Independent Auditors' Report

The Plan Administrator
Yount, Hyde & Barbour, P.C. Flexible Benefit Plan

Opinion

We have audited the accompanying financial statements of the Yount, Hyde & Barbour, P.C. Flexible Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (cash basis) of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

(a) General

The Plan was adopted on October 1, 1990, to provide health and welfare benefits for employees of Yount, Hyde & Barbour, P.C. (the "Plan Sponsor"). The Plan is a consolidated group benefits plan including nine components: medical and prescription benefits, dental benefits, vision, basic life insurance, voluntary life insurance, long-term disability insurance, short-term disability insurance, employee assistance program (EAP), and a flexible benefit plan including Flexible Spending Accounts (FSA) for healthcare and dependent daycare. Employees become eligible for the EAP, medical, dental, vision, and FSA upon hire; employees must complete six months of service to become eligible for the other benefits (participants). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligible employees may elect coverage for a legal spouse or qualifying dependent(s) pursuant to the terms of the individual insurance booklets. No spouse or dependent coverage is available for short-term or long-term disability.

During the years ended December 31, 2024 and 2023, the Plan was self-insured for medical and prescription benefits up to \$100,000 of claims annually per participant. The Plan has entered into a stop-loss insurance arrangement to limit its exposure for claims in excess of \$100,000 per participant for the years ended December 31, 2024 and 2023 (Note 3).

Yount, Hyde & Barbour, P.C. is the trustee of the Plan. Third party administrators process all claims for the Plan.

(b) Contributions

Insurance premiums, claims, and administrative expenses are funded by Plan Sponsor and participant contributions. Participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections, as determined by the Plan Sponsor. Contributions are made by the Plan Sponsor in amounts determined to be necessary to provide the benefits under the provisions of the Plan in excess of the participants' contributions.

As permitted under Section 125 of the Internal Revenue Code (IRC), the Plan Sponsor offers a cafeteria plan which allows participating employees to pay a designated amount of their plan contributions with pre-tax dollars.

FSA contributions and voluntary life premiums are funded solely through participant pre-tax contributions. The Plan Sponsor contributes 100% of the cost for life insurance, short-term and long-term disability insurance, and EAP premiums as well as Plan stop-loss insurance premiums.

Participants receiving benefits under COBRA pay the full cost for their coverage under the Plan.

(c) Administrative expenses

The Plan Sponsor pays for certain expenses on behalf of the Plan and are excluded from these financial statements. Additionally, the Plan Sponsor provides the Plan certain accounting and administrative services for which no fees are charged. Plan benefits are administered by third parties under the terms of administrative contracts, and fees for those services are included in administrative expenses.

(d) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan Sponsor shall have no obligation under the Plan beyond paying claims and expenses incurred up to the date of termination plus extended benefits, if any, as defined in the Plan. Termination of the Plan shall not permit the return or reversion to the Plan Sponsor of any part of the trust.

(2) Summary of significant accounting policies

(a) Basis of accounting

The Plan prepares its financial statements using the cash basis of accounting. Under this basis, additions to net assets are recognized when collected rather than when earned, and deductions from net assets are recognized when paid rather than when incurred. Consequently, certain income and expenses are recognized in different reporting periods than they would be if the financial statements were prepared in conformity with accounting principles generally accepted in the United States of America.

(b) Payment of benefits and insurance premiums

Benefits and insurance premiums are recorded when paid.

(c) Benefit obligations

Benefit obligations for incurred but not reported ("IBNR") medical claims are estimated by the Plan's management based on historical information. The liability is based on estimates and, while management believes that the estimated amount is reasonable, the ultimate liability may be in excess or less than the amounts disclosed.

(d) Use of estimates

The preparation of financial statements on the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of IBNR and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2024, and October 14, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Reinsurance

The Plan is insured for losses exceeding \$100,000 per covered individual per year, up to a limit of \$1,000,000. The Plan is also insured for aggregate claims paid in excess of the deductible, as defined in the stop-loss liability policy, and was reimbursed approximately \$799,000 and \$676,000 during 2024 and 2023, respectively. All other claims are paid from the assets of the Plan.

This reinsurance coverage does not relieve the Plan from its obligations to its participants. Failure of the reinsurer to honor its obligations could result in losses to the Plan. Accordingly, plan management has evaluated the financial condition of the Plan's reinsurer to minimize the Plan's losses that might result from reinsurer insolvency.

(4) Benefit obligations

A summary of the Plan's estimated benefit obligations as of December 31, 2024 and 2023, is as follows:

	<u>2024</u>	<u>2023</u>
Claims reported but unpaid	\$ 56,000	\$ 63,000
Claims incurred but not reported	<u>67,000</u>	<u>105,000</u>
Estimated benefit obligations at end of period	<u>\$ 123,000</u>	<u>\$ 168,000</u>

December 31, 2024 and 2023

A summary of the estimated changes in the Plan's estimated benefit obligations for the years ended December 31, 2024 and 2023, are as follows:

	<u>2024</u>	<u>2023</u>
Estimated benefit obligations at beginning of period	\$ 168,000	\$ 247,000
Benefit obligations incurred	1,863,000	1,806,000
Benefit obligations paid, net	<u>(1,908,000)</u>	<u>(1,885,000)</u>
Estimated benefit obligations at end of period	\$ <u>123,000</u>	\$ <u>168,000</u>

(5) Income tax status

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The trust established to hold the Plan's assets is a taxable trust. Plan management has determined that no tax will be due for the years ended December 31, 2024 and 2023.

(6) Risks and uncertainties

The Plan's estimated benefit obligation is reported based on certain historical information pertaining to actual claims paid and other assumptions, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

(7) Related party and party-in-interest transactions

As described in Note 1, the Plan paid certain administrative expenses and insurance premiums to various service providers, which qualify as party-in-interest transactions under ERISA.
