Independent Auditors' Report

To the Plan Administrator
403(B) Thrift Plan of Goodwill Industries of East Texas, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(B) Thrift Plan of Goodwill Industries of East Texas, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(B) Thrift Plan of Goodwill Industries of East Texas, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(B) Thrift Plan of Goodwill Industries of East Texas, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(B) Thrift Plan of Goodwill Industries of East Texas, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(B) Thrift Plan of Goodwill Industries of East Texas, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF GOODWILL INDUSTRIES OF EAST TEXAS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the 403(B) Thrift Plan of Goodwill Industries of East Texas, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan was established September 1, 2001, to provide retirement income for the employees of Goodwill Industries of East Texas, Inc. (the “Company” or “Employer”) and was most recently amended on June 5, 2020. Employees are eligible to participate in the Plan regardless of age, and there are no service requirements; however, for employer contributions, the minimum age is twenty-one, and the service requirement is one year. Certain classes of employees that are deemed not to be employees by the State of Texas are excluded from the Plan. Plan entry dates are the beginning of each pay period for elective deferrals and semi-annually in January and July for employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”), as amended.

PLAN ADMINISTRATION

The custodian of the Plan, Mutual of America Life Insurance Company, is responsible for managing the Plan’s investment assets, as well as recordkeeping for the Plan. Employees of the Company may perform certain other administrative functions; however, such employees receive no compensation from the Plan.

CONTRIBUTIONS

Participants may contribute up to the lesser of \$23,000 for 2024 and \$22,500 for 2023, respectively, of their annual wages including overtime (plus an additional \$7,500 for 2024 and \$7,500 for 2023 for participants who attain age 50 by the end of the Plan year) or 100% of compensation. Under the Plan Agreement, the Company makes matching safe harbor contributions of 50% of applicable contributions up to the first 6% of the participant’s compensation, as defined by the Plan. Participants may also make eligible rollover contributions. Total contributions to a participant’s account may not exceed the annual additions limit, which is the lesser of \$70,000 for 2024, and \$69,000 for 2023 or 100% of total compensation for 2024 and 2023. Participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, an allocation of the Company’s contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant’s earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are immediately vested in their salary deferrals and rollover contributions plus actual earnings thereon. Any employer match is subject to vesting. Vesting in the Company’s matching contribution portion of their account is based on years of service. A participant is fully vested after three years of completed vesting service.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments over the life of the participant or beneficiary. Payment is required to be made as soon as administratively feasible after one of these events occurs. For termination of service due to other reasons, a participant may draw his or her account balance through a lump sum payment. The participant may elect to defer distribution until April 1st of the calendar year following the later of the calendar year in which such a participant reaches age 70 ½ years of age or the calendar year in which the employee retires.

403(B) THRIFT PLAN OF GOODWILL INDUSTRIES OF EAST TEXAS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

The Plan Sponsor makes mandatory distributions to separated participants with balances less than \$1,000 (including rollovers), paid to the participant in a lump sum. Balances greater than \$1,000 can either be left in the Plan to continue to accumulate interest and share in the investment experience of the funds or can be withdrawn once the Internal Revenue Service minimum distribution guidelines are met.

PARTICIPANT LOANS

The Plan does not permit participants to borrow from their fund accounts.

INVESTMENT

The Plan offers participants two primary investment options for participants:

General interest accumulation account - This account offers participants guaranteed principal and interest at rates set by Mutual of America, which are guaranteed to be no less than 3%. The account is carried at contract value in the accompanying financial statements. Contract value is deemed to be fair value.

Pooled separate accounts - The Plan provides a variety of investment options through Mutual of America's pooled separate account fund. The fund invests in registered investment companies and allows the participants to allocate their account amongst the various funds offered. The pooled separate account is carried at fair value in the accompanying financial statements.

FORFEITED ACCOUNTS

Forfeitures are used to reduce employer contributions or pay administrative fees for the Plan. For the years ended December 31, 2024 and 2023, there was \$71 and \$69 of forfeited amounts that have not been applied to reduce employer contributions at December 31, 2024 and 2023. For the year ending December 31, 2024, forfeitures used to reduce employer match contributions were \$2,176.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATIONS AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to benefits.

403(B) THRIFT PLAN OF GOODWILL INDUSTRIES OF EAST TEXAS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES – CONTINUED

CONTRIBUTIONS

Employee contributions are recorded in the period during which the Company makes payroll deductions from the Plan participants' earnings.

EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosure, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identifiable assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled Separate Accounts - The fair value of the shares of the fund is based on the fair value (determined by unadjusted quoted market prices) of the underlying assets owned by the fund and divided by the number of shares outstanding, or net asset value ("NAV"). While the majority of the underlying assets are quoted prices, the NAV of the pooled separate accounts is not publicly quoted and are not publicly quoted and are determined by Mutual of America. NAV is a readily determinable fair value. And is the basis for current transactions.

403(B) THRIFT PLAN OF GOODWILL INDUSTRIES OF EAST TEXAS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

General Account - The fair value of the account is based on principal balances held and the accumulation of interest applied. Interest rates on this and comparable accounts are observable on company websites.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
General Account	\$ -	\$ 840,255	\$ -	\$ 840,255
Pooled Separate Accounts	-	1,172,439	-	1,172,439
Total Investments	\$ -	\$ 2,012,694	\$ -	\$ 2,012,694

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
General Account	\$ -	\$ 826,702	\$ -	\$ 826,702
Pooled Separate Accounts	-	950,346	-	950,346
Total Investments	\$ -	\$ 1,777,048	\$ -	\$ 1,777,048

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY THE INSURANCE COMPANY (UNAUDITED)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. Accordingly, as permitted under such election, the following information was certified by Mutual of America Life Insurance Company as complete and accurate.

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment activity, as shown in the statement of net assets available for benefits as of December 31, 2024.
- The schedule of assets held as of December 31, 2024.

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedules.

NOTE 5 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are units of separate accounts managed by Mutual of America. This institution serves as custodian and recordkeeper of the Plan, and therefore these investments qualify as party-in-interest transactions. Fees paid by the plan for the custodian services amounted to \$2,610 for the year ended December 31, 2024.

NOTE 6 – PLAN TERMINATION AND AMENDMENTS

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts. The Company also has the right to amend the Plan at any time.

403(B) THRIFT PLAN OF GOODWILL INDUSTRIES OF EAST TEXAS, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 7 – TAX STATUS

On March 31, 2017, the IRS stated that the prototype non-standardized 403(b) plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 403(b). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2024	December 31, 2023
Net assets available for benefits per financial statement	\$ 2,012,694	\$ 1,786,331
Excess contributions payable	-	-
Employer contributions receivable	-	(2,430)
Employee contributions receivable	-	(6,853)
Rounding	-	-
Net assets available for benefits per the Form 5500	<u>\$ 2,012,694</u>	<u>\$ 1,777,048</u>

The following is a reconciliation of the net decrease in the Plan Net Assets Available for Benefits per the financial statements to the Form 5500:

	December 31, 2024
Net decrease per the financial statements	\$ 226,364
Employer contributions receivable	-
Prior year employer contributions receivable	2,430
Employee contributions receivable	-
Prior year employee contributions receivable	6,853
Difference in forfeitures	76
Net decrease per the Form 5500	<u>\$ 235,723</u>

NOTE 10- SECURE ACT 2.0

On December 23, 2022 Congress passed the Consolidated Appropriation Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend in the Plan Document accordingly. Most of the significant provisions will become effective on January 1, 2024. There was no material impact to the Plan’s 2024 financial statements.
