## INDEPENDENT AUDITORS' REPORT

To the Administrator of the  
KIRCHHOFF Automotive Tecumseh Union 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the accompanying financial statements of KIRCHHOFF Automotive Tecumseh Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of KIRCHHOFF Automotive Tecumseh Union 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Lincoln Financial Group, a qualified institution, as of and for the years ended December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by Lincoln Financial Group, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KIRCHHOFF Automotive Tecumseh Union 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KIRCHHOFF Automotive Tecumseh Union 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KIRCHHOFF Automotive Tecumseh Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KIRCHHOFF Automotive Tecumseh Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### *Other Matters*

#### *Supplemental Schedules Required by ERISA*

The supplemental schedule of Assets Held for Investment at End of Plan Year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by Lincoln Financial Group, a qualified institution, agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# KIRCHHOFF AUTOMOTIVE TECUMSEH UNION 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

### NOTE 1 – DESCRIPTION OF PLAN

The following description of KIRCHHOFF Automotive (“Company”) Tecumseh Union 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all employees of the Company that are not excluded employees under the terms of the Plan. The effective date of eligibility is the first day of each month. Employees who have completed six months of service and are age eighteen or older are eligible to participate in the Company’s matching and profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute up to limits established and adjusted by the Internal Revenue Service. These limits are based on annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and guaranteed investment contracts as investment options for participants. The Company has elected to make matching contributions available to all eligible participants in an amount equal to 100% of the first three percent of eligible compensation. The Company may make a discretionary or profit sharing contribution each year. Contributions are subject to certain limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated default fund until changed by the participant.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions over a period which shall not exceed five years, unless the loan is for the purchase of the participant’s principal residence.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN – (concluded)

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

**Payment of Benefits**

On termination of service due to death, disability, retirement, or for any other reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

**Forfeited Accounts**

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$17,693 and \$21,557, respectively. These accounts will be used to reduce future employer contributions or pay expenses. Also, in 2024, employer contributions were reduced by \$53,056 and plan expenses were reduced by \$3,518 from forfeited non-vested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Notes Receivable from Participants**

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles of the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Plan administrator believes the estimates and assumption underlying the financial statements are reasonable and supportable based on the information available at the time the financial statements were prepared.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (concluded)

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see NOTE 4 for a discussion of fair value measurements). Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Operating expenses**

Operating expenses of the Plan are permitted to be paid out of the assets of the Plan. Operating expenses paid by the Plan for the year ended December 31, 2024 were \$49,375. Investment-related expenses are included in net appreciation in fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through October 10, 2025, the date the financial statements were available to be issued.

NOTE 3 – RELATED PARTY TRANSACTIONS

During 2024 and 2023, Plan investments included traditional group fixed annuity contracts managed by Lincoln Financial Group. Lincoln Financial Group is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. There are no fees associated with the contracts.

Lincoln Financial Group provides certain administrative services to the Plan pursuant to an agreement between the Sponsor and Lincoln Financial Group. Lincoln Financial Group receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Lincoln Financial Group for its administrative services to the Plan.

NOTES TO FINANCIAL STATEMENTS

**NOTE 3 – RELATED PARTY TRANSACTIONS – (concluded)**

If the revenue received by Lincoln Financial Group from such mutual fund service providers exceeds the amount owed under the agreement, Lincoln Financial Group remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024, excess amounts of \$89,911 were received from Lincoln Financial Group and included in investment income. No excess amounts were applied to Plan administrative expenses in 2024.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets or inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- Level 1 - The fair value of mutual funds are based on quoted market prices of the shares held by the Plan at year-end. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

KIRCHHOFF AUTOMOTIVE TECUMSEH UNION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS – (concluded)

Guaranteed investment contracts are valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Because the participant's contract is stated at contract value, fair value is determined in 2024 and 2023 for Form 5500 reporting purposes. Therefore this investment will not appear in the fair value hierarchy, as it is disclosed within the financial statement according to contract value. Certain unobservable inputs are assessed through review of contract terms while others are substantiated utilizing available market data.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as reported in the accompanying statements of net assets available for benefits at December 31, 2024 and 2023.

Fair Value Measurements Using:

	<u>Level 1</u>	<u>Total</u>
As of December 31, 2024:		
Mutual funds	\$ <u>12,066,486</u>	\$ <u>12,066,486</u>
Total investment at fair value	\$ <u>12,066,486</u>	\$ <u>12,066,486</u>
As of December 31, 2023:		
Mutual funds	\$ <u>11,495,895</u>	\$ <u>11,495,895</u>
Total investment at fair value	\$ <u>11,495,895</u>	\$ <u>11,495,895</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a portfolio of investment contracts that consists of traditional investment contracts. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. At December 31, 2024 and 2023, investments reported at contract value totaled \$3,713,075 and \$4,011,746, respectively.

The traditional investment contract held by the Plan is a guaranteed group fixed annuity contract. The contract issuer, Lincoln National Life Insurance Company, is contractually obligated to repay principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The rate of return is at 2.3 percent as of December 31, 2024. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before its scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS

**NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS – (concluded)**

The Plan's ability to receive amounts due with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code.
- Premature termination of the contracts.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the Plan sponsor or other Plan sponsor event that significantly affect the Plan's normal operations.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. No event will result in the Plan not being able to receive contract value over a five-year installment period. Those events include:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.
- The issuer discontinues offering the contract form to the public.
- The Plan terminates its recordkeeping agreement with Lincoln Financial Group.

**NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 7 – TAX STATUS**

The Plan uses a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has received a determination letter from the IRS.

NOTES TO FINANCIAL STATEMENTS

**NOTE 7 – TAX STATUS – (concluded)**

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2021.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan's invested assets ultimately consist of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

**NOTE 9 – CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Lincoln Financial Group, the trustee of the Plan. This certified information includes the net appreciation of fair value of \$334,638, interest and dividend income of \$807,253, and interest income on notes receivable from participants of \$53,407 for the year ended December 31, 2024.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 17,055,628	\$ 16,710,889
Less: Employer contribution receivable	(548,147)	(514,816)
Adjustment due to rounding	<u>-</u>	<u>-</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 16,507,481</u>	<u>\$ 16,196,073</u>

**NOTE 11 – FORMER PARTICIPANT ACCOUNT BALANCES**

At December 31, 2024, vested account balances of retired and separated participants approximated \$1,456,900 which represents approximately 8.5% of net assets at that date.
