INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Committee, and Plan Administrator
Citi Trends, Inc. 401(k) Profit Sharing Plan
Savannah, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Citi Trends, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CITI TRENDS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Citi Trends, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on April 13, 1999, is maintained by Citi Trends, Inc. (the Company or Sponsor) for the benefit of its eligible employees. The Plan is a defined contribution plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Fidelity Management Trust Company (Fidelity) serves as the trustee and custodian for the Plan. An affiliated company of the trustee provides recordkeeping services for the Plan.

Eligibility

All active employees of the Company, excluding residents of Puerto Rico, leased employees and employees covered by a collective bargaining agreement, who have completed 1 month of service (6 months of service, prior to August 30, 2024), as defined by the Plan, and are at least 18 years old (21 years of age, prior to August 30, 2024), are eligible to participate in the Plan. Participants become eligible to participate on the first Plan entry date (first day of each month) following completion of the eligibility requirements.

Contributions

Eligible employees may elect to contribute, on a pretax basis, up to 90% of their eligible compensation to the Plan, not to exceed the limit under the IRC. In addition, eligible participants are permitted to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may provide a discretionary matching contribution. For the 2024 and 2023 Plan years, the discretionary matching contribution was equal to 50% of the participant's contribution up to 4% of annual compensation. Contributions are invested in various investment options, mutual funds and a money market fund, at the direction of the participants. The Company's discretionary matching contributions are in the form of cash and are invested at the direction of the participants. Investment options include a money market fund and mutual funds.

In addition, the Company, at its discretion, may elect to make nonelective contributions to the Plan. Participants must be employed on the last day of the Plan year to be eligible for any nonelective contributions made for that Plan year. Nonelective contributions, if any, will be allocated to eligible participants in the ratio that each eligible participant's eligible compensation bears to the total eligible compensation paid to all eligible participants for the Plan year. Nonelective contributions will be invested at the direction of participants. No nonelective contributions were made in 2024.

Vesting

Participants are always 100% vested in their contributions, rollover contributions, and qualified nonelective contributions. The Plan was amended on August 30, 2024, and the vesting schedule was changed from a 4 year schedule to a 3 year schedule, effective on August 30, 2024. Discretionary employer matching contributions and discretionary employer nonelective contributions (and the earnings thereon) are vested in accordance with the following schedules:

Vesting Schedule before August 30, 2024		Vesting Schedule as of August 30, 2024	
Years of Service	Vested Percentage	Years of Service	Vested Percentage
Less than 1	0%	Less than 1	0%
1	25%	1	33%
2	50%	2	66%
3	75%	3 or more	100%
4 or more	100%

NOTE 1. DESCRIPTION OF THE PLAN, continued

Participant Accounts

Individual accounts are maintained for each participant's share of the Plan's investment results, the Company's discretionary matching contributions and discretionary nonelective contributions, and the participant's contribution. Allocations of Plan investment results are based on participant investment elections, as defined by the Plan document.

Notes Receivable from Participants

A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by the participant's account balance and bear interest at a reasonable rate of interest as determined by the trustee based on prevailing interest rates charged for similar loans in the loan market. Repayments of the loans are made in substantially equal payroll deductions amortized over the life of the loan. The loan must be repaid within five years unless the loan is used to purchase a primary residence, in which case the repayment period may not extend beyond ten years from the date of the loan. The principal amount of the loan, together with all accrued interest, shall immediately become due when the participant is no longer employed by the Company. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Forfeitures

Forfeited account balances are utilized to reduce future Company contributions or pay Plan fees. There were forfeitures of \$639 and \$4,694 at December 31, 2024 and 2023, respectively. In 2024, \$4,055 of forfeited non-vested amounts were used to pay Plan fees or reduce Company contributions as allowed per the Plan document.

Benefit Payments

A participant becomes eligible for benefits at the normal retirement date (age 60), at early retirement date (age 55), upon termination from the Company, or at the date the participant dies or becomes disabled. In addition, a participant is eligible to receive distributions without termination of employment upon attainment of age 59½ without penalty. A participant may elect to receive the benefits either as a lump-sum distribution, installment payments over a specified period of time, or a direct roll-over distribution. In-service hardship withdrawals are permitted by the Plan.

Administrative Expenses

All expenses of the Plan are paid by the Company, with the exception of investment manager fees and individual loan maintenance fees which are allocated as necessary to each participant's account.

Plan Termination

Although the Company has not expressed any intent to terminate the Plan, the Company has the right to amend, modify or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, all participant accounts will become 100% vested. These accounts, which are non-forfeitable, will continue to accrue investment earnings until benefits are paid to the participants in accordance with the terms of the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Investment Valuation and Income Recognition

Investments are stated at fair value. The shares of mutual funds are valued at quoted market prices in an active market, which represent the net asset values of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. The notes receivable from participants were \$724,481 and \$856,617 at December 31, 2024 and 2023, respectively, and had interest rates ranging from 4.25%-9.50%.

Subsequent Events

Subsequent events have been evaluated for potential recognition and/or disclosure through October 14, 2025. This represents the date the financial statements were available to be issued.

NOTE 3. CERTIFICATION OF ASSETS AND INCOME

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company (Fidelity), the trustee and custodian of the Plan, for the years ended December 31, 2024 and 2023, respectively, as complete and accurate to the best of their knowledge, except for comparing such information certified by the trustee custodian to information included in the Plan's financial statements and supplemental schedule.

- a) Fidelity has certified that the following data included in the accompanying financial statements and supplementary schedule is complete and accurate as of December 31:

	2024	2023
Mutual funds, at fair value	\$ 17,616,240	\$ 15,020,606
Money market fund, at fair value	594,557	911,819
Notes receivable from participants	724,481	856,617
	\$ 18,935,278	\$ 16,789,042

- b) Income certified by Fidelity for the year ended December 31, 2024:

	Net Appreciation in Fair Value	Dividend and Interest Income
Mutual funds, at fair value	\$ 1,375,759	\$ 590,939
Money market fund, at fair value	-	39,974
Notes receivable from participants	-	59,267

NOTE 4. FAIR VALUE MEASUREMENTS

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value are described as follows:

Basis of Fair Value Measurement

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered investment companies. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at closing price reported in the active market in which the individual security is traded.

The following table set forth by level, within the fair value hierarchy, the trust investment assets at fair value, as of December 31, 2024 and 2023. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,616,240	\$ -	\$ -	\$ 17,616,240

NOTE 4. FAIR VALUE MEASUREMENTS, continued

Changes in fair value levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE 5. TAX STATUS

The Plan is a non-standardized preapproved profit sharing plan sponsored by Fidelity which obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as designed, was in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan was amended and restated effective February 5, 2021; however, there were minimal and insignificant changes and the Plan Administrator believes the Plan is still in compliance with the applicable IRC requirements. The Plan was again amended and restated effective February 5, 2024. See Note 10 for subsequent amendments.

FASB requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the year ending December 31, 2024, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the federal, state, or local tax authorities for years before 2021.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments consisting of a money market fund and certain shares of mutual funds are managed by Fidelity. Fidelity is the trustee and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Direct compensation paid to Fidelity or its affiliates amounted to \$36,591 for the year ended December 31, 2024. During the year ended December 31, 2024, Fidelity and/or its affiliates may have received indirect compensation as stated per service agreements.

Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 7. EXCESS CONTRIBUTIONS REFUNDABLE

Excess contributions refundable represents amounts owed to participants who made excess contributions based on compliance testing performed by Fidelity. The excess contributions refundable balance as of December 31, 2024 and 2023 were returned by the Plan to participants before March 15, 2023 and 2024, respectively.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
