## INDEPENDENT AUDITORS' REPORT

To the Plan Trustee  
SCE Environmental Group, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of SCE Environmental Group, 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits in liquidation as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits in liquidation for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter - Terminating the Plan and Liquidation Basis of Accounting**

As further discussed in Note 1 to the financial statements, the Plan Sponsor has ceased operations and liquidation of the Plan is imminent. In accordance with accounting principles generally accepted in the United States of America, the plan has changed its basis of accounting from the ongoing plan basis to the liquidation basis. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the

financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## SCE ENVIRONMENTAL GROUP, INC. 401(K) PLAN

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

---

#### NOTE 1: DESCRIPTION OF PLAN

The following description of the SCE Environmental Group, Inc., 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a 401(k) plan covering eligible employees of SCE Environmental Group, Inc., (the "Plan Sponsor"); JC Square GP, LLC (through March 31, 2023); Opashia, LLC; and Contractor Transport, LLC (through July 28, 2023). On January 26, 2024 the plan sponsor ceased operations after a lender conducted a Uniform Commercial Code foreclosure sale of virtually all of SCE's assets under Section 9-610, and the Plan was terminated effective December 9, 2024. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Trustee is responsible for oversight of the Plan.

#### Contributions

For the periods January 1, 2024 through February 2, 2024 (Opashia) and April 26, 2024 (SCE), and for the year ended December 31, 2023, employees could elect to contribute, subject to defined limitations, any percentage or dollar amount of their base salary to the Plan pursuant to Section 401(k) of the Internal Revenue Code. The Plan Sponsor made a safe harbor matching contribution of 4% of an employee's compensation for the year ended December 31, 2023.

#### Participant Accounts

Each participant's account is credited with the participant's contribution as well as the Plan Sponsor's matching and profit sharing contributions, and plan earnings (losses); and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Upon termination of the Plan, participants became 100% vested with respect to their contributions, Plan Sponsor safe harbor contributions, prevailing wage contributions, and earnings thereon.

The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions not to exceed five years.

Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair-value of investments, and interest and dividends, for the years ended December 31, 2024 and 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company and Mid-Atlantic Trust Company (the trustee of the Plan).

Payment of Benefits

The Plan provides for separation from service, normal retirement, death and disability benefits. The beneficiary is entitled to 100% of the account balance upon death of the participant. If the participant becomes disabled, the participant is entitled to 100% of the account balance. Benefits of vested accounts exceeding \$5,000 are payable in lump-sum payments or installments, but only with respect to minimum required distributions. Payment of vested balances less than \$5,000 will only be paid in a single lump-sum payment. Benefits are recorded when paid.

Basis of Accounting

The financial statements of the Plan are prepared using the liquidation basis of accounting for the years ended December 31, 2024 and 2023, and are presented in the format prescribed by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Under the liquidation basis, Plan assets (mutual funds) will continue to be measured at fair-value.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair-value. Fair-value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair-value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

**Expenses**

Investment expenses of the Plan are allocated among the participant's accounts. Administrative expenses paid to the third-party administrator are paid by the Plan Sponsor and are not charged to the Plan.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction for refund of excess contributions. Excess matching contributions contributed by the employer are treated as forfeitures, which decrease future payments to the plan. There were no excess matching contributions in 2024 or 2023.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Subsequent Events

Subsequent events were evaluated through October 8, 2025, which is the date the financial statements were available to be issued.

**NOTE 3: INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN**

For the years ended December 31, 2024 and 2023, the plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified as complete and accurate by the Plan trustee, Mid-Atlantic Trust Company for the years ended December 31, 2024 and 2023, and was not subjected to any auditing procedures performed by the independent auditors:

- A. Money market funds shown in the accompanying statements of net assets available for benefits in liquidation of \$29,197 and \$30,167 as of December 31, 2024 and 2023, respectively.
- B. Investments at fair-value as shown in the accompanying statements of net assets available for benefits in liquidation of \$931,917 and \$1,029,957 as of December 31, 2024 and 2023, respectively.
- C. Interest and dividend income as shown in the accompanying statements of changes in net assets available for liquidation, was \$42,954 and \$31,808 for the years ended December 31, 2024 and 2023, respectively.
- D. Interest received on notes from participants was \$43 and \$797 for the years ended December 31, 2024 and 2023, respectively.
- E. Realized and unrealized gains as shown in the accompanying statements of changes in net assets available for liquidation was \$84,379 and \$143,912 for the years ended December 31, 2024 and 2023, respectively.

**NOTE 4: TAX STATUS**

The Internal Revenue Service ("IRS") has determined and informed the Plan Sponsor by a letter dated August 31, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE 4: TAX STATUS (CONT'D)**

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any tax periods.

**NOTE 5: FAIR-VALUE MEASUREMENTS**

The Plan's investments are reported at fair-value in the accompanying statements of net assets available for benefits. The methods used to measure fair-value may produce an amount that may not be indicative of net realizable value or reflective of future fair-values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair-value of certain financial instruments could result in a different fair-value at the reporting date.

The fair-value measurement accounting literature establishes a fair-value hierarchy that prioritizes the inputs to valuation techniques used to measure fair-value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted market prices for identical assets, and level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair-value of its investments. When available, the Plan measures fair-value using Level 1 inputs because they generally provide the most reliable evidence of fair-value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available. As of December 31, 2024 and 2023, none of the Plan's investments are measured using Level 2 or 3 inputs.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits in liquidation for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair-value of assets.

Following is a description of the valuation methodology used for assets measured at fair-value.

**Mutual Funds**

Share price reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation and/or directly from the fund house or a secondary pricing source, such as Interactive Data Corporation.

DECEMBER 31, 2024 AND 2023**

NOTE 5: FAIR-VALUE MEASUREMENTS (CONT'D)

The following tables set forth, by level within the fair-value hierarchy, the Plan's investments at fair-value as of December 31, 2024 and 2023:

	Fair-Value Measurements at the End of the Reporting Period Using:	
	<u>Fair-Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>2024</u>		
Mutual funds	<u>\$ 931,917</u>	<u>\$ 931,917</u>
<u>2023</u>		
Mutual funds	<u>\$ 1,029,957</u>	<u>\$ 1,029,957</u>

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits in liquidation.

NOTE 7: RECONCILIATION OF FINANCIAL STATEMENTS TO IRS FORM 5500

No differences exist between the amounts reported in the accompanying financial statements and the IRS Form 5500, as amended.
