## Independent Auditors' Report

To the Plan Administrator of  
Genera PR Savings Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Genera PR Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and for the period from July 1, 2023 to December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, and for the period from July 1, 2023 to December 31, 2023 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedules of Assets (Held at End of Year) as of December 31, 2024 and 2023 and the Schedules of Delinquent Participants Contributions for the year ended December 31, 2024 and for the period from July 1, 2023 to December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Page 4

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Genera PR Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

## (1) Description of the Plan

The following description of Genera PR Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### (a) *General*

The Plan is a defined contribution plan covering all full-time employees of Genera PR LLC (the Employer, Sponsor or the Company) who are eighteen years of age or older with no service requirements for salary deferral contributions. All full time employees of the Company that have at least 18 years of age are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 1081.01 (a) and (d) of the Puerto Rico Internal Revenue Code of 2011, as amended (the PRIRC or the Code). The Plan was established on July 1, 2023.

The Plan elected to defer the inclusion of the independent qualified public accountant's report for the short plan year ending December 31, 2023 (plan inception: July 1, 2023) in accordance with 29 CFR § 2520.104-50.

This Form 5500 filing for the plan year ending December 31, 2024 includes:

- Audited financial statements and accompanying schedules for both the short plan year (June 1, 2023 – December 31, 2023) and the full plan year (January 1, 2024 – December 31, 2024)
- A report of the independent qualified public accountant covering both plan years
- A statement identifying any material differences between the unaudited financial information submitted in the 2023 Form 5500 and the audited financial information for that same period included in this filing. Refer to Note 9 to the financial statements.

The Plan Administrator believe that all conditions for deferral under 29 CFR § 2520.104-50(b)(2) have been satisfied.

### (b) *Contributions*

Each year participants may contribute an amount not to exceed the maximum deferral amount specified by the Puerto Rico tax law. Annual deferral limit under PRIRC is \$15,000 for the years ended December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, and the period from July 1, 2023 to December 31, 2023 the Plan's discretionary matching contribution was \$1.00 for each \$1.00 of pre-tax contributions up to 5% of eligible compensation, and with a cap of \$10,000 per participant.

In addition, participants who are age 50 or older at the end of a calendar year may make additional pre-tax contributions (catch-up contributions) of up to \$1,500 per calendar year.

### (c) *Participant Accounts*

Each participant's account as established in the Plan is credited with the participant's contributions and allocations of (a) the Company's matching contribution and (b) Plan's

Notes to Financial Statements

earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**(d) Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested in accordance to the following vesting schedule:

| <u>Participant's<br/>Years of Service</u> | <u>Employer's Vesting Percentage<br/>for Matching Contribution</u> |
|---|--|
| At least 1 year                           | 25%  |
| At least 2 years                          | 50%  |
| At least 3 years                          | 100%   |

**(e) Payment of Benefits**

Participants are entitled to withdraw the total value of their accounts at the time of retirement, termination of employment, disability or death. A lump-sum payment is made in the case of termination of employment and death.

**(f) Notes Receivable from Participants**

Participants may apply for a loan up to 50% of their vested account balance and transferred accounts as of the last day of each month coincident with or immediately preceding the date on which the loan was approved. The minimum amount of each loan is \$1,000. The loans are secured by the balance in the participant's account and bear a fixed interest rate equal to the prevailing prime rate on the date of loan approval. Principal and interest are paid ratably through monthly payroll deductions. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

**(g) Hardship Withdrawals**

Under certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution portion of their account balance. These conditions include un-reimbursed medical expenses, the purchase of a principal residence, the payment of postsecondary education tuition, to prevent eviction from or foreclosure on a principal residence or any other cause that, in the administration determination, has produced an immediate financial need.

**(h) Forfeitures**

At December 31, 2024 and 2023, forfeited non-vested accounts amounted to \$75,242 and \$504, respectively. This account is used to pay Plan expenses and any remaining part to reduce employer matching contributions, or within the employer discretion, distribute such

amounts among the remaining participants matching contributions accounts in the same proportion originally allocated.

**(i) Rollovers Contributions**

Rollovers contributions to and from the Plan consist of monies received or paid by a Participant from another plan qualified under the Puerto Rico Internal Revenue Code (PRIRC).

**(j) Rollovers Distribution**

Terminated employees or retirees may elect to transfer their savings to other qualified plans under the Puerto Rico Internal Revenue Code (PRIRC), and are recorded when paid.

**(k) Investment Options**

Participants may direct their contributions to various mutual funds offered as investment options as described in Note 3.

**(l) Excess Contributions**

Amounts payable to participants for contributions in excess of amounts allowed by the Puerto Rico Internal Revenue Code are recoded as a liability with a corresponding reduction to contributions.

**(m) Administrative Expenses**

The Plan's expenses are paid either by the Plan or the Sponsor, as provided by the plan document. Expenses that are paid directly by the Sponsor are excluded from these financial statements.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Accounting**

The Plan's financial statements are prepared on the accrual basis of accounting.

**(b) Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor determines Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net

# Genera PR Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(c) Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Principal and interest is paid ratably through payroll deductions. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document when they are deemed uncollectable. Loans are 100% secured by the vested amount of related participants contributions. No allowance for credit losses has been recorded.

**(d) Payment of Benefits**

Benefits are recorded when paid.

**(e) Contributions**

Employee contributions are recorded in the period during which the Company makes payroll deductions from the Plan participants' earnings. The Company's contributions are recorded in the same period.

**(f) Risks and Uncertainties**

The Plan invests in mutual funds, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with these instruments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in investment values.

**(g) Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(3) Investment Options**

Participants may direct their contributions to any of the funds offered as investment options. The account is credited with earnings on the underlying investments and charged for participant withdrawals and investment management expenses. Fair value represents contributions made, plus earnings (including realized and unrealized gains/(losses) on the underlying funds), less participant withdrawals and investment management expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair value.

### (5) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follow:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Notes to Financial Statements

December 31, 2024 and 2023

**Level 3** If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These Securities are classified as Level 1.

*Money Market Fund:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Interest Bearing Deposits:* The carrying amount of interest-bearing deposits are reasonable estimates of the fair value due to its short term maturity. These interest-bearing deposits are available upon demand.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### (6) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

### (7) Tax Status

The Plan is qualified under Section 1081.01(a) of the Internal Revenue Code for a New Puerto Rico, Act No. 1 of January 31, 2011, as amended from time to time (the 2011 PR Code). On July 20, 2023, the Plan requested to the Puerto Rico Treasury Department (PRTD) a determination letter to qualify its status under the 2011 PR Code. The PRTD has determined and issued a favorable determination letter dated February 6, 2024, that the Plan is qualified under the 2011 PR Code. No events have occurred with respect to the Plan or the associated Trust that, in substantial likelihood, would result in the Plan being disqualified by the PRTD. The Trust associated with the Plan is exempt from Puerto Rico income taxation pursuant to the provisions of Section 1081.01(a) of the 2011 PR Code, and pursuant to Section 1022(i)(I) of ERISA. The Plan Administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the Puerto Rico Internal Revenue Code, and, therefore, believes that the Plan is qualified, and the related trust is tax exempt. Accordingly, no provision for income taxes has been made.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. The Plan Administrator has analyzed the tax positions taken by the Plan

and has concluded that at December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **(8) Prohibited Transactions – Participant’s Contributions Remittances**

Department of Labor’s Regulation 2510.3-102, requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Sponsor’s general assets but in no event later than the 15<sup>th</sup> business day following the end of the month in which amounts are contributed by employees or withheld from their wages. There were unintentional delays in the remittance of participant’s contributions for the period of July 1, 2023 to December 31, 2023. The Sponsor has agreed to absorb any costs incurred by the Plan including lost interest as a result of the untimely remittances of the participants’ contributions. The accumulated loss earnings on such late remittances amounted to \$1,180 at December 31, 2024. There were no unintentional delays in the remittance of participant’s contributions during the year ended December 31, 2024.

## **(9) Reconciliation of Unaudited and Audited Financial Information**

In accordance with 29 CFR 2520.104-50, the Plan Administrator notes the following material differences between the unaudited financial information submitted with the original Form 5500 for the period from July 1, 2023 to December 31, 2023 and the audited financial statements submitted and filed with the Form 5500 for year 2024:

The unaudited financial information reported non-interest-bearing cash as investments. The audited financial statements for 2023 reflect non-interest-bearing cash as a separate asset. The unaudited financial information reported that there were no unintentional delays in the remittances of participant’s contributions during the period from July 1, 2023 to December 31, 2023. The audited financial statements for 2023 reflect unintentional late remittances during the same period of \$140,340.

## **(10) Subsequent Events**

The Plan has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued. The Plan Administrator has determined that no events exist in that period that require disclosure in or any adjustments to the accompanying financial statements.

**Part I Asset and Liability Statement**

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
