## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the  
Greenway Ford 401(k) Audit

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Greenway Ford 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedules for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**In our opinion**

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**GREENWAY FORD 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE A - DESCRIPTION OF PLAN**

The following description of the Greenway Ford 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees of Greenway Ford, Inc. and participating employers that have adopted the plan provisions (the "Company"). The basic plan entry requirements include completion of 60 days of service and an age requirement of at least 19 years of age. Eligible employees are automatically enrolled in the plan on the first day of the month after meeting eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On December 29, 2022, the Secure 2.0 Act of 2022 (SECURE 2.0 Act) was signed into law. The act introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. Each of the provisions have its own effective dates ranging from the date of enactment to 2028 and beyond. In 2023, the Plan began implementing certain provisions of SECURE 2.0 Act, as approved by the Plan Administrator. The Plan will incorporate changes in its plan document to the extent required by the SECURE 2.0 Act. In 2024, the Plan required catch-up contributions to be Roth contributions and increased the mandatory distribution for \$5,000 to \$7,000 to be in line with SECURE 2.0 Act requirements.

**Contributions**

Participants may contribute a percentage of their compensation to the Plan on a pre-tax basis through elective salary deferrals; however, annual contributions may not exceed the maximum allowed under the Internal Revenue Code in any calendar year. Participants of qualifying age may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations. The Plan contains an automatic enrollment feature in which eligible employees are automatically enrolled to defer 3% of pay, unless they complete an elective deferral agreement specifically opting out or electing to defer at a different percentage.

A discretionary contribution may be made for each plan year in an amount determined by the plan sponsor and allocated as of the last day of the plan year using an annual pay allocation formula. There was no discretionary contribution for 2024.

**Investment Options**

The Plan is invested in a common collective trust fund, stable value fund, pooled separate accounts, and mutual funds. The underlying investments are primarily stocks, bonds, and mutual funds.

Participants are permitted to direct the plan administrators as to respective percentages of their account balances to be invested. They are also permitted to change those percentages; and to direct the plan administrators to transfer a percentage of their accounts invested in the various accounts in accordance with guidelines established by the Plan. These balances can come from elective deferral contributions, participant and rollover contributions, and other contributions.

**GREENWAY FORD 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE A - DESCRIPTION OF PLAN (Continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's matching contribution, and allocations of Plan earnings or losses. The participant accounts are also charged with a portion of the administrative expenses of the Plan. Allocations are based on account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their elective deferred contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 0% vested until two years of service is completed and then participants are 100% vested.

**Forfeitures**

Any non-vested portion of the Company's matching contribution that a participant has lost the right to is called a forfeiture. These amounts should first be used to pay plan administrative expenses where any excess amounts should then be used to restore previously forfeited account balances of participants who have been rehired and any additional excess amounts after that will be used to reduce Company matching contributions. During 2024, forfeiture of \$61,910 were added to the account, and forfeitures of \$38,328 were used towards administrative expenses. \$925 of gain were recorded on unused forfeiture funds. At December 31, 2024 and 2023, the unused forfeitures account balance was \$33,719 and \$9,212, respectively.

**Notes Receivable from Participants**

The Plan allows participants to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years unless the proceeds are used to acquire a principal residence. The loans are secured by the vested balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. At December 31, 2024, outstanding loans bore interest rates of between 3.25% and 9.50%. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

**Payment of Benefits**

On termination of service due to retirement, attainment of age 59 ½, termination of employment, death, or disability, the participant's account may be distributed to the participant or beneficiary (in the event of the participant's death) through the payment of installments over a fixed period of time or in payment of a lump sum. Also, under certain hardship circumstances, a participant may withdraw a portion of the amounts credited to their account. Benefits are recorded when paid.

**GREENWAY FORD 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE A - DESCRIPTION OF PLAN (Continued)**

**Administrative Expenses**

The administrative expenses of the plan are paid for in part by the Plan through charges to the participant accounts and in part by the plan sponsor directly. For the year ended December 31, 2024 plan expenses charged to participant accounts were \$225,634. Net investment related expenses are included in net appreciation in fair value of investments.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts which is 100% of contract value.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts, changes therein, and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The investment assets are reported by the custodian at their fair market value and are valued daily using publicly available quoted market prices. The change in market value from year to year is reported as unrealized gains and losses. The Plan does not share in the realized gains of the investments, just in the change in market value. In addition, certain investment assets generate interest and dividend income for the Plan. See Note E for discussion of fair value measurements.

**NOTE C - UNAUDITED INFORMATION CERTIFIED BY CUSTODIANS**

The Trustees hold the Plan's investment assets and have certified that all information pertaining to investments included in the financial statements is complete and accurate. This investment information has not been audited by the independent auditors.

**GREENWAY FORD 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE C - UNAUDITED INFORMATION CERTIFIED BY CUSTODIANS (Continued)**

The accompanying financial statements include the following unaudited information as of December 31, 2024 and 2023 and for the year ended December 31, 2024 that was obtained from data prepared and certified to be complete and accurate by the Plan's custodians:

	<u>2024</u>	<u>2023</u>
Investments	\$ 40,938,011	\$ 36,611,448
Net appreciation in fair value of investments	\$ 3,523,993	
Interest and dividends	\$ 1,558,830	

Investment balances and information is included in supplemental Schedule H.

**NOTE D - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

**NOTE E - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board ("FASB") *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**GREENWAY FORD 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

---

**NOTE E - FAIR VALUE MEASUREMENTS (Continued)**

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Common Collective Trust*

This investment is a collective investment trust for which the NAV is based on the market value of its underlying investment. The fund contains synthetic investment contracts comprised of both underlying investments and contractual components. Due to the various unique investments that may be allowed in a collective trust fund the trust is classified as net asset value practical expedient ("NAVPE").

*Stable Value Fund*

This investment is a stable value fund contract consisting of a flexible investment annuity reported at NAV. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The fund contains synthetic investment contracts comprised of both underlying investments and contractual components. Due to the various unique investments that may be allowed in a stable value fund the trust is classified as net asset value practical expedient ("NAVPE").

*Mutual Funds*

The mutual funds are actively traded with publicly quoted pricing inputs. The Net Asset Values ("NAV") of the funds are available in an observable market and are classified within Level 1 of the valuation hierarchy.

*Pooled Separate Accounts*

These separate accounts invest mainly in stocks, mutual funds, and fixed securities. Although some of the underlying investments may have Level 2 pricing inputs, the net asset value of the pooled separate accounts are publicly quoted and accordingly these investments are classified within Level 1 of the valuation hierarchy.

**NOTE F - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

**GREENWAY FORD 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

**NOTE G - TAX STATUS**

The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan is relying on the IRS approval of the standardized prototype plan that it is utilizing. The IRS has determined and informed the custodians by an opinion letter dated November 14, 2022 that the prototype plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

The Plan has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2024. The 2021, 2022, and 2023 tax years remain subject to examination by major tax jurisdictions.

**NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

**NOTE I - EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Principal, Principal Trust Company, Empower Trust Company, LLC and Empower Annuity Insurance Company of America. They are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were \$225,634 for the year ended December 31, 2024.

**NOTE J – DELINQUENT PARTICIPANT CONTRIBUTIONS**

In 2024, the Company determined that certain employee deferrals aggregating \$3,037 had not been remitted to the Plan in a timely manner, according to Department of Labor (“DOL”) Regulation 2510.3-102 and they fell outside the normal processing time the company allows.

**NOTE K - SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 14, 2025, the date that the financial statements were available to be issued.
