INDEPENDENT AUDITORS' REPORT

To the Trustees of
Ohio Gastroenterology Group, Inc. 401(k) Plan
Columbus, Ohio

Opinion

We have audited the accompanying financial statements of Ohio Gastroenterology Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for plan benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements as restated and referred to above present fairly, in all material respects, the net assets available for benefits of Ohio Gastroenterology Group, Inc. 401(k) Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ohio Gastroenterology Group, Inc. and the Ohio Gastroenterology Group, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ohio Gastroenterology Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit, conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ohio Gastroenterology Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

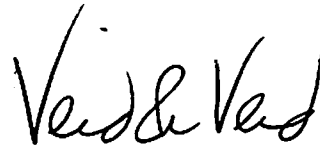

Supplemental Schedules Required for ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule H, line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2024, (2) Schedule H, line 4a – Schedule of Delinquent

Participant Contributions referred to as “supplemental information” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(See accompanying financial statements and independent auditors' report)

NOTE 1 - PLAN DESCRIPTION

The following description of the Ohio Gastroenterology Group, Inc. 401(k) Plan (the "Plan") is provided for general purposes only. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 401(k) defined contribution plan covering all employees of Ohio Gastroenterology Group, Inc. (the "Company") who have completed one year of service with a minimum of 1,000 hours (unless qualifying as a long-term part-time employee than 500 hours) and have attained 21 years of age. Each employee who has met the eligibility requirement will automatically become a participant on the first entry date which occurs after satisfying the requirements. The Plan entry dates are January 1, and July 1 of each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2024 the Plan was amended to provide required coverage of long-term part-time (LTPT) employees provided they worked at least 500 hours in 3 consecutive years and attained the plan's age requirement by the last day of the determination period. In addition, the excludable employees changed to exclude leased employees and reclassified contract (1099) workers too.

CONTRIBUTIONS

The Company's contribution is determined at the discretion of the directors of the Company. During 2024 the Company made no matching contribution but did make a safe harbor non-elective contribution of \$1,073,721 and a profit-sharing contribution of \$2,239,796 which were allocated among participants eligible to share in the contribution for the plan year. During 2023 the Company made no matching contribution but did make a safe harbor non-elective contribution of \$843,362 and a profit-sharing contribution of \$1,863,884 which were allocated among participants eligible to share in the contribution for the plan year. The maximum annual addition (allocation of employer contribution, forfeitures and employee contributions) to the participant's account is limited to the lesser of 100% of the individual's salary, or \$69,000 unless at an age allowing for the catch-up contribution than \$76,500.

Participants may contribute through payroll deduction in either a pre-tax deferral or Roth deferral (after-tax) by a specific percentage or dollar amount of the participant's compensation. Employees can contribute up to \$23,000 to the Plan annually. Employees over the age of 50 are allowed an additional \$7,500 to be deferred based on Internal Revenue regulations. These amounts are treated as tax deferred compensation (if pre-tax deferral elected) and are exempt from federal taxation until they are withdrawn from the Plan.

NOTE 1 - PLAN DESCRIPTION (Continued)

PARTICIPANT ACCOUNTS

Each participant's account is adjusted by (a) the participant's contribution, (b) allocations of any employer's contributions, and (c) allocations of the Plan's earnings or losses (including any administrative expenses paid by the Plan). Allocations are based upon the performance of the investment funds chosen by the participant.

PAYMENT OF BENEFITS

The Plan provides for distribution of a participant's account upon termination of employment, retirement, death or disability under several options. If the participant's vested interest is greater than \$5,000, the participant may choose to receive his benefit in the form of cash, an annuity, or a combination of these. If the vested interest is less than \$5,000 then the vested account balance may only be distributed in a single lump-sum payment in cash or in property.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles with the applicable accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Participants investing in the general Plan can select from a variety of mutual funds offered through the Vanguard platform. The participants invest directly in mutual funds and those funds have quoted market prices which are used to value the investments. Shares or units of partnership interests are valued at the net asset value of shares held by the Plan at year end or based on recent comparable trades within the partnership.

OHIO GASTROENTEROLOGY GROUP, INC.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(See accompanying financial statements and independent auditors' report)

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Self-directed brokerage accounts are also stated at fair value using quoted market prices to value investments in publicly traded securities. Shares or units of partnership interests within the self-directed brokerage accounts are valued at the net asset value of shares held by the Plan at year end or based on recent comparable trades within the partnership.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on an accrual basis. The change in the unrealized difference between cost and fair value of investments held is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Gains and losses on disposition of investments are recognized at the time of disposition with the amount of gain or loss determined on an average cost basis for mutual funds and historic cost basis for individually held securities.

ADMINISTRATIVE EXPENSES

The administrative expenses for the Plan are either paid by the Company or the Plan. The Plan Sponsor pays for expenses related to the audit of the Plan.

BENEFIT PAYMENTS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one-hundred-percent (100%) vested in their accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits. The United States generally accepted accounting principles provide a framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

OHIO GASTROENTEROLOGY GROUP, INC.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(See accompanying financial statements and independent auditors' report)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no level 3 investments in 2024 or 2023.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used.

Common and preferred stocks: Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

Partnerships: Partnerships that are publicly traded are valued at the closing price reported on the active market on which the individual securities are traded (Level 1). Partnerships privately held and not publicly traded are valued based on their calculated net asset value (NAV) based on the assets and liabilities adjusted to fair market value based on investor published information. Privately held partnerships are treated as (Level 2) based on (NAV).

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as categorized between general and self-directed brokerage investments as of December 31, 2024 and 2023.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of the Plan's financial instruments, including cash, participant notes receivable, employer contributions receivable and employee contributions receivable approximate fair value due to the short maturities of these financial instruments.

Fair Value of Investments in entities that Use Net Asset Value

The following table summarizes investments measured at fair value based on net Asset value (NAVs) per share as of December 31, 2024 and 2023, respectively.

|--|-------------------|---------------------------------|---------------------------------|---|
| Hatteras Multi-Strategy TEI, LLC | \$180,489 | N/A | Quarterly | One Year |

NOTE 4 - INVESTMENT CONCENTRATIONS

The general investments are participant directed. The Plan has a high concentration in Vanguard target retirement investments. Investments in the Vanguard target retirement mutual funds for the years ended December 31, 2024 and 2023, were \$16,256,537 and \$14,611,671 respectively.

NOTE 5 - INCOME TAX STATUS

The Plan is a prototype plan offered by ScrogginsGear Consultants and CPAs. ScrogginsGear Consultants and CPAs obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service has determined and informed the Company that its' volume submitter plan is designed in accordance with the Internal Revenue Code (Code) sections 401(a). The letter specifically addresses the Plan amendments related to the qualification requirements in the 2017 cumulative list of Notice 2017-37, 2017-29 Internal Revenue Bulletin (IRB) 89.

The prototype plan was amended in accordance with pension-related provisions of the Further Consolidated Appropriations Act of 2019 (FCAA), the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE) as well as the Coronavirus Aid, Relief and Economic Security Act (CARES).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(See accompanying financial statements and independent auditors' report)

NOTE 5 - INCOME TAX STATUS (Continued)

Although the Plan has been amended since the determination by the Internal Revenue Service, the prototype sponsor believes it continues to be designed in compliance with the Internal Revenue Code (Code) sections 401(a). Therefore, no provision for income taxes has been included in the Plan's financial statement.

NOTE 6 - RELATED PARTY TRANSACTIONS

Vanguard Retirement Plan Access, the custodian of the general plan assets of the Plan also has a related party The Vanguard Group, Inc. ("Vanguard") that manages the publicly traded Vanguard mutual funds offered by the general plan. Therefore, transactions with Vanguard qualify as party-in-interest transactions. Fees paid to The Vanguard Group, Inc. were \$27,863 and \$24,122 for the years ended 2024 and 2023, respectively.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

The Plan was amended to change its definition of compensation from W-2 compensation to W-2 compensation excluding gift card income effective for Plan years after December 31, 2024.

NOTE 9 - DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through October 14, 2025, the date on which the financial statements were available to be issued. The Plan was amended effective for plan years after December 31, 2024 as discussed in Note 8. There were no other material events subsequent to December 31, 2024 and through October 14, 2025.
