Independent Auditor's Report

To The Board of Trustees
New Jersey B.A.C. Health Fund Retiree Plan

Opinion

I have audited the accompanying financial statements of New Jersey B.A.C. Health Fund Retiree Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, which comprise the statements of net assets available for benefits and of accumulated plan benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of New Jersey B.A.C. Health Fund Retiree Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its accumulated plan benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibility under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of New Jersey B.A.C. Health Fund Retiree Plan and to meet my ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter

As discussed in Note A, New Jersey B.A.C. Health Fund Retiree Plan relies on the continued administrative support and operational subsidy provided by the New Jersey B.A.C. Health Fund Active Plan. Management has no plans to withdraw the administrative support or the operational subsidy.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise a substantial doubt about New Jersey B.A.C. Health Fund Retiree Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

Exercise professional judgement and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Jersey B.A.C. Health Fund Retiree Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Jersey B.A.C. Health Fund Retiree Plan's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters identified during the audit.

NEW JERSEY B.A.C. HEALTH FUND RETIREE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note A Description of Plan

The following description of the New Jersey B.A.C. Health Fund Retiree Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The New Jersey B.A.C. Health Fund Retiree Plan is established under an Agreement and Declaration of Trust pursuant to a collective bargaining agreement covering employees working in the construction industry. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The purpose of the Plan is to provide a statewide program of health benefits under the terms of the plans. Determination of benefits, rules of eligibility and other requirements are at the discretion of the Board of Trustees. Benefits of the Fund are not insured.

Effective January 1, 2015 the Trustees established a separate plan for retiree benefits. The active and retiree plans operate from the same Trust and these financial statements include all financial information for the retiree plan. The retiree plan has consistently relied on the active plan for administrative functions and an operational subsidy that makes up the shortfall between retiree plan premiums and benefits. The retiree plan does not contribute financially to the administrative expenses. Management has no plans to withdraw the administrative support or operational subsidy. The accompanying financial statements should be evaluated in conjunction with the financial statements of the active plan.

Retiree premiums are determined by the Board of Trustees.

The plan provides medical and prescription benefits to participants through a third party administrator and a Preferred Provider Organization. A total of 311 employees were participants in the Retiree Plan at the end of the year.

Note B Summary of Significant Accounting Policies

The financial statements are prepared on the accrual method of accounting.

The preparation of financial statements in conformity with accounting principals generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates.

The Plan has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

NEW JERSEY B.A.C. HEALTH FUND RETIREE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note C Benefit Obligations

Benefit obligations at December 31 for claims incurred but not reported, claims reported but not yet processed, claims processed but not yet paid, accumulated eligibility credits and postretirement accumulated benefit obligations at that date, are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying statement of the Plan's benefit obligations at present value.

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits, reduced by expected premiums, that are attributed to employee service rendered to December 31. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired employees and their dependents and (2) active employees and their dependents after retirement from service with participating employers. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to date.

Under the terms of the plan, eligibility for postretirement benefits is based upon having attained eligibility for active benefits in 20 of the last 25 years. An annual premium is also currently being charged.

The benefits included in this calculation are not vested and are subject to change at any time by the Board of Trustees.

For measurement purposes, a medical inflation trend of 6% in 2024 to 3% in 2030 and thereafter in the cost of covered health care benefits was assumed. The following were other significant assumptions used in the valuations.

Discount Rate	4.75% compounded annually (effective January 1, 2023) 5.25% compounded annually (effective January 1, 2024)
Retirement Age	100% at age 64
Mortality	PRI - 2012 Blue Collar (Sex Distinct) Mortality Improvement Scale MP-2021
Participation Rate	50% of eligible retirees

The foregoing assumptions are based on the presumption that the plan will continue. Were the plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

The medical cost inflation assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates were increased by one percentage point, the benefit obligations would increase by \$2,358 as of December 31, 2024 and \$2,448 as of December 31, 2023.

NEW JERSEY B.A.C. HEALTH FUND RETIREE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note C Benefit Obligations

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note D Reconciliation of Financial Statements to Schedule H of Form 5500

Reporting on Forms 5500 is according to plan. Accordingly a Federal Form 5500 is filed for the Active Plan and a separate Form 5500 is filed for the Retiree Plan.

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Schedule H of Form 5500 for the Retiree Plan:

	<u>December 31,</u> <u>2024</u>	<u>December 31,</u> <u>2023</u>
Net assets available for benefits per the financial statements	\$ 0	\$ 0
Benefit obligations currently payable (health & death claims)	<u>(65,606)</u>	<u>(40,666)</u>
Net assets available for benefits per Schedule H of Forms 5500	<u>\$ (65,606)</u>	<u>\$ (40,666)</u>

The following is a reconciliation of benefits paid to participants per the accompanying financial statements to the Schedule H of Forms 5500 for the Retiree Plan:

	<u>December 31,</u> <u>2024</u>	<u>December 31,</u> <u>2023</u>
Benefits paid to participants per the financial statements	\$ 2,124,854	\$ 1,558,394
Add: Amounts payable at end of year	65,606	40,666
Less: Amounts payable at beginning of year	<u>(40,666)</u>	<u>(48,515)</u>
Benefits paid to participants per Schedule H of Form 5500	<u>\$ 2,149,794</u>	<u>\$ 1,550,545</u>

NEW JERSEY B.A.C. HEALTH FUND RETIREE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note E Credit Risk

The fund maintains cash in bank deposit accounts which, at times, may exceed federally insured limits.

Note F Tax Status

The plan obtained its latest determination letter on March 16, 1990, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator believes the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The plan administrator believes the plan is no longer subject to examinations for tax years prior to 2020.

Note G Plan Termination

The trustees have no current intention to terminate the plan. In the event the obligation of all employers to make contributions to this plan shall terminate, the Trustees shall continue to apply the plan assets towards benefits. Upon disbursement of the entire amount of plan assets the plan would terminate.
