## INDEPENDENT AUDITOR'S REPORT

To the Plan Participants and Plan Administrator of  
**Unisyn Precision Components Retirement Plan:**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the accompanying financial statements of **Unisyn Precision Components Retirement Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our

other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2024 and 2023

### Note A – Description of Plan

The following description of Unisyn Precision Components Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all eligible employees of UPC Holdings III Corp. and its participating employers (the “Company” or “Employer”). The Plan was formed and adopted on December 31, 1951 and last restated effective January 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

All employees are immediately eligible to participate and enter the Plan on the first day of each calendar month.

Effective January 1, 2024, nonresident aliens who do not receive any earned income from the Employer with constitutes United States source income and interns, seasonal workers, 1099 contractors or any other temporary workers are excluded from participating in the Plan.

#### Administration of the Plan

The accounting records are maintained by the Company. The Plan’s assets for the year were held and managed by Fidelity Management Trust Company (the “Custodian”). Contributions are held by the Custodian, who invests cash received, interest and dividend income, as directed by the participant, and makes distributions to participants.

#### Contributions

Under the terms of the Plan, there is an auto-enrollment provision or Qualified Automatic Contribution Arrangement (QACA) whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan those who have in effect a salary reduction agreement on QACA date. Automatically enrolled participants have their deferral rate for all eligible employees at an automatic deferral of 3% of compensation, increasing by 1% each year up to a maximum of 6%. Participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) annual limits. The maximum participant deferral for the year ended December 31, 2024 was \$23,000. A participant who has attained the age of 50 may also make catch up contributions, subject to Internal Revenue Service, (“IRS”) limitations of \$7,500 for the year ended December 31, 2024. The Plan also allows participants to contribute amounts representing distributions from other qualified retirement plans as well as make Roth contributions.

Under the terms of the Plan, the Company makes safe harbor matching contributions equal to 100% of the first 6% of compensation. Each year, the Company may also elect to make a discretionary matching contribution to the Plan in an amount not to exceed 6% of compensation. The Company may also elect to make a discretionary profit sharing contribution to the Plan. Participants must be employed on the last day of the Plan year to be eligible to receive a discretionary Company profit sharing contribution. For the year ended December 31, 2024, the Company did not make any discretionary profit sharing contributions.

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

#### Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Company’s contributions, if applicable. Each participant’s account shall be allocated earnings, gains, expenses, and losses with respect to the investments of the participant’s account. Allocations of Plan earnings or losses are based on each participant’s investment fund balance in proportion to the total investment fund balance.

### Note A – Description of Plan (continued)

#### Vesting

Participants are immediately vested in their voluntary contributions, as well as any rollover contributions, plus actual earnings thereon. Participants are also immediately vested in safe harbor contributions. Vesting in Company contributions is based on years of service. A participant is fully vested in Company QACA after no more than 2 years of service as follows:

<b>Years of Services</b>	<b>Vesting Percentage</b>
Less than 2	0%
2	100%

A participant is fully vested in any discretionary Company matching and profit sharing contributions after 6 years of credited service as follows:

<b>Years of Services</b>	<b>Vesting Percentage</b>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant who reaches normal retirement age 65, becomes totally disabled, or dies, whichever comes first while under the Company's employment, shall be 100% vested on such date.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate of interest as determined quarterly by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate shall remain fixed throughout the duration of the loan. The maximum note repayment period is five year unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five year. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made. No more than two loans may be outstanding at a time for a participant.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon terms of the Plan document. Loans are considered in default as of the end of the quarter subsequent to the quarter in which the payment was due.

### Note A – Description of Plan (continued)

#### Distribution of Benefits

In the event of termination of service, death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals or an annuity, as defined in the Plan agreement, less any applicable taxes. If a participant's vested balance is \$7,000 or less, the Company may distribute the entire vested account balance to the participant without their consent. Participants may also request in-service distributions upon completion of 15 years of service. Benefits may be received when a participant demonstrates a situation of financial hardship as defined by the IRC.

#### Forfeitures

Non-vested benefits of terminated participants are forfeited on the date the participant receives a complete distribution of vested benefits. Forfeitures are used to reduce Plan administration expenses and Company contributions. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled approximately \$3,000 and \$2,000, respectively. During the year ended December 31, 2024, the Company did not use any forfeitures to reduce Plan expenses and Company contributions.

#### Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan terminates, the net assets will be allocated to the participants and beneficiaries based on the balance of each participant's account subject to adjustments for gains or losses incurred or accrued as of the termination date.

### Note B – Summary of Significant Accounting Policies

#### Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

#### Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes in net assets available for benefits and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

#### Valuation of Investments

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

#### Payment of Benefits

Benefits are recorded when paid.

#### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### Note B – Summary of Significant Accounting Policies (continued)

#### Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- |                |  |
|----------------|--|
| <i>Level 1</i> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.  |
| <i>Level 2</i> | Inputs to the valuation methodology include:<br>Quoted prices for similar assets or liabilities in active markets;<br>Quoted prices for identical or similar assets or liabilities in inactive markets;<br>Inputs other than quoted prices that are observable for the asset or liability;<br>Inputs that are derived principally from or corroborated by observable market data by correlation or other means.<br>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| <i>Level 3</i> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.  |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Money market account:* Valued at cost plus accrued interest which represents fair value. Funds held in this account are FDIC-insured up to \$250,000 per participant.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trusts:* Valued at NAV provided by the Custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2024 and 2023. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

### Note B – Summary of Significant Accounting Policies (continued)

#### Fair Value Measurements (continued)

*Self-directed investments:* Consist of common stock and exchange traded funds. Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Fair Value Measurements at Reporting Date Using:</u>	
	<u>Assets Measured at Fair Value at 12/31/2024</u>	<u>Quoted Prices in Active Markets (Level 1)</u>
Money market accounts	\$ 165,412	\$ 165,412
Self-directed investments	804,418	804,418
Mutual funds	11,484,766	11,484,766
Total assets in the fair value hierarchy	12,454,596	12,454,596
Investments measured at net asset value	286,561	
Investments, at fair value	\$ 12,741,157	

  

	<u>Fair Value Measurements at Reporting Date Using:</u>	
	<u>Assets Measured at Fair Value at 12/31/2023</u>	<u>Quoted Prices in Active Markets (Level 1)</u>
Money market accounts	\$ 15,426	\$ 15,426
Self-directed investments	2,365,768	2,365,768
Mutual funds	9,202,675	9,202,675
Total assets in the fair value hierarchy	11,583,869	11,583,869
Investments measured at net asset value	46,771	
Investments, at fair value	\$ 11,630,640	

Investments measured using the NAV as a practical expedient are exempt from being presented in the fair value hierarchy.

## Notes to Financial Statements

December 31, 2024 and 2023

---

### Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution. As of December 31, 2024 and 2023, and for the year ended December 31, 2024, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### Note D – Income Tax Status

The Plan has received a determination letter from the IRS dated June 30, 2020 for its underlying volume submitter profit sharing plan stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended and the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2021.

### Note E – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Note F – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or participants of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments are managed by the Custodian. Transactions related to these investments qualify as party-in-interest transactions. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$50,000 during the year ended December 31, 2024.

### Note G – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>

### Note H – Subsequent Events

Effective February 20, 2025, the Plan was amended to include a Participating Employers Addendum. As a result, the following related entities became participating employers under the Plan:

- Global Precision Products, LLC
- MK Services Corp.
- Slabe Machine Products Company
- Will-Mor Manufacturing, LLC
- Xactra Technologies, Inc.

Subsequently, on May 1, 2025, an amended Adoption Agreement was executed. The amended agreement includes the merged-in plan Will-Mor Manufacturing, LLC 401(k) Profit Sharing Plan.

Subsequent events have been evaluated through **October 14**, 2025, which is the date the financial statements were available to be issued.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of Unisyn Precision Components Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 14, 2025, the following representations made to you during your audit.

**Financial Statements**

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated April 2, 2025, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- 3) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 5) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 6) We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
  - 1) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
  - 2) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
  - 3) The certification meets the 29 CFR 2520.103-5 requirements.
  - 4) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
- 7) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 8) Related-party relationships, if any, and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
- 9) We have obtained the SOC 1 reports from the custodian of the Plan's assets and payroll provider. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2024.
- 10) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 11) We are in agreement with the adjusting journal entries you have proposed, if any, and they have been posted to the Plan's accounts.
- 12) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 13) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
- 14) Significant estimates and material concentrations have been properly disclosed in accordance with U.S. GAAP.
- 15) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 16) Guarantees, if any, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
- 17) The supplemental schedule or financial statements disclose the following, if any:
  - a) All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations thereunder.
  - b) Investments or loans in default or considered to be uncollectible.
  - c) Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

#### **Information Provided**

- 18) We have provided you with:
  - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.

- b) Additional information that you have requested from us for the purpose of the audit.
  - c) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
  - d) Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
- 19) All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 20) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 21) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
- a) Management,
  - b) Employees who have significant roles in internal control, or
  - c) Others where the fraud could have a material effect on the financial statements.
- 22) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 23) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- 24) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 25) We have disclosed to you the identity of the Plan's related parties, if any, and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
- 26) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- 27) We have no—
- a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
  - b) Intentions to terminate the Plan.
- 28) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 29) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, if any, are included in Note B – Fair Value Measurements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 30) All required amendments to and filings of the Plan documents with the appropriate agencies have been made. This includes reviewing the mandatory and voluntary amendments available to the Plan under the SECURE 2.0 Act of 2022.
- 31) All required filings of the Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

- 32) The Plan (and the Trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and Trust). The Plan sponsor has operated the Plan (and Trust) in a manner that did not jeopardize this tax status.
- 33) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 34) The Plan has complied with the fidelity bonding requirements of ERISA.
- 35) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 36) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 37) We have determined that the Plan's investments are not in violation with any plan provisions or investment policies, if applicable. There were no transactions with any parties-in-interest that violated ERISA, plan provisions or investment policy, or require reporting in the supplemental schedules that Form 5500 and DOL regulations require to accompany the audited financial statements. Management has also determined that the investments do not reflect any undue investment concentrations.
- 38) We acknowledge our responsibility for presenting Schedule H, Line 4i-Schedule of Assets (Held at End of Year), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the Schedule H, Line 4i-Schedule of Assets (Held at End of Year), including their form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
- 39) In regards to the financial statement preparation services performed by you, we have:
- Assumed all management responsibilities.
  - Overseen the services by designating an individual who possesses suitable skill, knowledge, and/or experience.
  - Evaluated the adequacy and results of the services performed.
  - Accepted responsibility for the results of the services.
  - Ensured that the Plan's data and records are complete and received sufficient information to oversee the services.
- 40) We acknowledge the variance identified between payroll records and the plan provider report for two employees' deferral contributions. The issue resulted from a file feed error between Paylocity and Fidelity, which caused only half of the employee contribution and half of the employer match to be funded. We have reviewed the matter and determined that it was an isolated incident, with no similar discrepancies identified for other employees. We have coordinated with the Fidelity Account Director to ensure that the necessary corrections are made, including the restoration of any lost earnings. We have also implemented enhanced monitoring and reconciliation procedures between payroll and plan provider reports to help prevent similar occurrences in the future.
