ManpowerGroup™

WIPFLI

Independent Auditor's Report

To the Plan Administrator
ManpowerGroup 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ManpowerGroup 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ManpowerGroup 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ManpowerGroup 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ManpowerGroup 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ManpowerGroup 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ManpowerGroup 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

WIPFLI

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of ManpowerGroup 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions. The Plan is covered by the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

General

The Plan is a defined contribution retirement plan sponsored by ManpowerGroup, Inc. (the Company or the Sponsor). Substantially all employees are eligible to participate in the Plan as soon as administratively practical after their date of hire.

The SECURE 2.0 Act of 2022 ("SECURE 2.0"), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. The plan has adopted the required minimum distribution at age 73 effective January 1, 2023, and is in the process of evaluating other voluntary provisions. The Plan is required to be amended in regard to other requirements of SECURE 2.0 by December 31, 2026.

Contributions

Participants are allowed to make contributions to the Plan not to exceed 50% of their eligible pre tax and after tax compensation, subject to certain limitations under the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Staff employees who are hired by the Company are automatically enrolled at 6% unless they elect otherwise. If automatically enrolled, the participant's contributions will be invested in a target date fund based on their birth date and the fund's target retirement date. Participants may contribute distributions from other qualified plans (rollovers).

The Company may make, at its sole discretion, a matching contribution. Matching contributions, if any, may vary in amount for each eligible class of employee. A full listing by eligible class of employee can be found in the summary plan description.

The Company may also make, at its sole discretion, discretionary contributions as determined by the Company's management. The discretionary contributions, if any, may vary in amount for each eligible class of employee. To be eligible for a discretionary contribution, a participant must be a staff employee and actively employed by the Company on the last day of the Plan year, unless employment is terminated due to death, permanent disability, or attainment of retirement age. Discretionary contributions were \$874,780 and \$915,886 for the years ended December 31, 2024 and 2023, respectively.

Investment Alternatives

Each participant is responsible for designating contributions among the available investment funds. Such designations may be changed at the participant's discretion. Contributions may be allocated to various mutual funds or common/collective trust funds.

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions, expenses, and Plan earnings (losses) thereon. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

The Plan provides for a lump-sum distribution of the participant's total vested account balance as a result of death, disability, retirement, or termination. Participants may receive Plan distributions at termination of employment, or if the vested balance in the account exceeds \$7,000, they may defer payment until any point prior to the date the participant reaches age 73. Participants with a vested account balance of \$1,000 or less will be paid a lump-sum distribution as soon as administratively feasible after termination of employment. If participants with a vested account balance between \$1,000 and \$7,000 have not elected a rollover into an eligible retirement plan or a cash distribution, the Plan Administrator will distribute the balance into an individual retirement account as designated by the Plan Administrator as soon as administratively feasible after termination of employment. Additionally, hardship distributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Vesting

Participants are immediately vested in their contributions plus earnings (losses) thereon. Vesting in Sponsor contributions is based on years of service, as defined by the Plan. Participants vest as follows:

<i>Years of Service</i>	<i>Vesting %</i>
Less than 1 year	0 %
1 but less than 2	33 %
2 but less than 3	66 %
3 or more	100 %

Upon death, retirement, or permanent disability, participants become 100% vested in all contributions.

Forfeitures

The Plan allows forfeitures to be used to reduce Company contributions or pay Plan expenses. For the years ended December 31, 2024 and 2023, forfeitures used to pay Plan expenses totaled \$329,064 and \$346,035, respectively. Forfeitures used to offset Company contributions totaled \$2,115,899 and \$6,168,025 for the years ended December 31, 2024 and 2023, respectively. Unallocated forfeitures as of December 31, 2024 and 2023 totaled \$2,851,476 and \$3,701,201, respectively.

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Administrative Expenses

The majority of administrative expenses incurred by the Plan are paid by the Plan. Expenses that are paid by the Sponsor are excluded from these financial statements.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates and are subject to change in the near term.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through October 9, 2025, which is the date the financial statements were available to be issued.

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used in Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at NAV of the units as provided by their issuer. The NAV is based on the fair value of the underlying investments held by the trusts less their liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Investments can be purchased and sold continuously. A notice of redemption is not required. The Plan has no obligation to buy additional units.

Stable value collective trust: A stable value fund that is comprised primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities' liquidations will be carried out in an orderly business manner. The collective trust has no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

<i>December 31, 2024</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 162,337,072	\$ -	\$ -	\$ 162,337,072
Investment assets measured at NAV (a)				524,372,053
Total investment assets at fair value				\$ 686,709,125

<i>December 31, 2023</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 152,960,501	\$ -	\$ -	\$ 152,960,501
Investment assets measured at NAV (a)				479,208,840
Total investment assets at fair value				\$ 632,169,341

(a) In accordance with GAAP, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amount presented in the tables above is intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

Note 4: Information Certified by Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024, and the related investment activity reported in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023.

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 6: Party-in-Interest Transactions

Transactions involving the investments managed by Fidelity Management Trust Company, and administrative expenses charged to the Plan, are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29CFR 408(b) of the ERISA regulations.

Note 7: Tax Status

The IRS has determined by a letter dated March 14, 2016, that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan Administrator believes the Plan is exempt from federal and state income taxes. Plan management evaluates uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on technical merits, to not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions and there are currently no audits in progress.

Note 8: Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could affect participants' account balances and the amounts reported in the financial statements.

Note 9: Transfer in from Sponsor Pension Plan

The Plan received \$16,648,422 from a qualified terminated pension plan sponsored by the Company on March 30, 2021. These funds were placed into the Plan's unallocated forfeiture account and will be used to reduce future Sponsor matching or discretionary contributions and/or administrative expenses. Funds used to reduce Sponsor matching contributions and administrative expenses during 2024 was \$917,162. Unallocated forfeitures remain as a result of this transfer as of December 31, 2024 and 2023, in the amount of \$2,624,341 and \$3,397,275, respectively.

Note 10: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	2024	2023
Net assets available for benefits per the financial statements	\$ 687,244,047	\$ 632,590,354

Net assets available for benefits per the Form 5500	\$ 686,110,445	\$ 631,345,603

ManpowerGroup 401(k) Savings Plan

Notes to Financial Statements

Note 10: Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the years ended December 31, 2024 and 2023 to Form 5500:

	2024	2023
Net change in net assets available for benefits per financial statements	\$ 54,653,693	\$ 79,183,698
Less: Stable value collective trust market adjustment	(111,149)	1,244,751
Net change in net assets available for benefits per Form 5500	\$ 54,764,842	\$ 77,938,947

Note 11: Prohibited Transactions

Under DOL Reg. 2510.3-102(b), the Company is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Company's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Company. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain contributions for payrolls during the plan year ended December 31, 2024, totaling \$12,153, were remitted outside the 15-day requirement and corrected in 2024. This transaction constitutes a prohibited transaction as defined by ERISA.
