## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees  
Saratoga - Schenectady Gastroenterology Associates, P.C. Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Saratoga - Schenectady Gastroenterology Associates, P.C. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Saratoga - Schenectady Gastroenterology Associates P.C. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Saratoga - Schenectady Gastroenterology Associates P.C. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Saratoga - Schenectady Gastroenterology Associates P.C. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Saratoga - Schenectady Gastroenterology Associates P.C. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saratoga - Schenectady Gastroenterology Associates P.C. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

***General***

The Saratoga - Schenectady Gastroenterology Associates, P.C. Retirement Plan (the Plan) was established on January 9, 1973. The Plan is sponsored by Saratoga - Schenectady Gastroenterology Associates, P.C. (the Company). The following brief description of the Plan provides general information only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

Through June 30, 2024, participants who have attained the age of twenty-one and have completed one year of service, may contribute pretax and/or post-tax annual compensation, as defined in the plan document, up to the maximum allowed by the Internal Revenue Code. Effective July 1, 2024, the one year of service requirement was eliminated. Participants who have reached age 50 before the end of the plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a matching contribution equal to 25% of a participant's elective deferral contribution up to 6% of the participant's compensation. The Company may also make a discretionary profit-sharing contribution to eligible participants. Discretionary profit sharing contributions of 5% of participants' eligible wages were made for the years ended December 31, 2024 and 2023.

***Participant Accounts***

The Plan allows each participant to select the investments in their individual account. Each participant's account is credited with the participant's contribution, the Company's contributions, and allocations of (a) plan earnings and losses, and (b) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Investment Options***

The Plan's provisions allow participants to make their own investment elections with the Plan's investment advisors. A participant may direct their contribution and the Company's contributions to any of the Plan's registered investment companies (mutual funds) or stable value fund as of December 31, 2024 and 2023.

ASSOCIATES, P.C. RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

***Vesting***

Participants have a 100% non-forfeitable interest in the portion of their accounts attributable to their own voluntary deferrals and accumulated earnings thereon. Participants also have a 100% non-forfeitable interest in the Company's matching contribution at the time the contribution is made. Vesting of the Company's discretionary profit-sharing contributions and earnings or losses thereon is based on a schedule of years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2%	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

***Forfeited Accounts***

Forfeitures shall be applied to pay plan expenses or to offset future employer contributions to the Plan. At December 31, 2024 and 2023, forfeited nonvested accounts were \$11,073 and \$34,504, respectively. Forfeiture of \$47,162 and \$31,500 were used during the years ended December 31, 2024 and 2023, respectively, to offset plan expenses.

***Payment of Benefits***

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. Normal retirement under the Plan is 65 years of age. There are no provisions for early retirement. Hardship withdrawals from the vested portion of a participant's account are allowed as defined in the plan document. The Plan also permits in-service distributions after attaining age 59 ½ from the vested portion of a participant's account.

***Termination of the Plan***

Although it has not expressed intent to do so, the Company has the right under the plan document to terminate the Plan subject to the provisions of ERISA. In the event of termination, the Company's discretionary profit sharing contribution portion of each participant's account shall become fully vested and non-forfeitable, and along with the participant's contributions portion and the Company's matching contribution portion of their account, be distributed in accordance with the plan document and ERISA.

**SARATOGA - SCHENECTADY GASTROENTEROLOGY  
ASSOCIATES, P.C. RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF PLAN**

***Other Income***

Through February 6, 2023, the Plan had a revenue sharing agreement with Newport Trust Company (NTC) whereby the Plan receives a share of the revenue received by NTC from the various investment fund families. The revenue received is held in a Plan Credit Account and can be used to pay administrative expenses of the Plan. During the years ended December 31, 2024 and 2023, \$-0- and \$9,160, respectively, of administrative expenses were paid from the Plan Credit Account. The Account was credited with \$1,300 and \$1,580 during the years ended December 31, 2024 and 2023, respectively.

Effective February 7, 2023, the Agreement was amended so that the revenue share is allocated directly to participant accounts. As a result, on February 13, 2023, \$19,138 was reallocated from the account to participants. The account balance was \$2,948 and \$1,602 at December 31, 2024, respectively.

***Notes Receivable from Participants***

Participants are allowed to borrow from their accounts, limited to two outstanding loans at any one time, a minimum amount of at least \$500 up to a maximum amount equal to the lesser of \$50,000 or 50% percent of their vested account balance. The notes are secured by the balance in the participant's account. All notes bear a rate of interest equal to 1% above the prime rate. Notes are required to be repaid in level payments of principal and interest over a term ranging from one to five years. However, notes used to acquire a principal residence may be paid over a term that exceeds five years.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

**SARATOGA - SCHENECTADY GASTROENTEROLOGY  
ASSOCIATES, P.C. RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Investment Valuation and Income Recognition***

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized by the Plan in the period in which it is earned based on the outstanding principal balance times the stated interest rate at the date the note receivable originated. Delinquent participant notes are reclassified as deemed distributions based upon the terms of the plan document.

***Risks and Uncertainties***

The Plan invests in various investments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant account balances and amounts reported in the statements of net assets available for benefits.

***Benefits***

Payments of benefits are recorded when paid.

**3. INCOME TAX STATUS**

The Plan has adopted a prototype non-standardized profit-sharing plan sponsored by Newport Group, Inc. The Internal Revenue Service has determined and informed the prototype sponsor by a letter dated June 30, 2020, that the prototype plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The submitted plan has been amended to comply with recent legislation. The Plan has not filed for its own determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of Section 401(a) of the IRC and, as such, would be exempt from federal income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

**6. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- \* Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- \* Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- \* Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2024 and 2023. There were no changes in the valuation techniques used to determine fair value at December 31, 2024 and 2023.

**SARATOGA - SCHENECTADY GASTROENTEROLOGY  
ASSOCIATES, P.C. RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**6. FAIR VALUE MEASUREMENTS**

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Assets Value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

Stable value fund: The Plan has adopted the provisions of Accounting Standards Update (ASU) 2009-12, *Investments in Certain Entities that Calculate Net Assets Value per Share (or its equivalent)*. ASU 2009-12 allows for the estimation of fair value in certain investment companies for which the investment does not have a readily determinable value by using net asset value (NAV) per share or its equivalent as a practical expedient. The Metlife Stable Value 25554 Fund Class J is valued at the closing NAV of units held by the Plan at year-end based on information provided and certified by the Trustee.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets measured on a recurring basis at December 31 are as follows:

	<u>Level 1</u>	<u>Total</u>
December 31, 2024		
Registered investment companies (mutual funds)		
Total assets in the fair value hierarchy	<u>\$ 23,669,858</u>	<u>\$ 23,669,858</u>
Stable Value Fund		
Total assets measured at net asset value (a)		<u>1,861,987</u>
Total investments at fair value	<u>\$ 23,669,858</u>	<u>\$ 25,531,845</u>
December 31, 2023		
Registered investment companies (mutual funds)		
Total assets in the fair value hierarchy	<u>\$ 25,137,239</u>	<u>\$ 25,137,239</u>
Stable Value Fund		
Total assets measured at net asset value (a)		<u>2,197,911</u>
Total investments at fair value	<u>\$ 25,137,239</u>	<u>\$ 27,335,150</u>

(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit a reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note: As of December 31, 2024, there were no unfunded commitments related to the MetLife Stable Value Fund.

**7. STABLE VALUE FUND**

The Plan invests in the MetLife Stable Value 25554 Fund (the Fund), which was an investment fund offered by Wilmington Trust, N.A. and was designed for retirement trusts exempt from federal income taxes under Section 501(a) of the Internal Revenue Code, as amended. The objective of the Fund was to provide safety of principal, adequate liquidity and a competitive yield with low return volatility. The Fund simulates the performance of a guaranteed investment contract through the guarantee of a specific interest rate and a portfolio of financial instruments that are owned by Metropolitan Life Insurance Company (MetLife).

The Fund invests in the MetLife Group Annuity Contract No. 25554 (the Contract). The Contract provides a fixed interest rate for a fixed period that will apply to the entire guaranteed value. The interest rate is reset every quarter as determined by MetLife with consideration of the market value of the underlying investments, the anticipated market yields-to-maturity of benchmark indices of underlying investments, expected payments into and out of the Contract, amortization of the difference, if any between market value of underlying investments and the guaranteed value of the Fund, and fees allowed under the Contract. MetLife guarantees that the rate will never be less than zero. For the year ended December 31, 2024 and 2023, the average yield earned by the Contract was 2.16% and 4.66%, respectively.
