INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Promotion Execution Partners, LLC
401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Promotion Execution Partners, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Promotion Execution Partners, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Promotion Execution Partners, LLC 401(k) Retirement Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Promotion Execution Partners, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Promotion Execution Partners, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Promotion Execution Partners, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

As discussed in Note 4, the Plan was merged into The Savings and Investment Plan sponsored by WPP Group USA, Inc. All plan assets were transferred on December 31, 2024.

CONTRIBUTIONS

Each year, participants may contribute up to 50 percent of annual compensation as defined in the Plan. During the 2024 tax year, participants could contribute up to \$23,000 if the participant's age is 49 or less, and \$30,500 if the participant's age is 50 or above. (This figure will be adjusted in the future by the Secretary of the Treasury for cost of living increases). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company may contribute a matching amount at its discretion. For the plan year ended December 31, 2024, the matching contribution is 100 percent of the first 5 percent of eligible compensation that a participant elects to contribute under the Section 401(k) feature.

The Company may contribute a nonelective amount at its discretion. This nonelective contribution, if any, is allocated to each eligible participant on a pro-rata basis based on the compensation of the participant to the total compensation of all participants. For the plan year ended December 31, 2024, the Company did not contribute a nonelective contribution.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution as well as allocations of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's matching and nonelective contributions is based on years of continuous service. A participant is 100 percent vested after five years of credited service. The Plan defines "one year of service" as a 12 month period in which the participant works 1,000 hours of service. Company contributions also become fully vested when a participant employed by the Company reaches normal retirement age, as defined by the Plan, or is terminated due to death or disability.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by 50 percent of the participant's account balance and bear interest at the prime rate and must be repaid within no more than five years, except for certain principal residence related loans. Principal and interest are payable ratably over the term of the loan not less frequently than quarterly.

NOTES TO FINANCIAL STATEMENTS

PAYMENT OF BENEFITS

On termination, a participant (or participant's beneficiary in the event of death) will receive a lump-sum amount equal to the value of the participant's vested account balance.

FORFEITED ACCOUNTS

Forfeitures of Company contributions may be used to pay administrative expenses or reduce the Company's contributions. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$0 and \$82,546, respectively. During 2024, \$35,420 of administrative expenses were offset from forfeited non-vested accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements. The financial statements and notes are the representation of the Plan's management, who is responsible for their integrity and objectivity. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting.

CONTRIBUTIONS

Participants' contributions are recognized in the period that the related payroll deductions are made. Company matching contributions are accrued as of Plan year end and paid in the following Plan year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

FAIR VALUE MEASUREMENTS

Topic 820, *Fair Value Measurement*, of the Accounting Standards Codification (Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Value of interests in registered investment companies (mutual funds) are valued at the net asset value (NAV) of shares held by the plan at year end (Level 1).

Common collective trust is comprised primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value (NAVPE). The NAVPE is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FAIR VALUE MEASUREMENTS (CONT'D)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>LEVEL 1</u>	<u>TOTAL</u>
<u>DECEMBER 31, 2023</u>		
Value of interests in registered investment companies	\$17,724,675	\$17,724,675
Common collective trust measured at NAVPE ^(a)	<u>-</u>	<u>445,523</u>
Investments at fair value	<u>\$17,724,675</u>	<u>\$18,170,198</u>

(a) In accordance with Topic 820-10, *Fair Value Measurement*, of the Accounting Standards Codification, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient (NAVPE) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE AS A PRACTICAL EXPEDIENT

The following tables summarize investments for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
JPMCB Stable Asset Income Fund	\$445,523	n/a	Daily	12 months

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTES TO FINANCIAL STATEMENTS

SUBSEQUENT EVENTS

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 29, 2025, the date on which the financial statements were available to be issued.

NOTE 3 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Participant loans qualify as party-in-interest investments. Certain administrative fees related to the administration of the Plan are paid by the Plan. Other administrative fees are paid by the plan sponsor on behalf of the Plan.

NOTE 4 PLAN TERMINATION

Promotion Execution Partners, LLC (PEP), the Plan sponsor was acquired by WPP Group USA, Inc. on January 1, 2017. On December 31, 2024 the Plan was merged with The Savings and Investment Plan, sponsored by WPP Group USA, Inc. All plan assets were transferred as of December 31, 2024.

NOTE 5 TAX STATUS

The Plan has adopted a non-standardized pre-approved plan sponsored by Empower Retirement, LLC. The pre-approved plan obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan, as designed then, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
