Statement of Work - Audit Services

May 1, 2023

This document constitutes a statement of work ("**SOW**") under the master service agreement ("**MSA**") dated May 1, 2023, or superseding MSA, made by and between CliftonLarsonAllen LLP ("**CLA**," "**we**," "**us**," and "**our**") and Twin Health, Inc. 401(k) Plan ("**you**," "**your**," or "**the Plan**"). We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services CLA will provide for the Twin Health, Inc. 401(k) Plan as of and for the year ended December 31, 2022, in connection with the Plan's annual reporting obligation under the Employee Retirement Income Security Act of 1974 (**ERISA**).

Jennifer L. Valente, CPA is responsible for the performance of the audit engagement.

Scope of audit services
Except as described below, we will audit the financial statements of Twin Health, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) which comprise the financial statements identified below, and the related notes to the financial statements (collectively, the "f**inancial statements**").

Statements of Net Assets Available for Benefits

Statement of Changes in Net Assets Available for Benefits

As part of our audit, we will also evaluate and report on the supplemental schedules required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements. The financial statements and ERISA-required supplemental schedules are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA to be filed with federal Form 5500.

Nonaudit services
We will also provide the following nonaudit services:

- Preparation of your financial statements and the related notes.

- Preparation of ERISA-required supplemental schedule

· Converting cash basis accounting records to accrual basis.

Audit objectives

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (**U.S. GAAP**). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (**U.S. GAAS**) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), Labor, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5 (qualified institution). Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Except as described above, our audit will be conducted in accordance with U.S. GAAS. Those standards require us to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Our audit will include tests of your accounting records and other procedures we consider necessary, except that assets and related transactions certified by a qualified institution will not be tested.

We will also perform procedures to enable us to express an opinion on whether the form and content of the ERISA-required supplemental schedules, other than the information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and whether the information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We will issue a written report upon completion of our audit of your financial statements.

DocuSign Envelope ID: F00599D9-B02D-4628-B07A-3C0075AE7C17

Circumstances may arise in which our report may differ from its expected form and content based on the results of our ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from the engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements and supplemental schedules, other than that derived from the information certified by the qualified institution, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Auditor responsibilities, procedures, and limitations

Except as described above, we will conduct our audit in accordance with U.S. GAAS.

Those standards require that we exercise professional judgment and maintain professional skepticism throughout the planning and performance of the audit. As part of our audit, we will:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and evaluate whether audit evidence obtained is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

• Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the amounts and disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

• Conclude, based on our evaluation of audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Although our audit planning has not been concluded and modifications may be made, we have identified the following significant risk(s) of material misstatement as part of our audit planning:

• Management override of controls

DocuSign Envelope ID: F00599D9-B02D-4628-B07A-3C0075AE7C17

• Initial Audit

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS, except as previously noted. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the plan, may not be detected.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to federal Form 5500.

We will communicate with management and those charged with governance reportable findings identified during the audit of the Plan as a result of testing relevant plan provisions.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling the information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management responsibilities

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the conduct of an audit.

DocuSign Envelope ID: F00599D9-B02D-4628-B07A-3C0075AE7C17

You are responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP. Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; for establishing an accounting and financial reporting process for determining fair value measurements; determining the reasonableness of significant accounting estimates included in the financial statements; if an actuarial report was provided, for the acceptance of the actuarial methods and assumptions used by the actuary; adjusting the financial statements to correct material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

You are responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities and safeguarding assets. You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the Plan involving (1) plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations, and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered.

You are responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including amounts and disclosures, such as records, documentation, identification of all related parties, parties in interest, and all related-party and party-in-interest relationships and transactions, and other matters, and for the accuracy and completeness of that information (including information from within and outside of the general and subsidiary ledgers); (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

You are also responsible for maintaining a current plan instrument, including all plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C)

DocuSign Envelope ID: F00599D9-B02D-4628-B07A-3C0075AE7C17

audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. You are also responsible for providing us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete.

Management is responsible for the fair presentation of the ERISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements, and the form and content of the ERISA-required supplemental schedules is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management agrees to include the auditors' report on the ERISA-required supplemental schedules in any document that contains the ERISA-required supplemental schedules and indicates that the auditor has reported on such supplemental schedules.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit. During our engagement, we will request information and explanations from you regarding, among other matters, the Plan's operations, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the Plan's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Responsibilities and limitations related to nonattest services

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services. Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services.

Use of financial statements

The financial statements and our report thereon are for management's use. If you intend to reproduce and publish the financial statements and our report thereon, they must be reproduced in their entirety. Inclusion of the audited financial statements in a document, such as an annual report, should be done only with our prior approval of the document. You are responsible to provide us the opportunity to review such documents before issuance.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

Engagement administration and other matters

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

We will provide copies of our reports to the plan; however, management is responsible for distribution of the reports and the financial statements.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our audit engagement ends on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific SOW for that service.

Form 5500

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. Professional standards require that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the required supplemental schedules) or any material misstatement of fact. We will not issue our auditors' report until a substantially complete draft Form 5500 has been provided for our review.

Fees

We estimate that our professional fees will range from $15,000 to $18,000. We will also bill for expenses (including travel, other costs such as report production, word processing, postage, etc., and internal and administrative charges) plus a technology and client support fee of five percent (5%) of all professional fees billed. Expenses and fees are estimated to be $750. This estimate is based on anticipated cooperation from your personnel and their assistance with locating requested documents and preparing requested schedules. If the requested items are not available on the dates required or are not accurate, the fees and expenses will likely be higher. Our invoices, including applicable state and local taxes, will be rendered each month as work progresses and are payable on presentation.

Unanticipated services

We do not anticipate encountering the need to perform additional services beyond those described in this letter. Below are examples of situations considered to be outside the scope of our engagement. If any such situations arise, we will notify you and provide a fair and reasonable price for any additional time and costs that are necessary to complete the audit in an efficient manner. We will bill you for the additional time at periodic dates after the additional work has been performed.

- If your organization undergoes significant changes in key personnel, accounting systems, and/or internal control, we are required to update our audit documentation and audit plan. The following are examples of situations that will require additional audit work:
  - Evaluating changes in your internal control resulting from your implementation of new information systems
  - Change in third-party service providers
  - Deterioration in the quality of the Plan's accounting records during the current-year engagement in comparison to the prior-year engagement
  - Significant changes in the nature and/or volume of transactions
  - Mergers, acquisitions, or other business combinations
  - Erroneous or incomplete accounting records
- The fee estimate is based on anticipated cooperation from your personnel and their assistance with timely preparation of confirmations and requested schedules. If the requested items are not available on the dates required or are not accurate, we will advise management. Additional time and costs may be necessary because of such unanticipated delays. Examples of situations that may cause our estimated fee to increase include:
  - Significant delays in responding to our requests for information such as reconciling variances or providing requested supporting documentation (e.g., invoices, contracts, and other documents)
  - Rescheduling our fieldwork
  - Identifying a significant number of proposed audit adjustments
  - Schedules prepared by your personnel that do not reconcile to the general ledger
  - Numerous revisions to information and schedules provided by your personnel
  - Restating financial statements for accounting errors in the prior year
  - Lack of availability of plan personnel during the mutually agreed-to audit schedule

Changes in accounting and audit standards

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the SOW increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

Agreement

We appreciate the opportunity to provide to you the services described in this SOW under the MSA and believe this SOW accurately summarizes the significant terms of our audit engagement. This SOW and the MSA constitute the entire agreement regarding these services and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA related to audit services. If you have any questions, please let us know. Please sign, date, and return this SOW to us to indicate your acknowledgment and understanding of, and agreement with, the arrangements for our audit of your financial statements including the terms of our engagement and the parties' respective responsibilities.

Sincerely,

CliftonLarsonAllen LLP
