Independent Auditors' Report

The Board of Trustees
Great Bay Distributors, Inc. Self-Funded Employee Benefit Plan:

Opinion

We have audited the accompanying financial statements of Great Bay Distributors, Inc. Self-Funded Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) of Great Bay Distributors, Inc. Self-Funded Employee Benefit Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits (modified cash basis) for the year ended December 31, 2024, in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(1) Plan Description and Summary of Significant Accounting Policies

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan provides health, life, and dental benefits covering substantially all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's Claims Administrator is Aetna. The Plan's third-party administrator is Boon Chapman.

(b) Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Additions have been recognized when received rather than when earned, and deductions have been reported when paid rather than when incurred.

The principal effects of using the modified cash basis of accounting for the preparation of the Great Bay Distributors, Inc. (the "Sponsor") Self-Funded Employee Benefit Plan's (the "Plan") financial statements are the omission of (1) obligations associated with participant claims and benefits incurred and reported, but not paid, as well as incurred, but not reported, and (2) the potential contribution receivable from the Plan's sponsor, Great Bay Distributors, Inc. (the "Company"), for incurred expenses that will be funded by the Company. These items and their related amounts potentially would have been included in the financial statements if the financial statements had been prepared in conformity with accounting principles generally accepted in the United States of America.

As of December 31, 2023, the Plan reported a receivable for amounts owed to the Plan, by the Sponsor, for insurance reimbursements (see Note 1(f)). No receivables were owed to the Plan as of December 31, 2024. Amounts owed to the Plan as of December 31, 2023 were funded during the year ended December 31, 2024.

(b) Basis of Accounting - Continued

The estimated liabilities for claims payable and incurred, but not reported, were \$857,628 and \$409,112 as of December 31, 2024 and 2023, respectively. This amount has been estimated based on claims payment records and experience. The following tables show the claims activity for the year ended December 31, 2024:

Claims payable and incurred, but not reported, at December 31, 2023	\$ 409,112
Benefits earned during year ended December 31, 2024	3,747,015
Benefits paid during year ended December 31, 2024	(2,989,938)
Estimated stop loss reimbursement	<u>(308,561)</u>
Claims payable and incurred, but not reported, at December 31, 2024	\$ <u>857,628</u>

All employees are allowed to extend benefits after termination of employment through COBRA.

(c) Use of Estimates

The preparation of financial statements requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

(d) Benefits

The Plan provides benefits (hospital, surgical, major medical, and pharmacy) covering full-time employees of the Company working over 30 hours per week. The Plan also offers dependent coverage premium payments on a contributory basis. The administration of Plan benefits is performed by Boon-Chapman.

(e) Contributions

The Company makes periodic contributions to the Plan to ensure there are sufficient funds to meet all current disbursements required under the Plan. An employee may contribute specified amounts, determined periodically by the plan administrator, to extend coverage to eligible dependents of the employee. Any deficit in Plan net assets is funded by the Company as needed by the Plan.

(f) Insurance

The Plan has entered into a reinsurance contract for reimbursement of benefit claims paid which exceed specified annual maximum amounts. During 2024 and 2023, the Plan received insurance reimbursements that reduced the benefits paid during the year of approximately \$1,656,000 and \$246,000, respectively.

(1) Plan Description and Summary of Significant Accounting Policies - Continued

(g) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscretionary manner towards the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan participants.

(h) Administrative Expenses

The Company absorbs all administrative and fixed costs relating to Plan operations. Expenses incurred which directly relate to claims incurred are included within participant benefits in the accompany statement of changes in net assets available for benefits.

(2) Income Tax Status

The Plan has not received an exemption letter from the Internal Revenue Service; however, the plan administrator believes the Plan being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator and the Plan's tax counsel have analyzed the tax positions taken by the Plan and have concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax period in progress.

(3) Subsequent Events

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through October 14, 2025, the date the financial statements were available to be issued.
