## **Medical Network of Alaska, LLC 401(k) Profit Sharing Plan**

### Notes to Financial Statements

#### 1. DESCRIPTION OF THE PLAN

The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** Medical Network of Alaska, LLC 401(k) Profit Sharing Plan is a defined contribution plan covering substantially all employees of Medical Network of Alaska, Inc. (Sponsor) who have completed 1,000 hours of service within 12 months (generally six months of service) and are at least 21 years old. An eligible employee may begin participating in the plan upon reaching their entry date, generally defined as either January 1<sup>st</sup> or July 1<sup>st</sup> following the day the employee meets the eligibility requirements. The Plan consists of a 401(k) feature, employer safe harbor contributions and an employer profit-sharing contribution option. The 401(k) feature consists of a salary deferral. The Sponsor has made a commitment to making certain safe harbor matching contributions. The employer profit sharing contribution option allows the Sponsor to make discretionary profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan.

**Contributions:** Each year participants may contribute a portion of their pretax annual compensation, as defined by the plan, up to the annual limits set by the Internal Revenue Service (IRS). In addition, participants may elect to designate all or part of elective contributions as Roth 401(k) contributions, subject to IRS limitations. Participants aged 50 years or older are eligible to make catch-up contributions. Participants direct the investment of their contributions into various mutual fund and other investment options offered by the Plan. Participants may also contribute amounts representing distributions from certain individual retirement accounts (IRAs) and other qualified retirement plans (rollover contributions). The amount of any rollover contributions will be invested along with the other assets of the Plan but will be held for the participant in a special rollover account and will be at all times 100% vested.

In order to maintain "safe harbor" status, the Sponsor contributes a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 3% of the participant's compensation plus 50% of the participant's salary deferrals that are between 3% and 5% of the participant's compensation. For purposes of calculating the safe harbor matching contribution, the participant's compensation and deferrals will be determined on an annual basis. In addition, the Sponsor may elect to make a profit-sharing contribution to the Plan, which will be allocated among eligible participants based upon each participant's share of the total compensation paid during the Plan year to all eligible participants. The employer profit-sharing contributions are discretionary. No discretionary profit-sharing contributions were made for the years ended December 31, 2024 and 2023.

**Participant accounts:** Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are made as incurred and based on participant earnings or account balances or as an equal dollar amount, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon enrollment in the Plan, a participant may direct Sponsor and participant contributions into any of the Plan's investment options.

### 1. DESCRIPTION OF THE PLAN, Continued

**Vesting:** Participants are vested immediately in their deferral contributions and the employer safe harbor matching contributions plus actual earnings thereon. A participant's interest in the Sponsor discretionary profit-sharing contribution account fully vests when the participant (a) attains normal retirement age, as defined in the Plan document, (b) completes five years of service, (c) dies or (d) becomes disabled. Upon termination of a participant's employment for any other reason, the participant's interest in the Sponsor discretionary contribution account is vested in accordance with the following schedule:

<u>Completed Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

The nonvested portion of a participant account balance is subject to forfeiture. Forfeitures of terminated participants' nonvested accounts are used to pay plan expenses or reduce future Sponsor contributions. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$4,258 and \$4,438, respectively.

**Notes receivable from participants:** Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances from the Plan, reduced by the participant's highest outstanding loan balance in the previous 12 months. Participants' account balances secure such loans and participants are not allowed to have more than two open loans at any given time. Generally, loan terms may not exceed five years. Interest is accrued at a rate commensurate with the interest rate charged by entities in the business of lending money for loans made under similar circumstances and is set by those in governance. Principal and interest are repaid through periodic payroll deductions. Upon termination of employment for any reason, the outstanding principal balance of participant loans will be considered due. Notes receivable from participants are stated at their unpaid principal balance. Interest income is recorded on the accrual basis. Notes receivable from plan participants and the related interest income are considered to be party-in-interest transactions. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

**Administrative expenses:** For the years ended December 31, 2024 and 2023, the Sponsor paid some of the expenses related to administrative services for the Plan, the fees of the custodian, the fees of the third party administrator for preparing Form 5500 and other services, and audit and accounting fees. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### 1. DESCRIPTION OF THE PLAN, Continued

**Payment of benefits:** Upon attaining the age of 59 ½, death, disability or termination of employment, a participant, or his or her beneficiary, may elect to receive partial withdrawals or a lump-sum amount equal to the participant's vested account balance. Required distributions begin no later than the 1st of April following the later of the end of the year in which the participant reaches age 70 ½ or retire. Financial hardship withdrawals are permitted.

Upon termination of services, participants whose vested account balance is less than \$5,000 but greater than \$1,000 may elect, within a reasonable time period, to receive a lump-sum payment equal to the value of the participant's account balance. If this election is not timely made, the plan will transfer the participant's vested benefits to an Individual Retirement Account (IRA) established for the participant's benefit.

On termination of services, participants whose vested account balance is \$1,000 or less will receive a lump-sum payment equal to the value of the participant's vested account balance.

### 2. SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

**Use of estimates:** The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

## **Medical Network of Alaska, LLC 401(k) Profit Sharing Plan**

Notes to Financial Statements, Continued

### 2. SIGNIFICANT ACCOUNTING POLICIES, Continued

**Investment valuation and income recognition, continued:** Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets, including outside appraisals. Financial assets are considered Level 3 when their values are determined using pricing models, discounted cash flow methodologies or similar techniques and at least one significant model assumption or input is unobservable. Level 3 financial instruments also include those for which the determination of fair value requires significant judgment or estimation.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2024 and 2023. Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Changes in valuation techniques may result in transfers in or out of an investment's assigned level within the hierarchy. The inputs or methodology used for valuing investments are not necessarily an indication of the risk associated with investing in those investments.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Subsequent events:** The Plan evaluated subsequent events through October 14, 2025, the date these financial statements were available to be issued. No material events were identified that required adjustment or additional disclosure to these financial statements.

As of January 2, 2025, Fidelity Management Trust Company (Fidelity) became the trustee for the Plan, including Fidelity affiliates taking responsibility as the TPA, recordkeeper and custodian for the Plan. Certain funds were liquidated and the proceeds of the liquidation as well as participants' investment elections were transferred to the new funds offered. Assets transferred from the prior custodian to Fidelity on that date, totaled approximately \$6,460,000.

Effective January 2025, the Plan adopted a new plan document with Fidelity. Plan management believes the new plan document is comparable to the existing plan document during 2024.

### 3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by Plan management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company (CBTC), the custodian of the Plan.

### 4. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in various instruments offered by American Funds/Capital Group. CBTC is the custodian of the Plan. Capital Group Retirement Plan Services is the recordkeeper for the Plan. Pension Consultants Inc. is the third-party administrator (TPA) for the Plan. Great Valley Advisor Group, Inc. provides investment advisory services to the Plan. Transactions with these entities are considered party-in-interest transactions. Any transactions involving these investments are on the open market at fair value. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all Plan benefits previously earned by the participants and any unvested discretionary employer contributions would be 100% vested.

### 6. TAX STATUS

The Plan uses a pre-approved plan document sponsored by Pension Consultants, Inc. which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan was amended since receiving the opinion letter; however, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

### 7. FAIR VALUE HIERARCHY OF INVESTMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,397,487	-	-	6,397,487
Other	1,644	-	-	1,644
Total investments at fair value	<u>\$ 6,399,131</u>	<u>-</u>	<u>-</u>	<u>6,399,131</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,922,862	-	-	4,922,862
Other	178,894	-	-	178,894
Total investments at fair value	<u>\$ 5,101,756</u>	<u>-</u>	<u>-</u>	<u>5,101,756</u>

### 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### 9. NON-EXEMPT TRANSACTIONS

During the plan years ended December 31, 2024 and 2023, the Plan Sponsor had unintentional delays in remitting participant contributions of \$9,888 and \$2,665, respectively. Substantially all of the delayed contributions were remitted during 2024. Participants were reimbursed for lost investment income related to the 2024 plan year in the amount of \$76 during 2025. Participants were reimbursed for lost investment income related to the 2023 plan year in the amount of \$178 during 2024.

Independent Auditor's Report

Plan Trustees and ERISA Plan Administrator  
Medical Network of Alaska, LLC 401(k) Profit Sharing Plan  
Anchorage, Alaska

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements***

We have performed audits of the financial statements of Medical Network of Alaska, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Medical Network of Alaska, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Medical Network of Alaska, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Network of Alaska, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Medical Network of Alaska, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Network of Alaska, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 and schedules H, line 4a - schedule of delinquent participant contributions as of December 31, 2024 and 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
