## **INDEPENDENT AUDITORS' REPORT**

BancFirst Administrative Committee  
BancFirst Corporation  
Employee Stock Ownership Plan  
Oklahoma City, Oklahoma

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the BancFirst Corporation Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Charles Schwab Trust Bank, a qualified institution, as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

## **INDEPENDENT AUDITORS' REPORT, CONTINUED**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

## **INDEPENDENT AUDITORS' REPORT, CONTINUED**

### **Auditors' Responsibilities for the Audit of the Financial Statements, Continued**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## INDEPENDENT AUDITORS' REPORT, CONTINUED

### Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2024, and Schedule H, Line 4j—Schedule of Reportable Transactions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**EMPLOYEE STOCK OWNERSHIP PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2024 and 2023**

---

**(1) DESCRIPTION OF THE PLAN**

The following description of the BancFirst Corporation Employee Stock Ownership Plan (the “Plan”) provides only general information. Participants should refer to the pamphlet, *Description of Employee Benefits*, for a more complete description of the Plan’s provisions, which is available from the Human Resources Office of BancFirst Corporation.

**General and Eligibility**

The Plan is a defined benefit contribution plan covering all full-time employees, except for nonresident aliens, leased employees or collective bargaining employees, of BancFirst Corporation (the “Company”), and its subsidiaries, who have at least 6 continuous months of employment or 1,000 hours of service, whichever occurs earlier, and are age 21 or older. Effective April 1, 2023, the Plan eligibility requirements were amended to allow employees who have at least 3 continuous months of employment or 1,000 hours of service, whichever occurs earlier, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Charles Schwab Trust Bank is the custodian of the Plan.

The Plan is administered by the BancFirst Administrative Committee, comprised of five persons from management of the Company.

**Contributions**

Contribution amounts may be made at the discretion of the Company’s Board of Directors and are invested in common shares of the Company’s stock. Employees of the Company and subsidiaries are eligible to receive a contribution once the eligibility requirements are met and the employee has obtained 1,000 hours of service during the plan year and is employed on the last day of the plan year, or if they terminated employment as a result of permanent disability, death, or retirement in the plan year.

**Participant Accounts**

Each participant’s account is credited as of the last day of each plan year, with an allocation of cash contributed by the Company to be used for the purchase of shares of the Company’s stock during the upcoming year. Allocations are based on a participant’s eligible compensation, relative to total eligible compensation.

**Vesting**

Participants vest in the Company’s contributions and earnings thereon at a rate of 20% for each year of service beginning with 2 years, becoming fully vested upon completing 6 years of service. The nonvested balance is forfeited upon termination of service. Forfeitures are allocated to remaining participants based upon the relation of the participant’s compensation to total compensation for the plan year. Participants terminating due to normal retirement, death, or disability will be 100% vested.

See Independent Auditors’ Report.

(1) DESCRIPTION OF THE PLAN, CONTINUED

Payment of Benefits

Upon termination of service, an employee, or their beneficiary, may elect to receive either a lump-sum distribution, partial lump-sum amount, or substantially equal installments up to the value of their vested participant account. In-service distributions are permitted for participants who have attached age 65.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the custodian prior to the time that such rights are to be exercised. The plan administrator is not permitted to vote any share for which a participant has not given instructions.

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in the Company's stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of service with the Company may elect to diversify a portion of their account. For the first 5 years following 10 years of service, a participant can diversify 25% of the value of their account attributable to the Company's stock. Beginning with the 6th year following 10 years of service, a participant can diversify 50% of the value of their account attributable to the Company's stock. When diversifying a participant's stock in the Company, the amount diversified will be transferred from the Plan to the Company's Thrift Plan and invested according to the participant's investment election.

Effective April 1, 2023, the Plan diversification provisions were amended to entitle participants to direct the diversification of any number of shares of the Company's stock allocated to their participant account by means of a transfer to another qualified plan sponsored by the Company.

During the years ended December 31, 2024 and 2023, the Plan transferred \$1,906,843 and \$1,934,586, respectively, to the Company's Thrift Plan for purposes of diversification.

Participant Accounts and Forfeitures

The Company contributions and plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the plan year. Forfeitures of terminated nonvested account balances allocated to remaining participants for the years ended December 31, 2024 and 2023, totaled approximately \$285,000 and \$119,000, respectively. The Plan's earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year balances. Unallocated forfeited amounts were not significant to the financial statements as of December 31, 2024 or 2023.

See Independent Auditors' Report.

**(1) DESCRIPTION OF THE PLAN, CONTINUED**

**Plan Termination**

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, employees become 100% vested in their accounts.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. The common shares of the Company's stock are valued at the closing price reported on the active market on which the individual securities are traded. The money market fund is valued at the net asset value of shares held by the Plan at year-end. See Note 6 for discussion of fair value measurements.

Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Interest income is recorded on the accrual basis.

**Tax Status**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated September 18, 2013, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). Although the Plan has been amended since being submitted to the IRS, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

See Independent Auditors' Report.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

**Tax Status, Continued**

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

**Payment of Benefits**

Benefit payments to participants are recorded upon distribution. There were no benefits requested before year-end that were not paid.

**Administrative Expenses**

Administrative expenses are paid by the Company or by the Plan at the Company's discretion.

**Date of Management's Review of Subsequent Events**

Management has evaluated subsequent events through October 10, 2025, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

**(3) ADMINISTRATION OF PLAN ASSETS**

The custodian of the Plan, Charles Schwab Trust Bank, holds the Plan's assets. Company contributions are held by the custodian and managed by the plan administrator, Charles Schwab Retirement Plan Service Company, which invests cash received and interest and dividend income, and makes distributions to participants.

Officers or employees of the Company or its subsidiaries perform certain administrative functions. No such officer or employee receives compensation from the Plan.

**(5) INFORMATION CERTIFIED BY PLAN CUSTODIAN**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2024 and 2023.
- Investment activity (net appreciation in fair value of investments, interest, and dividends), except for December 31, 2024 and 2023, accruals for dividends, and transfers out of plan as shown in the statements of changes in net assets available for plan benefits for the years ended December 31, 2024 and 2023.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2024, as shown on supplemental Schedule I.
- Schedule H, line 4j—Schedule of Reportable Transactions for the year ended December 31, 2024, as shown on supplemental Schedule II.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**(6) FAIR VALUE MEASUREMENTS**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities.
- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for plan benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

	Fair Value Measurements at			
	Reporting Date Using			
	Assets	Quoted Prices	Significant	Significant
	Measured at	in Active	Other	Unobservable

**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

---

**(6) FAIR VALUE MEASUREMENTS, CONTINUED**

The Plan had no assets measured at fair value on a recurring basis that were transferred into or out of Level 3 for the year ended December 31, 2024 or 2023. The Plan had no purchases, sales, or issues of Level 3 assets for the year ended December 31, 2024 or 2023.

The following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 investments include BancFirst Corporation common and a money market fund. There were no Level 2 or Level 3 investments at December 31, 2024 or 2023.

There have been no significant changes in the valuation techniques during the year ended December 31, 2024 or 2023. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

**(7) PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, dividends on the Company's stock, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan paid approximately \$21,000 and \$19,000 of recordkeeping fees to Charles Schwab Retirement Plan Service Company during 2024 and 2023, respectively. The remainder of administrative expenses paid by the Plan for 2024 and 2023 were for professional services, such as audit fees and attorney costs.

The Company provides certain administrative services at no cost to the Plan.

**(8) RISKS AND UNCERTAINTIES**

The Plan primarily invests in common shares of the Company's stock, which are exposed to various risks, such as market and credit risk. Due to the level of risk associated with such investment securities and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits.

See Independent Auditors' Report.
