We have audited the financial statements of Grothues Brothers Holdings, Ltd. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of benefit obligations and of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in benefit obligations and in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Description of the Plan

General

The following description of the Grothues Brothers Holdings, Ltd. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreements for a complete description of the Plan's provisions.

The Plan provides health and other benefits covering substantially all active employees of Grothues Brothers Holdings, Ltd. and its subsidiaries (the Company). Grothues Brothers Holdings, Ltd. is the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

Plan Administration

Grothues Brothers Holdings, Ltd. is the Plan administrator. The assets of the Plan are held in the Grothues Brothers Holdings, Ltd. Trust (the Trust). Medical claims are adjudicated by a claims administrator selected by the Plan administrator.

Benefits

The Plan provides certain health benefits (medical, hospital, surgical, major medical), dental, life insurance, and accidental death insurance to full-time employees after a 60-day waiting period and to their covered dependents. The Plan defines full-time employees as those who normally work at least 38 hours per week. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

Dental claims are provided under group insurance contracts with The Guardian Life Insurance Company and life insurance and accidental death benefits are covered by group term policies with Mutual of Omaha. The Company purchases annual insurance contracts for these insured benefits and premiums are paid to the insurance company from the general assets of the Company and from amounts withheld from participant earnings. These premiums are recorded as insurance premiums on the statement of changes in net assets available for benefits.

Self-Insured Benefits

All medical and prescription drug benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. Through February 28, 2024, the claims administrator was Humana Health Plan, Inc. Effective March 1, 2024, Blue Cross Blue Shield of Texas became the claims administrator. The claims administrator pays claims directly to or on behalf of participants and are then reimbursed by the general assets of the Company, which is recorded in claims paid, net on the statement of changes in net assets available for benefits. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Grothues Brothers Holdings, Ltd. Employee Benefit Plan

Notes to Financial Statements

The Plan contains two levels of coverage. Plan A is offered primarily to the shareholders of Grothues Brothers Holdings, Ltd.; their family members employed by M.G. Building Materials, Ltd.; and management of M.G. Building Materials, Ltd. Plan B is available to the remaining employees of M.G. Building Materials, Ltd. The cost to employees for dependent coverage is the same for each plan, regardless of the plan benefits. The value of the excess benefits provided under Plan A is added to reported compensation for the employees covered under Plan A.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over \$75,000).

Contributions

The Company's policy is to contribute specified amounts on a monthly basis, as determined by the Plan's third-party administrator to extend health coverage and a base life insurance policy of \$10,000 to eligible participants and cover health benefit obligations as they come due. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Employees may contribute specified amounts, determined periodically by the Plan's insurance companies, to extend health coverage to their eligible dependents, to increase the coverage of the life insurance policy, and to purchase the dental insurance and accidental death insurance.

Priority Upon Termination

While the Company has not expressed any intent to do so, the Plan may be terminated at any time by a written instrument signed by an authorized officer of the Company. If the Plan is terminated, all elections and related salary reduction agreements shall terminate, and reimbursements or payments of covered expenses shall be made as defined by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets and benefit obligations during the reporting period. Actual results could differ from those estimates. The most significant estimate to the Plan is the estimate of plan benefit obligations.

Grothues Brothers Holdings, Ltd. Employee Benefit Plan

Notes to Financial Statements

Plan Benefit Obligations

At December 31, 2024 and 2023, the Plan's benefit obligations for medical claims payable and medical claims incurred but not reported have been determined based on historical claims cost data and aggregate stop-loss limits provided under the Plan. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Third-Party Administrator Fees

The Plan pays administrative fees paid to the third-party claims administrators.

Payment of Benefits

Premiums paid either by the Company or the participants are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statement of net assets available for benefits.

Stop Loss

Premiums for the stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling \$568,281 are included as stop loss reimbursements on the accompanying statement of changes in net assets available for benefits.

Rebates

Certain prescription drug rebates are refunded to the Plan on a monthly basis and are net with claims paid on the accompanying statement of changes in net assets available for benefits. For the year ended December 31, 2024, the Plan received \$159,584 in prescription drug rebates.

Income Taxes

The Trust funding the Plan operates as a taxable trust. However, the Trust has generated no taxable income and paid no related taxes. If the Plan incurs any interest or penalties related to Plan activities, the expense would be reported by the Plan and funded by the Plan Sponsor in the period incurred.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

3. Parties-in-Interest and Related Party Transactions

The Plan paid third-party administrator fees of \$118,469 during the year ended December 31, 2024. All of these expenses were paid by the Plan and funded by the Plan Sponsor. As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are considered to be party-in-interest transactions under ERISA.

Notes to Financial Statements

4. Risks and Uncertainties

The Plan's benefit obligations are reported based on recent actual claim lag experience and claims incurred but subsequently paid per the claim administrator's records. Due to uncertainties inherent in the estimation and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

5. Receivables and Allowance for Credit Losses

At December 31, 2024, the Plan was due \$202,909 for medical claims payable and incurred but not reported and submitted for payment until after year-end. This amount is due from the Plan Sponsor and is included in Plan Sponsor receivables at year-end. The Plan evaluates the collectability of this receivable based on historical experience, current conditions, and reasonable and supportable forecasts. As of December 31, 2024 and 2023, management determined that the risk of credit loss was not significant and no allowance for credit loss was recorded.

Amounts reported as other receivables at December 31, 2024 and 2023 were due from the stop-loss insurance provider and totaled \$41,433 and \$39,694, respectively.

6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:
