INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
TAG The Aspen Group 401(k) Plan
East Syracuse, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of TAG The Aspen Group 401(k) Plan (the Plan; formerly known as the Aspen Dental 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedule Required by ERISA

The supplemental schedule of assets as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

TAG THE ASPEN GROUP 401(k) PLAN

December 31, 2024 and 2023

NOTE A--DESCRIPTION OF THE PLAN

The following description of the TAG The Aspen Group 401(k) Plan (the Plan; formerly known as the Aspen Dental 401(k) Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan which provides a uniform retirement savings plan for all eligible employees of Team TAG Services, LLC (the Plan Sponsor or TAG Services), and its subsidiaries and affiliated practice entities as participating employers in the Plan.

Effective January 1, 2023 the Plan Sponsor Board of Directors simultaneously approved Team TAG Services, LLC (TAG) to replace Aspen Dental Management Inc. as Plan Sponsor and update the Plan name to TAG The Aspen Group 401(k) Plan.

The Plan is subject to the provisions of ERISA. The Plan Sponsor Board of Directors is responsible for oversight of the Plan. The 401(k) Plan Committee and the ERISA 3(38) Fiduciary determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Participant Eligibility: Employees are eligible to participate in the Plan on the first day of the month after completing thirty days of service.

Contributions: Participants may contribute tax-deferred and after-tax Roth dollars through payroll deductions, as defined in the Plan. Current tax law limits each participant's total tax-deferred and Roth deferrals to \$23,000 and \$22,500 for 2024 and 2023, respectively. There is no age requirement for participant contributions. Additionally, if a participant has or is projected to attain age 50 before the end of the Plan year, the participant may make "catch-up" contributions as determined by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation. TAG Services made safe harbor matching contributions equal to 100% of the first 3% of eligible wages deferred and 50% of the next 2% of eligible wages deferred.

TAG Services may also elect to make discretionary contributions to the Plan, although no such contributions were made for 2024 or 2023. Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS--Continued

TAG THE ASPEN GROUP 401(k) PLAN

December 31, 2024 and 2023

NOTE A--DESCRIPTION OF THE PLAN--Continued

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) TAG Services' contributions, (b) Plan earnings or losses, and (c) administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting: Participants are vested immediately in their contributions and TAG Services safe harbor matching contributions plus actual earnings or losses thereon.

Any additional TAG Services discretionary contributions to the Plan, outside of the safe harbor matching contributions, plus actual earnings or losses thereon, vest in accordance with the vesting schedules in the Plan document. The current vesting schedules are based on years of service, as defined by the Plan with certain exceptions, and are as follows for discretionary contributions only:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Receivables--Notes From Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to five years, unless the loan is for the purpose of acquiring a principal residence, then the maximum period shall be fifteen years. The loans are secured by up to 50% of the balance in the participant's account and bear a commercially reasonable rate of interest established by the Plan Administrator. Participants are permitted to have only one loan outstanding at a time. Principal and interest are paid in substantially level amortized payments, not less frequently than quarterly, over the term of the loan.

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits: Distributions from the Plan are available upon retirement, death, termination of employment, proven hardship, or disability. The Plan allows for lump-sum or installment payments in accordance with minimum distribution treasury regulations. If a participant's vested account balance is between \$1,000 and \$5,000, and they fail to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is \$1,000 or less, and they fail to make a distribution election, a lump-sum amount will be paid to the participant without their consent. If a participant's account balance is over \$5,000 they are permitted to leave their money in the Plan.

Forfeited Accounts: Forfeitures of nonvested discretionary contributions are applied to reduce TAG Services' matching and profit sharing contributions, or administrative expenses, as applicable. The total amount of forfeitures to be applied to future TAG Services matching and profit sharing contributions and administrative expenses totaled \$82,639 and \$56,224 as of December 31, 2024 and 2023, respectively. Forfeited and noninvested accounts totaling \$0 and \$12,671 were reallocated to reduce TAG Services contributions or Plan administrative fees during the Plan years ending December 31, 2024 and 2023, respectively. Investment gains and losses in the forfeiture account during the year also impact the ending forfeited account balance.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments in registered investment companies and collective trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note C for discussion of fair value measurements.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Investment Valuation and Income Recognition--Continued: Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables--Notes From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by TAG Services and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Trustee fees, as applicable, are also included in administrative expenses.

Events Occurring After Reporting Date: The Plan's management has evaluated events and transactions that occurred between December 31, 2024 and October 14, 2025, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by Plan management.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies: Valued at the daily closing price as reported by the registered investment company. Shares in registered investment companies held by the Plan are open-ended shares that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The shares in registered investment companies held by the Plan are deemed to be actively traded.

December 31, 2024 and 2023

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Collective investment trusts: Valued at the net asset value (NAV) of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is not a publicly quoted price in an active market and is computed in accordance with investment company measurement principles. The trusts are made up of a variety of index funds that are sponsored primarily by T. Rowe Price, Northern Trust, MFS, Fidelity and Harbor Trust Company. These index funds are structured to reproduce the returns from the Dow Jones U.S. Completion Total Stock Market Index, S&P 500 Index, a non U.S. World Wide Index, and an Aggregate Bond Index. With the exception of the Bond Fund all index funds employ a replication technique which generally seeks to hold each index constituent in its proportional index weight.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by Level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of:			
	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 61,147,940	\$-0-	\$-0-	\$ 61,147,940
Collective investment trusts ^(a)				526,196,942
Total investments at fair value				<u>\$587,344,882</u>
	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 67,299,059	\$-0-	\$-0-	\$ 67,299,059
Collective investment trusts ^(a)				392,242,819
Total investments at fair value				<u>\$459,541,878</u>

^(a) In accordance with FASB ASC Topic 820-10, the collective investment trusts, which are measured at net asset value per share (or its equivalent), are not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D--INFORMATION CERTIFIED AND PROVIDED
BY THE TRUSTEE (UNAUDITED)

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023 and for the years then ended included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the current trustee, T. Rowe Price, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets as of December 31, 2024 and 2023.

	<u>2024</u>	<u>2023</u>

T. Rowe Price also certified to the completeness and accuracy of \$(839,258) and \$8,690,947 of net (depreciation) appreciation in fair value of registered investment companies, \$66,375,537 and \$59,517,993 of net investment gain in fair value of collective investment trusts, \$4,525,885 and \$2,369,396 of dividends, \$493,122 and \$286,890 of other income and \$772,566 and \$443,690 of interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, respectively.

NOTE E--PLAN TERMINATION

Although it has not expressed any intent to do so, TAG Services has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their TAG Services contributions, in accordance with IRS guidelines.

NOTE F--TAX STATUS

The IRS has determined and informed the Plan Sponsor by a letter dated April 24, 2018, that the Plan and related trust, as then designed, are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE G--RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the balances in the participants accounts. The Plan invests in shares of registered investment companies and collective investment trusts with T. Rowe Price. These transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the trustee services are included in administrative expenses. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE H--RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's Statements of Net Assets Available for Benefits.
