Independent Auditors' Report

To Plan Administrator of David Zwirner Inc 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of the David Zwirner Inc 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and for the year then ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements (*continued*)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2024 Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV - Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2024 Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The financial statements of David Zwirner Inc 401(k) Profit Sharing Plan & Trust as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 10, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following brief description of David Zwirner Inc 401(k) Profit Sharing Plan & Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to all full-time eligible employees of David Zwirner Inc (the “Company”) and its affiliate, David Zwirner Gallery, LLC. The Plan is a participant-directed defined contribution plan as described in Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC. The Plan became effective January 1, 2010 and was amended and restated on March 19, 2024.

Under the IRC, participants are not liable for federal income taxes on pre-tax employee contributions, Company contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan.

Assets Held for Investment

Effective March 21, 2024, all Plan assets were transferred from Mid Atlantic Trust Company (“Mid Atlantic”) to John Hancock Trust Company LLC (“John Hancock”). An individual, David Zwirner, the Company’s owner, serves as the Plan’s trustee. The Company acts as the administrator of the Plan.

Eligibility

All full-time employees of the Company are eligible for Plan participation and may enter the Plan provided that they are over 21 years of age and have completed six months of service or 500 hours of service. Certain nonresident aliens, seasonal employees and employees covered by a collective bargaining agreement are not eligible to participate in the Plan.

An employee who has satisfied the eligibility requirements may enter the Plan at the beginning of each quarter, following the date which he or she satisfies such eligibility requirements.

Contributions

Eligible employees may contribute up to a percentage of their pre-tax compensation as defined under the Plan agreement including Roth elective deferrals, as applicable, up to the annual limit determined by the IRC. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

1. Description of Plan (*continued*)

Contributions (*continued*)

The Company contributes a safe harbor non-elective contribution of 3% of base compensation for all eligible participants. The Company may also make a profit-sharing contribution based on a discretionary formula to be determined annually for all eligible participants. The Company may also make discretionary non-elective contributions, as determined by the Company's Board of Directors. In 2024, the Company made a safe harbor non-elective contribution of \$984,216 and a profit-sharing contribution of \$944,404, totaling \$1,928,620. After applying \$244,655 from the forfeited non-vested accounts, the receivable at December 31, 2024 amounts to \$1,683,965.

Participant Accounts

A separate account is maintained for each participant, which is credited with the participant's contribution and allocations of Employer contributions and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit to how often a participant may change their investment options.

Vesting

Upon entrance into the Plan, participants are 100 percent vested in their voluntary contributions. The matching and nonelective contributions vest as follows:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2 year	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

1. Description of Plan (*continued*)

Forfeitures

Forfeitures of terminated participants' non-vested accounts serve to reduce Company contributions or Plan expenses. At December 31, 2024 and 2023, forfeited non-vested accounts amounted to \$157,305 and \$6,366, respectively. During the year ended December 31, 2024, the Company elected to use \$244,655 of the forfeited non-vested accounts to reduce its contributions, as allowed by the Plan.

Payment of Benefits

Benefits are paid upon retirement, death, disability, or termination of employment. Upon termination of service, a participant who is not 100% vested will receive a distribution of the vested portion of his or her account balance. The non-vested portion of their account will be forfeited when the distribution is made. Participants who terminate employment and are 0% vested must take a distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A participant may apply to the Plan Administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Company's medical programs, expenses for the purchase of a principal residence or material alterations thereto, payments to prevent eviction from or foreclosure on a principal residence or burial or funeral expenses for the participant's parent, spouse, children or dependents.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 95% of one-half of their vested account balance or 95% of their total vested account balance, excluding the after-tax vested balance. Under no event can the note amount exceed \$50,000. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination. Principal and interest is paid ratably through monthly payroll deductions over a period of time not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan Administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection. Delinquent participant loans are classified as distributions based upon the terms of the Plan document.

1. Description of Plan (*continued*)

Plan Termination

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time, subject to the provisions set forth in ERISA. In the event of Plan termination, all amounts credited to participant accounts shall become fully vested and non-forfeitable. Accordingly, assets will be distributed to the participants and beneficiaries in proportion to their respective account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting, which recognizes revenue when it is earned and expenses as they are incurred.

Use of Estimates

In conformity with US GAAP, the Plan's management makes estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent net assets available for benefits at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the period. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold during the year as well those held at the end of the year.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition (continued)

The mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price.

The common/collective trusts are valued at NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pursuant to US GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy. The investment valued using NAV had no unfunded commitments at December 31, 2024 and 2023.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are classified as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

With the exception of the Plan's recordkeeping fees expenses related to the notes receivable from participants (setup and maintenance fees) which are charged to the individual participant's account, all other administrative expenses incurred by the Plan are paid by the Company.

Expenses relating to investment management are paid directly by the respective investment vehicle and are included in net appreciation in fair value of investments.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in value of investments, dividend income, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock and Mid Atlantic, qualified institutions.

4. Investments

The following are the classes and major categories of the Plan's investments at December 31, 2024 and 2023 grouped by the fair value hierarchy:

<u>Description</u>	<u>Level 1</u>	<u>Other Investments Measured at NAV *</u>	<u>Total</u>
<u>December 31, 2024</u>			
Mutual funds	\$ 34,133,201	\$ -	\$ 34,133,201
Common/collective trust	-	279,938	279,938
Total Investments	<u>\$ 34,133,201</u>	<u>\$ 279,938</u>	<u>\$ 34,413,139</u>
<u>December 31, 2023</u>			
Mutual funds	\$ 26,567,615	\$ -	\$ 26,567,615
Common/collective trust	-	252,698	252,698
Total Investments	<u>\$ 26,567,615</u>	<u>\$ 252,698</u>	<u>\$ 26,820,313</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

The Plan offers common/collective trust called Metlife Stable Value Series. The unit value of this investment is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investment are not distributed to participants but are reflected in the unit value.

5. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer, John Hancock, dated June 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

David Zwirner Inc 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements
December 31, 2024

5. Tax Status (*continued*)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examination by taxing jurisdictions for periods since 2021; however, there are currently no examinations for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Party-in-Interest Transactions

ERISA considers the recordkeeping fees and participant loan expenses paid to John Hancock to be exempt party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Company, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

8. Prohibited Transactions

During the 2024 Plan year, the Company failed to transmit to the Plan participant contributions and participant loan repayments totaling \$234,223 within the period described by Department of Labor regulations. Delays in remitting these amounts to the Plan were due to an administrative oversight. The Company is in the process of calculating and remitting lost earnings.

9. Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is October 14, 2025 and has determined that there were no subsequent events or transactions which would require recognition or disclosure in the financial statements.
