has been recognized at December 31, 2024 and 2023, respectively.

Note 2 - Summary of Significant Accounting Policies

Method of Accounting: The Plan maintains its accounting records and prepares its financial statements on the accrual basis of accounting in accordance accounting principles generally accepted in the United States of America.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 2 - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition: Investments are valued at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the last trade price or the last bid price as of the valuation date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administration to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions: Participants' elective deferrals and Company contributions are recognized as additions to Plan assets in the year designated by the participant and Company, respectively.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on loans is recorded on the accrual basis. An allowance for notes receivable from participants has not been recorded as delinquent notes receivable from participants are recorded as a distribution and reduction of the participant loan balance based on the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses, such as fees for recordkeeping, legal, and audit services, are paid by the Plan, as allowed by the plan document. All other expenses are paid by the Company. The Company also provides to the Plan certain accounting services for which no allocation of costs have been made to the Plan.

Subsequent Events: The Plan has evaluated all subsequent events through October 14, 2025, the date the financial statements were available to be issued.

Note 3 - Tax Status

The Plan obtained a favorable advisory letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan's tax returns for 2021, 2022, and 2023 are subject to examination by the taxing authorities, generally for three years after they were filed.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 4 – Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan or reduce or cease contributions at the discretion of the Board or Directors, or to amend the Plan at any time and in any respect, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance. In the event of a termination of the Plan, the Trustee, after payment of expenses properly chargeable against the Trust, shall distribute all Trust assets to the members in proportions determined by their respective accounts. The Trust shall cease after distribution of all assets. Employers' contributions or the income shall not be paid to nor revert to the employer and shall not be used except for the exclusive benefit of the members or their beneficiaries.

Note 5 – Information Certified by the Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Standard Insurance Company, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

Statements of net assets available for benefits

	<u>2024</u>	<u>2023</u>
Investments at fair value	\$ 4,518,810	\$ 4,380,014
Investments at contract value	\$ 803,289	\$ 761,807
Notes receivable from participants	\$ 47,772	\$ 31,213

Statements of changes in net assets available for benefits

	<u>2024</u>	<u>2023</u>
Net appreciation in fair value of investments	\$ 606,556	\$ 720,359
Interest and dividends	\$ 2,102	\$ 2,257

Note 6 - Fully Benefit-Responsive Investment Contract

The Plan holds a group variable annuity contract, which includes a General Account, with the custodian. This investment meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus credited interest less participant withdrawals and fees. The account is credited with earnings based on the daily balance. There is no stated minimum or maximum interest rate for the investment choice.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 6 - Fully Benefit-Responsive Investment Contract (continued)

Certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different than the contract value. The issuer will terminate the contract under the following circumstances: (1) The Plan is no longer deemed to be a "qualified plan" under Section 401 of the Internal Revenue Code or other section of the Internal Revenue Code allowing similar tax treatment; (2) the Plan is terminated; (3) Standard Insurance Company determines that because of a change in the Plan or in the benefits to be provided, it is necessary to amend or modify this Contract, and the Contract holder does not assent to the amendment or modification.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with participants.

Note 7 – Party-in-Interest

The Plan holds a group annuity contract with Standard Insurance Company. Standard Insurance Company is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Additionally, asset-based fees paid by the Plan to the Custodian and investment advisor are party-in-interest transactions. Amounts paid to the investment advisor amounted to \$21,027 and \$21,986 for the years ended December 31, 2024 and 2023, respectively. Other expenses paid by the plan include audit fees. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 – Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASB 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**M & J MANAGEMENT GROUP
EMPLOYEES' 401K PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Note 9 – Fair Value Measurements (continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value:

Pooled separate accounts are valued at the net asset value (NAV), based on quoted market prices in active markets of shares of the underlying assets held by the Plan at year-end. The pooled-separate accounts do not have unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Pooled Separate Accounts	\$ <u> -</u>	\$ <u>4,518,810</u>	\$ <u> -</u>	\$ <u>4,518,810</u>

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
